NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE I

DEMISE; TERM

1.1 Leased Property. Upon and subject to the terms and conditions hereinafter set forth, Landlord demises and leases to Tenant and Tenant accepts and leases from Landlord all of Landlord’s rights and interest in and to the following (collectively, the “Leased Property”):

(a) the real property described in Exhibit B attached hereto (excluding any and all (x) Subsurface Resources in and underlying such real property (which Tenant acknowledges may be removed by Landlord), and (y) all surface rights necessary to drill for, produce, transport and operate the Subsurface Resources and any Subsurface Resources underlying adjacent lands of Landlord, including the rights for drilling and locating wells, pipelines, tanks and other utilities and facilities on such real property, but subject to the provisions of Section 41.17 herein) (collectively, the “Land”);

(b) all buildings, structures, Fixtures and improvements of every kind now or hereafter located on the Land (collectively, the “Leased Improvements”);

(c) all easements, development rights and other rights and privileges appurtenant to the Land or the Leased Improvements;

(d) the Ground Leases together with the leasehold estates or subleasehold estates, as applicable, in the Ground Leased Property, as to which this Lease will constitute a sublease or a sub-sublease, as the case may be; and

(e) any vessel, riverboat, barge or ship used as (or as part of) a Gaming Facility or which is ancillary to a Gaming Facility, including but not limited to (i) a vessel, riverboat, barge or ship of any kind or nature, whether or not temporarily or permanently moored or affixed to any real property (including its engines, machinery, boats, boilers, masts, rigging, anchors, chains, cables, apparel, tackle, outfit, spare gear, fuel, consumables or their stores, belongings and appurtenances, whether on board or ashore, and all additions, improvements and replacements) which has a current and valid certificate of documentation issued by the National Vessel Documentation Center (“Certificate of Documentation”) or a current and valid certificate of compliance issued by a Gaming Authority (“Certificate of Compliance”) or in the past has been the subject of a Certificate of Documentation and/or Certificate of Compliance, (ii) any property which is a vessel within the meaning given to that term in 1 U.S.C. § 3, and (iii) any property which would be a vessel within the meaning of that term as defined in 1 U.S.C. § 3 but for (A) its removal from navigation for use in gaming or other business operations, and/or (B) it being temporarily or permanently moored or affixed to any real property, and, in each case of subclauses (i) through (iii), all appurtenances thereof.

The Leased Property is leased subject to all covenants, conditions, restrictions, easements and other matters of any nature affecting the Leased Property or any portion thereof as of (i) the Commencement Date with respect to the Original Leased Property, (ii) the Fourth Amendment Date with respect to the RG Leased Property, or (iii) the Fifth Amendment Date with respect to the Alberta Leased Property and such subsequent covenants, conditions, restrictions, easements and other matters as may hereafter arise in accordance with the terms of this Lease or as may otherwise be agreed to in writing by Landlord and Tenant, whether or not of record, including any matters which would be disclosed by an inspection or accurate survey of the Leased Property or any portion thereof.

To the extent Landlord’s ownership of any Leased Property or any portion thereof (including any improvement (including any Capital Improvement) or other property) that does not constitute “real property” within the meaning of Treasury Regulation Section 1.856-3(d), which would otherwise be owned by Landlord and leased to Tenant pursuant to this Lease, could cause Landlord REIT to fail to qualify as a “real estate investment trust” (within the meaning of Section 856(a) of the Code, or any similar or successor provision thereto), then a portion of such property shall automatically instead be owned by PropCo TRS LLC, a Delaware limited liability company, which is a “taxable REIT subsidiary” (within the meaning of Section 856(l) of the Code, or any similar or successor provision thereto) of Landlord REIT (the “PropCo TRS”), to the extent necessary such that Landlord’s ownership of such Leased Property does not cause Landlord REIT to fail to qualify as a real estate investment trust, provided, there shall be no adjustment in the Rent as a result of the foregoing. In such event, Landlord shall cause the PropCo TRS to make such property available to Tenant in accordance with the terms hereof; however, Landlord shall remain fully liable for all obligations of Landlord under this Lease and shall retain sole decision-making authority for any matters for which Landlord’s consent or approval is required or permitted to be given and for which Landlord’s discretion may be exercised under this Lease.

1.2 Single, Indivisible Lease. This Lease constitutes one indivisible lease of the Leased Property and not separate leases governed by similar terms. The Leased Property constitutes one economic unit, and the Rent and all other provisions have been negotiated and agreed upon based on a demise of all of the Leased Property to Tenant as a single, composite,

inseparable transaction and would have been substantially different had separate leases or a divisible lease been intended. Except as may be expressly provided in this Lease for specific, isolated purposes (and then only to the extent expressly otherwise stated), all provisions of this Lease apply equally and uniformly to all components of the Leased Property collectively as one unit. The Parties intend that the provisions of this Lease shall at all times be construed, interpreted and applied so as to carry out their mutual objective to create an indivisible lease of all of the Leased Property and, in particular but without limitation, that, for purposes of any assumption, rejection, disclaimer or assignment of this Lease under 11 U.S.C. Section 365, the Bankruptcy and Insolvency Act RSC 1985 c. B-3 or the Companies Creditors Arrangement Act, RSC c. C-36, or any successor or replacement thereof or any analogous federal or state laws, this is one indivisible and non-severable lease and executory contract dealing with one legal and economic unit and that this Lease must be assumed, rejected or assigned as a whole with respect to all (and only as to all) of the Leased Property. In furtherance thereof, each Party hereby waives any claim or defense based on a recharacterization of this Lease as any agreement other than a single indivisible lease of all of the Leased Property. The Parties may elect to amend this Lease from time to time to modify the boundaries of the Land, to exclude one or more components or portions thereof, and/or to include one or more additional components as part of the Leased Property, and any such future addition to the Leased Property shall not in any way change the indivisible and nonseverable nature of this Lease and all of the foregoing provisions shall continue to apply in full force.

1.3 Term. The “Term” of this Lease shall commence on the Commencement Date and expire on the Expiration Date (i.e., the Term shall consist of the Initial Term plus all Renewal Terms, to the extent exercised as set forth in Section 1.4 below, subject to any earlier termination of the Term pursuant to the terms hereof). The initial stated term of this Lease (the “Initial Term”) shall commence on December 6, 2019 (the “Commencement Date”) and expire on September 30, 2038 (the “Initial Stated Expiration Date”). The “Stated Expiration Date” means the Initial Stated Expiration Date or the expiration date of the most recently exercised Renewal Term, as the case may be.

1.4 Renewal Terms. The Term of this Lease may be extended for four (4) separate “Renewal Terms” of five (5) years each if (a) at least twelve (12), but not more than eighteen (18), months prior to the then current Stated Expiration Date, Tenant (or, pursuant to Section 17.1(e), a Permitted Leasehold Mortgagee) delivers to Landlord a “Renewal Notice” stating that it is irrevocably exercising its right to extend this Lease for one (1) Renewal Term; and (b) no Tenant Event of Default shall have occurred and is continuing on the date Landlord receives the Renewal Notice or on the last day of the then current Term (other than a Tenant Event of Default that is in the process of being cured by a Permitted Leasehold Mortgagee in compliance in all respects with Section 17.1(d) and Section 17.1(e)). Subject to the provisions, terms and conditions of this Lease, upon Tenant’s timely delivery to Landlord of a Renewal Notice, the Term of this Lease shall be extended for the then applicable Renewal Term. During any such Renewal Term, except as specifically provided for herein, all of the provisions, terms and conditions of this Lease shall remain in full force and effect. After the last Renewal Term, Tenant shall have no further right to renew or extend the Term. If Tenant fails to validly and timely exercise any right to extend this Lease, then all subsequent rights to extend the Term shall terminate. Notwithstanding anything otherwise contained in this Lease, Tenant hereby irrevocably exercises its right to extend this Lease for one (1) Renewal Term and Landlord accepts such exercise.

1.5 Assignment of Specified Subleases. As of (i) the Commencement Date with respect to the Original Facilities, (ii) the Fourth Amendment Date with respect to the Rocky Gap Facility, or (iii) the Fifth Amendment Date with respect to the Alberta Facilities Landlord hereby assigns, transfers, sets over and conveys to Tenant all of Landlord's right, title and interest in and to the Specified Subleases. Tenant hereby accepts the foregoing assignment, transfer and conveyance, and does hereby assume all of Landlord's rights, title, interests and obligations under the Specified Subleases arising from and after the Commencement Date.

The determination of Fair Market Rental Value shall be of Rent (but not Additional Charges), and shall assume and take into account that Additional Charges shall continue to be paid hereunder during any period in which such Fair Market Rental Value shall be paid. RENT

3.1 Rent.

(a) Generally. During the Term, Tenant will pay to Landlord the Rent and Additional Charges in lawful money of (i) the United States of America with respect to the US Facilities and (ii) Canada with respect to the Alberta Facilities and, in each case, legal tender for the payment of public and private debts, in the manner provided in Section 3.4.

(b) Payment of Rent. On the Commencement Date, Tenant shall pay a prorated portion of the first monthly installment of Rent for the period from the Commencement Date until the last day of the calendar month in which the Commencement Date occurs, based on the number of days during such period. Thereafter Rent shall be payable by Tenant in consecutive monthly installments equal to one-twelfth (1/12th) of the Rent amount for the applicable Lease Year on the first (1st) day of each calendar month (or the immediately succeeding Business Day if the first (1st) day of the month is not a Business Day), in advance for such calendar month, during that Lease Year. Notwithstanding anything to the contrary in the foregoing sentence, (i) on the Fourth Amendment Date a prorated portion of Rent in an amount equal to Two Hundred Ninety-One Thousand Six Hundred Sixty-Six and 67/100 Dollars (\$291,666.67) shall be paid by Tenant for the period from the Fourth Amendment Date until the last day of the calendar month in which the Fourth Amendment Date occurs, (ii) on the Fifth Amendment Date a prorated portion of Rent in an amount equal to One Million Two Hundred Thousand Six Hundred Ninety-Four and 50/100 Canadian Dollars (\$1,200,694.50) shall be paid by Tenant for the period from the Fifth Amendment Date until the last day of the calendar month in which the Fifth Amendment Date occurs, and (iii) subject to Section 3.1(c) below, on the Cap Ex Project Incremental Rent Increase Date a prorated portion of Rent (i.e., Four Million One Hundred Fifty-Two Thousand and No/100 Dollars (\$4,152,000.00) divided by twelve (12), divided by the number of the days in the applicable month, multiplied by the amount of days remaining in such month) shall be paid by Tenant for the period from the Cap Ex Project Incremental Rent Increase Date until the last day of the calendar month in which the Cap Ex Project Incremental Rent Increase Date occurs.

(c) [***].

(d) Proration for Partial Lease Year. Unless otherwise agreed by the Parties in writing, Rent and Additional Charges shall be prorated on a per diem basis as to any Lease Year

containing less than twelve (12) calendar months, and with respect to any installment thereof due for any partial months at the beginning and end of the Term.

3.2 Intentionally Omitted.

3.3 Late Payment of Rent or Additional Charges.

Tenant hereby acknowledges that the late payment of any Rent or Additional Charges will cause Landlord to incur costs not contemplated hereunder, the exact amount of which is presently anticipated to be extremely difficult to ascertain. Accordingly, if any installment of Rent or Additional Charges (other than Additional Charges payable to a Person other than Landlord) shall not be paid within four (4) days after its due date, Tenant shall pay to Landlord on demand a late charge equal to the lesser of (a) five percent (5%) of the amount of such installment or Additional Charges and (b) the maximum amount permitted by law. The Parties agree that this late charge represents a fair and reasonable estimate of the costs that Landlord will incur by reason of late payment by Tenant. The Parties further agree that any such late charge constitutes Rent, and not interest, and such assessment does not constitute a lender or borrower/creditor relationship between Landlord and Tenant. If any installment of Rent (or Additional Charges (other than Additional Charges payable to a Person other than Landlord) shall not be paid within nine (9) days after its due date, the amount unpaid, including any late charges previously accrued and unpaid, shall bear interest at the Overdue Rate (including interest accruing during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding, whether or not a claim for such interest is allowed or allowable in such proceeding), and Tenant shall pay such interest to Landlord on demand. The payment of such late charge or such interest shall not constitute a waiver of, nor excuse or cure, any default under this Lease, nor prevent Landlord from exercising any other rights and remedies available to Landlord. No failure by Landlord to insist upon strict performance by Tenant of Tenant's obligation to pay late charges and interest on sums overdue shall constitute a waiver by Landlord of its right to enforce the provisions, terms and conditions of this Section 3.3. No payment by Tenant nor receipt by Landlord of a lesser amount than may be required to be paid hereunder shall be deemed to be other than on account of any such payment, nor shall any endorsement or statement on any check or any letter accompanying any check tendered as payment be deemed an accord and satisfaction and Landlord, in its sole discretion, may accept such check or payment without prejudice to Landlord's right to recover the balance of such payment due or pursue any other right or remedy in this Lease provided.

3.4 Method of Payment of Rent. Rent and Additional Charges to be paid to Landlord shall be paid by electronic funds transfer debit transactions through wire transfer, ACH or direct deposit of immediately available federal funds and shall be initiated by Tenant for settlement on or before the applicable Payment Date in each case (or, in respect of Additional Charges, as applicable, such other date as may be applicable hereunder); provided, however, if the Payment Date is not a Business Day, then settlement shall be made the next succeeding day which is a Business Day. Landlord shall provide Tenant with appropriate wire transfer, ACH and direct deposit information in a Notice from Landlord to Tenant. If Landlord directs, by written request, Tenant to pay any Rent or any Additional Charges to any party other than Landlord, Tenant shall send to Landlord, simultaneously with such payment, a copy of the transmittal letter or invoice and a check whereby such payment is made or such other evidence of payment as Landlord may reasonably require.

3.5 Method of Payment of Alberta Leased Property. Notwithstanding anything to the contrary herein, where a payment of Rent, Additional Charges, Impositions or any other amounts are to be paid by Tenant to Landlord in respect of the Alberta Leased Property, such amounts shall be paid to the Canadian Agent, on behalf of Landlord, and any notification of payment instructions to be provided by Landlord to Tenant pursuant to the terms of this Lease may be provided by the Canadian Agent, on behalf of Landlord.

3.6 Section 216(4) Tax Election.

(a) Landlord will file with the CRA on a timely basis all forms, as prescribed in the ITA, containing the requisite information, and shall take any other required steps, so as to permit it to be entitled, pursuant to subsection 216(1) of the ITA, to pay tax on income from the Alberta Leased Property situated in Canada on a “net basis” under Part I of the ITA in lieu of paying tax under Part XIII of the ITA.

(b) Landlord will file on a timely basis, in respect of each Fiscal Year, an undertaking pursuant to subsection 216(4) of the ITA, in the form prescribed under the ITA for such undertaking, to file a tax return under Part I of the ITA within six (6) months after the end of such Fiscal Year, and the Canadian Agent will cooperate in the completion and filing of such undertaking, including, without limitation, signing the form of undertaking in the manner required by the CRA in order for such undertaking to be valid. The Canadian Agent agrees that the timely filing of such undertaking by Landlord shall require the Canadian Agent to elect, on a timely basis, pursuant to subsection 216(4) of the ITA to remit to the CRA, under the optional method of payment provided for by such subsection 216(4), the requisite amount of withholding tax as determined pursuant to subsection 216(4) of the ITA out of the amount available to the Canadian Agent from rents received by the Canadian Agent for and on behalf of Landlord.

3.7 Net Lease. Landlord and Tenant acknowledge and agree that (i) this Lease is and is intended to be what is commonly referred to as a “net, net, net” or “triple net” lease, and (ii) the Rent and Additional Charges shall be paid absolutely net to Landlord, without abatement, deferment, reduction, defense, counterclaim, claim, demand, notice, deduction or offset of any kind whatsoever, so that this Lease shall yield to Landlord the full amount or benefit of the installments of Rent and Additional Charges throughout the Term, all as more fully set forth in Article V and except and solely to the extent expressly provided in Article XIV (in connection with a Casualty Event), and in Article XV (in connection with a Condemnation). If Landlord commences any proceedings for non-payment of Rent, Tenant will not interpose any defense, offset, claim, counterclaim or cross complaint or similar pleading of any nature or description in such proceedings unless Tenant would lose or waive such claim by the failure to assert it. This shall not, however, be construed as a waiver of Tenant’s right to assert such claims in a separate action brought by Tenant. The covenants to pay Rent and Additional Charges hereunder are independent covenants, and Tenant shall have no right to hold back, deduct, defer, reduce, offset or fail to pay any such amounts for default by Landlord or for any other reason whatsoever, except solely as and to the extent provided in Section 3.1 and this Section 3.7.

ARTICLE IV

ADDITIONAL CHARGES

4.1 Impositions.

(a) Subject to Section 4.1(b) and Article XII relating to permitted contests, Tenant shall pay, or cause to be paid, all Impositions as and when due and payable (without obligation to pay in advance to obtain a discount or reduction in such amount) during the Term to the applicable taxing authority or other party imposing the same, and in all events before any fine, penalty, premium or interest may be added for non-payment. Subject to Section 4.1(b) and Section 4.2, (i) Tenant shall make such payments directly to the taxing authorities where feasible, and on a quarterly basis furnish to Landlord a summary of such payments, together, upon the request of Landlord, with copies of official receipts or other reasonably satisfactory proof evidencing such payments, and (ii) if Tenant is not permitted to, or it is otherwise not feasible for Tenant to, make such payments directly to the taxing authorities or other applicable party, then Tenant shall notify Landlord thereof and Tenant shall make such payments to Landlord at least ten (10) Business Days prior to such payments becoming due and payable, and Landlord shall make such payments to the taxing authorities or other applicable party prior the date that such payments are due and payable. Landlord shall deliver to Tenant any bills received by Landlord for Impositions, promptly following Landlord's receipt thereof. To the extent applicable, Tenant's obligation to pay Impositions shall be absolutely fixed upon the date such Impositions become a lien upon the Leased Property to the extent payable during the Term or any part thereof, subject to Article XII. Notwithstanding anything in the first sentence of this Section 4.1 to the contrary, if any Imposition may, at the option of the taxpayer, lawfully be paid in installments, whether or not interest shall accrue on the unpaid balance of such Imposition, Tenant may pay the same, and any accrued interest on the unpaid balance of such Imposition, in installments before the same respectively become delinquent and before any fine, penalty, premium or further interest may be added thereto.

(b) Landlord or Landlord REIT shall prepare and file all tax returns and reports as may be required by Legal Requirements with respect to Landlord's net income, gross receipts, franchise taxes and taxes on its capital stock and any other returns required to be filed by or in the name of Landlord (the "Landlord Tax Returns"), and Tenant or Tenant's applicable direct or indirect parent shall prepare and file all other tax returns and reports as may be required by Legal Requirements with respect to or relating to the Leased Property (including all Capital Improvements) and Tenant's Property. If any property covered by this Lease is classified as personal property for tax purposes, Tenant shall file all required personal property tax returns in such jurisdictions where it is required to file pursuant to applicable Legal Requirements and provide copies to Landlord upon request. Any refund due from any taxing authority in respect of any Imposition paid by or on behalf of Tenant shall be paid over to or retained by Tenant, and any refund due from any taxing authority in respect of any Imposition paid by or on behalf of Landlord, if any, shall be paid over to or retained by Landlord. Billings for reimbursement by Tenant to Landlord of personal property or real property taxes and any taxes due under the Landlord Tax Returns, if and to the extent Tenant is responsible for such taxes under the terms of this Section 4.1 (subject to Article XII), shall be accompanied by copies of a bill therefor and payments thereof

which identify in reasonable detail the personal property or real property or other tax obligations of Landlord with respect to which such payments are made.

(c) Landlord and Tenant shall, upon request of the other, provide such data as is maintained by the Party to whom the request is made with respect to the Leased Property as may be necessary to prepare any required tax returns and reports. If any property covered by this Lease is classified as personal property for tax purposes, Tenant shall file all personal property tax returns in such jurisdictions where it must legally so file. Landlord, to the extent it possesses the same, and Tenant, to the extent it possesses the same, shall provide the other Party, upon request, with cost and depreciation records necessary for filing returns for any property classified as personal property. Where Landlord is legally required to file personal property tax returns, Landlord shall provide Tenant with copies of assessment notices indicating a value in excess of the reported value in sufficient time for Tenant to file a protest.

(d) Impositions imposed or assessed in respect of the tax-fiscal period during which the Expiration Date occurs shall be adjusted and prorated between Landlord and Tenant; provided, that Tenant's obligation to pay its prorated share of Impositions imposed or assessed before the Expiration Date in respect of a tax-fiscal period during the Term shall survive the Expiration Date (and its right to contest the same pursuant to Article XII shall survive the Stated Expiration Date). Landlord will not voluntarily enter into agreements that will result in, or consent to the imposition of, additional Impositions (not otherwise constituting Impositions hereunder) without Tenant's consent, which shall not be unreasonably withheld, conditioned or delayed; provided, in each case, Tenant is given reasonable opportunity to participate in the process leading to such agreement. Impositions imposed or assessed in respect of any tax-fiscal period occurring (in whole or in part) prior to (i) the Commencement Date with respect to the Original Facilities, (ii) the Fourth Amendment Date with respect to the Rocky Gap Facility, and (iii) the Fifth Amendment Date with respect to the Alberta Facilities, if any, shall be Tenant's obligation to pay or cause to be paid.

4.2 Goods and Services Taxes. Tenant shall pay to the Canadian Agent, on behalf of Landlord, all Goods and Services Taxes exigible under the relevant taxing statute. Goods and Services Taxes shall be payable at the same time as Tenant pays Rent to Landlord. Landlord shall have the same remedies for and rights of recovery of such amount as it has for recovery of Rent under this Lease.

4.3 Utilities and Other Matters. Tenant shall pay or cause to be paid all charges for electricity, power, gas, oil, water and other utilities used in the Leased Property. Tenant shall also pay or reimburse Landlord for all costs and expenses of any kind whatsoever which at any time with respect to the Term hereof may be imposed against Landlord by reason of any Property Documents, or with respect to easements, licenses or other rights over, across or with respect to any adjacent or other property which benefits the Leased Property or any Capital Improvement, including any and all costs and expenses associated with any utility, drainage and parking easements relating to the Leased Property (but excluding, for the avoidance of doubt, any costs and expenses under any Fee Mortgage Documents). Tenant shall undertake reasonable measures to avoid waste of electricity, power, gas, oil, water, and other utilities used in the Leased Property and agrees to furnish to Landlord upon Landlord's request such information concerning such undertakings as may be reasonably requested by Landlord. Tenant shall comply with and

participate in reasonable Landlord initiatives for metering or otherwise measuring the use of utilities and services, including, without limitation, Landlord initiatives requiring the disclosure or reporting of the use of any utilities or services. Tenant shall also reasonably cooperate and endeavor to comply with, participate in, and assist in the implementation of (and to take no action that is inconsistent with, or which would result in Landlord or the Leased Property failing to comply with the requirements of) any conservation, sustainability, recycling, energy efficiency, and waste reduction programs, environmental protection efforts and/or other programs that Landlord may wish to be implemented from time to time at the Leased Property by Landlord, including, without limitation, any reporting, disclosure, rating or compliance system or program (including, but not limited to any LEED (Leadership in Energy and Environmental Design rating or compliance system, including those currently coordinated through the U.S. Green Building Council or the Canada Green Building Council)). Tenant acknowledges that Landlord may develop rules and regulations covering environmental sustainability practices related to Capital Improvements, interior design, operations, and maintenance activities (“Landlord Sustainability Rules and Regulations”), including, energy efficiency and waste management, and Tenant shall endeavor to adhere to any Landlord Sustainability Rules and Regulations and the provisions of this section.

4.4 Compliance Certificate. Landlord shall deliver to Tenant, promptly following Landlord’s receipt thereof, any bills received by Landlord for items required to be paid by Tenant hereunder, including, without limitation, Impositions, utilities and insurance. Promptly upon the request of Landlord (unless a Tenant Event of Default is then continuing, not more frequently than once in any Fiscal Quarter), Tenant shall furnish to Landlord a certification stating that all or a specified portion of Impositions, utilities, insurance premiums or, to the extent specified by Landlord, any other amounts payable by Tenant hereunder that have, in each case, come due prior to the date of such certification have been paid (or that such payments are being contested in good faith by Tenant in accordance herewith) and specifying the portion of the Leased Property to which such payments relate.

4.5 Impound Account. At Landlord’s option following the occurrence and during the continuation of a Tenant Event of Default (to be exercised by thirty (30) days’ written notice to Tenant), Tenant shall be required to deposit, at the time of any payment of Rent, an amount equal to one-twelfth (1/12th) of the sum of (i) Tenant’s estimated annual real and personal property taxes required pursuant to Section 4.1 hereof (as reasonably determined by Landlord), and (ii) Tenant’s estimated annual maintenance expenses and insurance premium costs pursuant to Articles IX and XIII hereof (as reasonably determined by Landlord). Such amounts shall be applied to the payment of the obligations in respect of which said amounts were deposited, on or before the respective dates on which the same or any of them would become due. The reasonable cost of administering such impound account shall be paid by Tenant. Nothing in this Section 4.5 shall be deemed to affect any other right or remedy of Landlord hereunder.

ARTICLE V

NO TERMINATION, ABATEMENT, ETC.

5.1 No Termination, Abatement, etc. Except as otherwise specifically provided in this Lease, Tenant shall remain bound by this Lease in accordance with its terms and shall not seek

or be entitled to any abatement, deduction, deferment or reduction of Rent, or set-off against the Rent. The obligations of Landlord and Tenant hereunder shall be separate and independent covenants and agreements and the Rent and all other sums payable by Tenant hereunder shall continue to be payable in all events unless the obligations to pay the same shall be terminated pursuant to the express provisions of this Lease or by termination of this Lease as to all or any portion of the Leased Property other than by reason of a Tenant Event of Default. Without limitation of the preceding sentence, the respective obligations of Landlord and Tenant shall not be affected by reason of (i) except as expressly set forth in Articles XIV and XV, any damage to or destruction of the Leased Property, including any Capital Improvement or any portion thereof from whatever cause, or any Condemnation of the Leased Property, including any Capital Improvement or any portion thereof or, discontinuance of any service or utility servicing the same; (ii) the lawful or unlawful prohibition of, or restriction upon, Tenant's use of the Leased Property, including any Capital Improvement or any portion thereof or the interference with such use by any Person or by reason of eviction by paramount title; (iii) any claim that Tenant has or might have against Landlord by reason of any default or breach of any warranty by Landlord hereunder or under any other agreement between Landlord and Tenant or to which Landlord and Tenant are parties; (iv) any bankruptcy, insolvency, reorganization, consolidation, readjustment, liquidation, dissolution, winding up or other proceedings affecting Landlord or any assignee or transferee of Landlord; or (v) for any other cause, whether similar or dissimilar to any of the foregoing. Tenant hereby specifically waives all rights arising from any occurrence whatsoever which may now or hereafter be conferred upon it by law (a) to modify, surrender or terminate this Lease or quit or surrender the Leased Property or any portion thereof, or (b) which may entitle Tenant to any abatement, deduction, reduction, suspension or deferment of or defense, counterclaim, claim or set-off against the Rent or other sums payable by Tenant hereunder, except in each case as may be otherwise specifically provided in this Lease. Notwithstanding the foregoing, nothing in this Article V shall preclude Tenant from bringing a separate action against Landlord for any matter described in the foregoing clauses (ii), (iii) or (v) and Tenant is not waiving other rights and remedies not expressly waived herein. Tenant's agreement that, except as may be otherwise specifically provided in this Lease, any eviction by paramount title as described in clause (ii) above shall not affect Tenant's obligations under this Lease, shall not in any way discharge or diminish any obligation of any insurer under any policy of title or other insurance, and, to the extent the recovery thereof is not necessary to compensate Landlord for any damages incurred by any such eviction, Tenant shall be entitled to a credit for any sums recovered by Landlord under any such policy of title or other insurance in respect of any such eviction up to the maximum amount paid by Tenant to Landlord under this Article V and Article XIV hereof in respect of any such eviction or the duration thereof, and Landlord, upon request by Tenant, shall assign Landlord's rights under such policies to Tenant provided such assignment does not adversely affect Landlord's rights under any such policy and provided further, that Tenant shall indemnify, defend, protect and save Landlord harmless from and against any liability, cost or expense of any kind that may be imposed upon Landlord in connection with any such assignment except to the extent such liability, cost or expense arises from the gross negligence or willful misconduct of Landlord.

ARTICLE VI

OWNERSHIP OF REAL AND PERSONAL PROPERTY

6.1 Ownership of the Leased Property.

(a) Landlord and Tenant acknowledge and agree that they have executed and delivered this Lease with the understanding that (i) the Leased Property is the property of Landlord, (ii) Tenant has only the right to the possession and use of the Leased Property upon the terms and conditions of this Lease, (iii) this Lease is a “true lease,” is not a financing lease, mortgage, equitable mortgage, deed of trust, trust agreement, security agreement or other financing or trust arrangement, and the economic realities of this Lease are those of a true lease, (iv) the business relationship created by this Lease and any related documents is and at all times shall remain that of landlord and tenant, (v) this Lease has been entered into by each Party in reliance upon the mutual covenants, conditions and agreements contained herein, and (vi) none of the agreements contained herein is intended, nor shall the same be deemed or construed, to create a partnership between Landlord and Tenant, to make them joint venturers, to make Tenant an agent, legal representative, partner, subsidiary or employee of Landlord, or to make Landlord in any way responsible for the debts, obligations or losses of Tenant.

(b) Each of the Parties covenants and agrees, subject to Section 6.1(d), not to (i) file any income tax return or other associated documents, (ii) file any other document with or submit any document to any governmental body or authority, or (iii) enter into any written contractual arrangement with any Person, in each case that takes a position other than that this Lease is a “true lease” with Landlord as owner of the Leased Property (except as expressly set forth below) and Tenant as the tenant of the Leased Property. For federal, state, territorial and local income tax purposes, Landlord and Tenant agree that (x) Landlord shall be treated as the owner of the Leased Property eligible to claim depreciation deductions under Sections 167 or 168 of the Code, the Income Tax Act (Canada), and any corresponding applicable provincial tax legislation with respect to all Leased Property excluding the Leased Property described in clause (y) below, and (y) Tenant shall be treated as owner of, and eligible to claim depreciation deductions under Sections 167 or 168 of the Code and the Income Tax Act (Canada) with respect to, all Tenant Capital Improvements (including, for avoidance of doubt and for purposes of this sentence, Tenant Material Capital Improvements) and Material Capital Improvements funded by Landlord pursuant to a Landlord MCI Financing that is treated as a loan for such income tax purposes other than any portion of any Tenant Capital Improvement or Material Capital Improvement that is funded with Cap Ex Project Advances (it being understood and agreed that Landlord shall be treated as the owner of the portion of such Tenant Capital Improvement or Material Capital Improvement that is proportionate to the amount of the Cap Ex Project Advances that are used to fund the construction of such Tenant Capital Improvement or Material Capital Improvement as compared to the total cost of construction of such Tenant Capital Improvement or Material Capital Improvement, and shall be eligible to claim depreciation deductions under Sections 167 or 168 of the Code with respect thereto).

(c) If, notwithstanding (i) the form and substance of this Lease, (ii) the intent of the Parties, and (iii) the language contained herein providing that this Lease shall at all times be construed, interpreted and applied to create an indivisible lease of all of the Leased Property, any

court of competent jurisdiction finds that this Lease is a financing arrangement, this Lease shall be considered a secured financing agreement and Landlord's title to the Leased Property shall constitute a perfected first priority lien in Landlord's favor on the Leased Property to secure the payment and performance of all the obligations of Tenant hereunder (and to that end, Tenant hereby grants, assigns and transfers to Landlord a security interest in all right, title or interest in or to any and all of the Leased Property, as security for the prompt and complete payment and performance when due of Tenant's obligations hereunder). Tenant (and each Permitted Leasehold Mortgagee) authorizes Landlord, at the expense of Tenant, to make any filings or take other actions as Landlord reasonably determines are necessary or advisable in order to effect fully this Lease or to more fully perfect or renew the rights of Landlord, and to subordinate to Landlord the lien of any Permitted Leasehold Mortgagee, with respect to the Leased Property (it being understood that nothing in this Section 6.1(c) shall affect the rights of a Permitted Leasehold Mortgagee under Article XVII hereof). At any time and from time to time upon the request of Landlord, and at the expense of Tenant, Tenant shall promptly execute, acknowledge and deliver such further documents and do such other acts as Landlord may reasonably request in order to effect fully this Lease or to more fully perfect or renew the rights of Landlord with respect to the Leased Property. Upon the exercise by the Landlord of any power, right, privilege or remedy pursuant to this Lease which requires any consent, approval, recording, qualification or authorization of any governmental authority, Tenant will execute and deliver, or will cause the execution and delivery of, all applications, certifications, instruments and other documents and papers that Landlord may be required to obtain from Tenant for such consent, approval, recording, qualification or authorization.

(d) Notwithstanding the foregoing, the Parties acknowledge that, as of the Commencement Date, for GAAP purposes this Lease may not be classified as an "operating lease" and that the Parties will prepare Financial Statements consistent with GAAP (and for purposes of any SEC or other similar governmental filing purposes), as applicable.

(e) Landlord and Tenant acknowledge and agree that the Rent is the fair market rent for the use of the Leased Property and was agreed to by Landlord and Tenant on that basis, and the execution and delivery of, and the performance by Tenant of its obligations under, this Lease does not constitute a transfer of all or any part of the Leased Property, but rather the creation of the Leasehold Estate subject to the terms and conditions of this Lease.

(f) Tenant waives any claim or defense based upon the characterization of this Lease as anything other than a true lease of the Leased Property. Tenant stipulates and agrees (1) not to challenge the validity, enforceability or characterization of this Lease of the Leased Property as a true lease, and (2) not to assert or take or omit to take any action inconsistent with the agreements and understandings set forth in Section 1.2, Section 3.7 or this Section 6.1. The expressions of intent, the waivers, the representations and warranties, the covenants, the agreements and the stipulations set forth in this Section 6.1 are a material inducement to Landlord entering into this Lease.

6.2 Ownership of Tenant's Property. Tenant shall, during the entire Term, (a) own (or lease) and maintain on the Leased Property adequate and sufficient Tenant's Property, and (b) maintain all of such Tenant's Property in good order, condition and repair, in all cases as shall be necessary and appropriate in order to operate the Leased Property for the Primary Intended Use in

material compliance with all applicable licensure and certification requirements and in material compliance with all applicable Legal Requirements, Insurance Requirements and Gaming Regulations. If any of Tenant's Property requires replacement in order to comply with the foregoing, Tenant shall replace it with similar property of the same or better quality at Tenant's sole cost and expense. Subject to the foregoing and the other express terms and conditions of this Lease, Tenant may sell, transfer, convey or otherwise dispose of Tenant's Property (other than Gaming Licenses) in its discretion in the ordinary course of its business and Landlord shall have no rights to such sold, transferred, conveyed or otherwise disposed of Tenant's Property. In the case of any such Tenant's Property that is leased (rather than owned) by Tenant, Tenant shall use commercially reasonable efforts to ensure that any agreements entered into after (i) the Commencement Date with respect to the Original Facilities, (ii) the Fourth Amendment Date with respect to the Rocky Gap Facility, and (iii) the Fifth Amendment Date with respect to the Alberta Facilities, pursuant to which Tenant leases such Tenant's Property are assignable to third parties in connection with any transfer by Tenant to a replacement lessee or operator at the expiration or earlier termination of the Term. To the extent not transferred to Successor Tenant pursuant to Article XXXVI hereof (but without limitation of Section 9.4 hereof), Tenant shall remove all of Tenant's Property from the Leased Property at the end of the Term (or the Transition Period, as applicable), provided such removal shall not result in damage to, or materially impair the value of, the Leased Property or any components thereof. Any tangible Tenant's Property left on the Leased Property at the end of the Term (or the Transition Period, as applicable) whose ownership was not transferred to a Permitted Leasehold Mortgagee or its designee or assignee that entered into or succeeded to a New Lease pursuant to the terms hereof or to Successor Tenant pursuant to Article XXXVI hereof shall be deemed abandoned by Tenant and shall become the property of Landlord. Notwithstanding anything in the foregoing to the contrary, any transfer, conveyance or other disposition by Tenant (including any replacements in accordance herewith) of any Gaming equipment will be subject to the approval, to the extent required, of any applicable Gaming Authority.

6.3 Ownership of AGLC/WCLC Equipment. The Parties acknowledge that the AGLC/WCLC Equipment is owned by the AGLC or the Western Canada Lottery Corporation, as the case may be, and shall not form part of the Alberta Leased Property and the Tenant's Property. In respect of the AGLC/WCLC Equipment, Tenant shall: (a) on at least a quarterly basis during the Term, provide an updated copy of Schedule 8 to Landlord listing all of the AGLC/WCLC Equipment located at the Alberta Leased Property, certified by Tenant to be true and accurate as of the date of delivery of such updated schedule; (b) keep the AGLC/WCLC Equipment replaced, repaired, and maintained to the greater of the following two (2) standards: (i) in a good and reasonable state of repair and consistent with the general standards of equipment of similar age and character (and, in all events, at a standard at least equivalent to the Applicable Standards); and (ii) the standard required pursuant to the Gaming Regulations; (c) insure and provide for the physical security of the AGLC/WCLC Equipment to the greater of the following two (2) standards: (i) consistent with the insurance and physical security requirements that Tenant must comply with in respect of the Leased Property and Tenant's Property pursuant to this Lease (including Article XIII hereof); and (ii) the standard required pursuant to the Gaming Regulations; and (d) not permit any AGLC/WCLC Equipment to be installed or used in (or removed from) the Alberta Leased Property other than in accordance with Gaming Regulations.

ARTICLE VII

PRESENT CONDITION & PERMITTED USE

7.1 Condition of the Leased Property. Tenant acknowledges receipt and delivery of possession of the Leased Property and confirms that Tenant has examined and otherwise has knowledge of the condition, nature, and usability of the Leased Property as of the Commencement Date (with respect to the Original Leased Property), as of the Fourth Amendment Date (with respect to the RG Leased Property) and as of the Fifth Amendment Date (with respect to the Alberta Leased Property), and has found the same to be in good order and repair and satisfactory for its purposes hereunder, it being understood and acknowledged by Tenant that, immediately prior to Landlord's acquisition of the Alberta Leased Property and contemporaneous entry into the Fifth Amendment, Tenant (or its Affiliates) was the owner of all of Landlord's interest in and to the Alberta Leased Property and, accordingly, Tenant is charged with, and deemed to have, full and complete knowledge of all aspects of the condition and state of the Alberta Leased Property as of the Fifth Amendment Date. Without limitation of the foregoing and regardless of any examination or inspection made by Tenant, and whether or not any patent or latent defect or condition was revealed or discovered thereby, Tenant is leasing the Leased Property in "as is, where is" condition and "with all faults," without representation or warranty, express or implied, in fact or by law, oral or written, by Landlord, including the value, condition, merchantability, habitability, marketability, profitability, suitability or fitness for a particular purpose or use. Without limitation of the foregoing, Tenant waives any claim or action against Landlord in respect of the condition of the Leased Property including any deficiencies, defects or adverse conditions not discovered or otherwise known by Tenant as of the Commencement Date (with respect to the Original Leased Property), as of the Fourth Amendment Date (with respect to the RG Leased Property) and as of the Fifth Amendment Date (with respect to the Alberta Leased Property). LANDLORD MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, IN RESPECT OF THE LEASED PROPERTY OR ANY PART THEREOF, INCLUDING AS TO ITS FITNESS FOR USE, DESIGN OR CONDITION FOR ANY PARTICULAR USE OR PURPOSE OR OTHERWISE, OR AS TO THE NATURE OR QUALITY OF THE MATERIAL OR WORKMANSHIP THEREIN, OR THE STATUS OF TITLE TO THE LEASED PROPERTY OR THE PHYSICAL CONDITION OR STATE OF REPAIR THEREOF, OR THE ZONING OR OTHER LAWS, ORDINANCES, BUILDING CODES, REGULATIONS, RULES AND ORDERS APPLICABLE THERETO OR TO ANY CAPITAL IMPROVEMENTS WHICH MAY BE NOW OR HEREAFTER CONTEMPLATED, THE IMPOSITIONS LEVIED IN RESPECT OF THE LEASED PROPERTY OR ANY PART THEREOF, OR THE USE THAT MAY BE MADE OF THE LEASED PROPERTY OR ANY PART THEREOF, THE INCOME TO BE DERIVED FROM THE FACILITIES OR THE EXPENSE OF OPERATING THE SAME, OR THE EXISTENCE OF ANY HAZARDOUS SUBSTANCE, IT BEING AGREED THAT ALL SUCH RISKS, LATENT OR PATENT, ARE TO BE BORNE SOLELY BY TENANT, INCLUDING ALL RESPONSIBILITY AND LIABILITY FOR ANY ENVIRONMENTAL REMEDIATION AND COMPLIANCE WITH ALL ENVIRONMENTAL LAWS.

7.2 Use of the Leased Property.

(a) Tenant shall (i) use (or cause to be used) each Facility, including the Leased Property thereof for the Primary Intended Use, and (ii) not use (or permit to be used) any Facility, including the Leased Property or any portion thereof, including any Capital Improvement, for any use other than the Primary Intended Use, without the prior written consent of Landlord, which consent Landlord may withhold in its sole discretion. Landlord acknowledges that ownership of the Leased Property for Tenant's Primary Intended Use generally requires a Gaming License under applicable Gaming Regulations and that without such a license, if applicable, neither Landlord nor Landlord REIT may own the Leased Property. Tenant acknowledges that operation of a Facility for its Primary Intended Use generally requires a Gaming License under applicable Gaming Regulations and that without such a license, Tenant may not operate, control or participate in the conduct of the Gaming operations at such Facility.

(b) Tenant shall not commit or suffer to be committed any waste with respect to any Facility, including on or to the Leased Property (and, without limitation, to the Capital Improvements) or cause or permit any nuisance thereon or, except as required by law, take or suffer any action or condition that will diminish the ability of the Leased Property to be used as a Gaming Facility (or otherwise for the Primary Intended Use) after the Expiration Date.

(c) Tenant shall not, without the prior written consent of Landlord, which shall not be unreasonably withheld, conditioned or delayed (unless the action for which consent is sought could adversely affect the use or utility of the Leased Property for the Primary Intended Use or the value of the Leased Property, in which event, Landlord may withhold its consent in its sole and absolute discretion) (i) initiate or support any limiting change in the permitted uses of the Leased Property (or to the extent applicable, limiting zoning reclassification of the Leased Property); (ii) seek any variance under existing land use restrictions, laws, rules or regulations (or, to the extent applicable, zoning ordinances) applicable to the Leased Property or the use of the Leased Property; (iii) execute or file any subdivision plat or condominium declaration or plan affecting the Leased Property or any portion thereof, or institute, or permit the institution of, proceedings to alter any tax lot comprising the Leased Property or any portion thereof; or (iv) knowingly permit or suffer the Leased Property or any portion thereof to be used by the public or any Person in such manner as might make possible a claim of adverse usage or possession or of any implied dedication or easement (provided that the proscription in this clause (iv) is not intended to and shall not restrict Tenant in any way from complying with any obligation it may have under applicable Legal Requirements, including, without limitation, Gaming Regulations, to afford to the public access to the Leased Property or any portion thereof). Without limiting the foregoing, (1) Tenant will not impose or permit the imposition of any restrictive covenants, easements or other encumbrances upon the Leased Property without Landlord's consent, which shall not be unreasonably withheld, conditioned or delayed, (unless the action for which consent is sought could adversely affect the use or utility of the Leased Property for the Primary Intended Use or the value of the Leased Property, in which event, Landlord may withhold its consent in its sole and absolute discretion), provided, that, Landlord is given reasonable opportunity to participate in the process leading to such agreement, and (2) other than any liens or other encumbrances granted to a Fee Mortgagee, Landlord will not enter into, amend or otherwise modify agreements that encumber the Leased Property (including any Property Documents) without Tenant's consent, which shall not be unreasonably withheld, conditioned or delayed,

provided, that, Tenant is given reasonable opportunity to participate in the process leading to such agreement, amendment or other modification. Landlord agrees it will not withhold consent to utility easements and other similar encumbrances made in the ordinary course of Tenant's business conducted on the Leased Property in accordance with the Primary Intended Use, provided the same does not adversely affect in any material respect the use or utility of the Leased Property for the Primary Intended Use or the value of the Leased Property. Nothing in the foregoing is intended to vitiate or supersede Tenant's right to enter into Permitted Leasehold Mortgages or Landlord's right to enter into Fee Mortgages in each case as and to the extent provided herein.

(d) Except to the extent resulting from a Permitted Operation Interruption, Tenant shall cause the Facilities to be Continuously Operated during the Term. Without limitation of Landlord's other rights and remedies hereunder (including under Section 16.1(q)), if any Facility ceases to be Continuously Operated for a period of one (1) year (other than as a result of a Permitted Operation Interruption), then Landlord shall have the right, in its sole discretion, to terminate the Lease solely as to such Facility, in which event the Rent shall be adjusted in accordance with the Rent Reduction Amount.

(e) Subject to Article XII regarding permitted contests, Tenant, at its sole cost and expense, shall promptly (i) comply with all Legal Requirements and Insurance Requirements affecting each Facility and the business conducted thereat, including those regarding the use, operation, maintenance, repair and restoration of the Leased Property or any portion thereof (including all Alterations and Capital Improvements) and Tenant's Property whether or not compliance therewith may require structural changes in any of the Leased Improvements or interfere with the use and enjoyment of the Leased Property or any portion thereof, and (ii) procure, maintain and comply with all Gaming Regulations, Gaming Licenses, liquor permits and other licenses, permits or authorizations required for the use of the Leased Property (including all Alterations and Capital Improvements) and Tenant's Property for the applicable Primary Intended Use and any other use of the Leased Property (including all Alterations and Capital Improvements then being made) and Tenant's Property, and for the proper erection, installation, operation and maintenance of the Leased Property and Tenant's Property. In an emergency involving an imminent threat to human health and safety or damage to property, or in the event of a breach by Tenant of its obligations under this Section 7.2 which is not cured within any applicable cure period set forth herein, Landlord or its representatives (and any Fee Mortgagee) may, but shall not be obligated to enter upon the Leased Property (and, without limitation, all Alterations and Capital Improvements) (upon reasonable prior written notice to Tenant, except in the case of emergency, and Tenant shall be permitted to have Landlord or its representatives accompanied by a representative of Tenant) and take such reasonable actions and incur such reasonable costs and expenses to effect such compliance as it deems advisable to protect its interest in the Leased Property, and Tenant shall reimburse Landlord for all such reasonable out-of-pocket costs and expenses actually incurred by Landlord in connection with such actions. Tenant covenants and agrees that neither the Facilities nor any portion thereof will be used for any unlawful purposes.

(f) Without limitation of any of the other provisions of this Lease, Tenant shall promptly comply with, and perform and satisfy all of the obligations of the owner of the Leased Property under, all Property Documents (including all requirements, terms and conditions thereof). Without limitation of the foregoing, Tenant shall indemnify, defend and hold harmless Landlord and any other party entitled to be indemnified pursuant to the terms of any Property Document

from and against any and all claims with respect to which such party is entitled to indemnification by Landlord pursuant to the terms of any Property Document, and from and against all costs, attorneys' fees, expenses and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon; provided, however, Tenant shall not be required to indemnify, defend or hold harmless Landlord or any such other party from or against any claims to the extent resulting from the gross negligence or willful misconduct of Landlord.

(g) Tenant shall, throughout the Term, cause the Facilities to be operated, managed, used, maintained, restored and repaired in accordance with the Applicable Standards.

(h) Tenant hereby warrants, represents and covenants to Landlord for the duration of the Term that: (i) Tenant owns all rights, title and interest, including all intellectual property rights, in the Property Specific IP without any liens or encumbrances; (ii) Tenant has the full right and authority to license the Property Specific IP as contemplated herein and that Tenant is not subject to, and will not incur any, conflicting liabilities or obligations; (iii) Tenant has and will continue to properly prosecute, maintain and enforce its rights in and to the Property Specific IP; (iv) to the best of Tenant's knowledge, the Property Specific IP does not infringe upon or violate the intellectual property or other rights of any third party and no third party has infringed upon or violated the intellectual property or other rights that Tenant has in the Property Specific IP; (v) Tenant collects, uses processes and protects the Property Specific Guest Data in full compliance with all applicable laws, rules and regulations, including those pertaining to data protection, confidentiality, privacy and security, and Tenant has not been subject to any suits, claims or demands from any governmental authority or any person or entity alleging a breach, misappropriation, or compromise of any Property Specific Guest Data, including personally identifiable information or credit card information; and (vi) Tenant has in place security and data protection procedures and measures that comply with all applicable laws, rules and regulations and, in any event, comport with the standards of due care in the Gaming industry. Tenant will defend, indemnify and hold harmless Landlord from and against any claims, suits, demands, liabilities, judgments, penalties, damages, costs or expenses (including without limitation legal fees) asserted or assessed against Landlord in connection with or arising out of Tenant's breach or alleged breach of any warranty, representation, or covenant in this Section 7.2(h).

7.3 Ground Leases.

(a) This Lease, to the extent affecting and solely with respect to the Ground Leased Property, is and shall be subject and subordinate to all of the terms and conditions of the Ground Leases and to all liens, rights and encumbrances to which the Ground Leases are subject or subordinate. Tenant hereby acknowledges that Tenant has reviewed and agreed to all of the terms and conditions of the Existing Ground Leases. Tenant hereby agrees that (x) Tenant shall comply with all provisions, terms and conditions of the Existing Ground Leases and, subject to Section 7.3(g) and Section 7.3(h), any amendments or modifications thereto and any new Ground Leases, in each case except to the extent such provisions, terms and conditions (1) apply solely to Landlord, and (2) are not susceptible of being performed (or if breached, are not capable of being cured) by Tenant (provisions, terms and conditions satisfying clauses (1) and (2), "Landlord Specific Ground Lease Requirements"), and (y) Tenant shall not do, or (except with respect to Landlord Specific Ground Lease Requirements) fail to do, anything that would cause any violation of the Ground Leases. Without limiting the foregoing, (i) Tenant acknowledges that it shall be

obligated to (and shall) pay, as part of Tenant's obligations under this Lease, all monetary obligations imposed upon Landlord as the lessee under any and all of the Ground Leases, including, without limitation, any rent and additional rent payable thereunder and shall, upon request, provide satisfactory proof evidencing such payments to Landlord (and, without limitation, Tenant shall satisfy the working capital requirements imposed pursuant to Section 10.3 of the RG Ground Lease and the security deposit requirement imposed pursuant to Article 6 of the Century Mile Ground Lease), (ii) to the extent Landlord is required to obtain the written consent of the lessor under any applicable Ground Lease (in each case, the "Ground Lessor") to alterations of or the subleasing, encumbering or mortgaging of all or any portion of the Ground Leased Property pursuant to any Ground Lease or to any other matter pertaining to the Ground Leased Property or any direct or indirect interest therein, Tenant shall likewise obtain the applicable Ground Lessor's written consent to alterations of or the sub-subleasing, encumbering or mortgaging of all or any portion of the Ground Leased Property or such other matter (in each case, to the extent the same is permitted hereunder), and (iii) (without limitation of the Insurance Requirements hereunder) Tenant shall carry and maintain general liability, automobile liability, property and casualty, worker's compensation, employer's liability insurance and such other insurance, if any, in amounts and with policy provisions, coverages and certificates as required of Landlord as tenant under any applicable Ground Lease. The foregoing is not intended to vitiate or supersede Landlord's rights as tenant under any Ground Lease, and, without limitation of the preceding portion of this sentence or of any other rights or remedies of Landlord hereunder, in the event Tenant fails to comply with its obligations with respect to the Ground Leases as described herein (without giving effect to any notice or cure periods thereunder), Landlord shall have the right (but without any obligation to Tenant or any liability for failure to exercise such right), following written notice to Tenant and the passage of a reasonable period of time (except to the extent the failure is of a nature such that it is not practicable for Landlord to provide such prior written notice (in which event Landlord shall provide written notice as soon as practicable) or wait for such passage of time) to cure such failure, in which event Tenant shall reimburse Landlord for Landlord's reasonable costs and expenses incurred in connection with curing such failure. The parties acknowledge that the Ground Leases on the one hand, and this Lease on the other hand, constitute separate contractual arrangements among separate parties and nothing in the Ground Leases shall vitiate or otherwise affect the obligations of the parties hereto pursuant to this Lease.

(b) Subject to Section 7.3(c) below, in the event of cancellation or termination of any Ground Lease for any reason whatsoever whether voluntary or involuntary (by operation of law or otherwise) prior to the expiration date of this Lease, including extensions and renewals granted hereunder (other than the cancellation or termination of a Ground Lease entered into in connection with a sale-leaseback transaction by Landlord (other than if such cancellation or termination resulted from Tenant's default under this Lease), which cancellation or termination results in the Leased Property leased under such Ground Lease no longer being subject to this Lease), then, this Lease and Tenant's obligation to pay the Rent and Additional Charges hereunder and all other obligations of Tenant hereunder shall continue unabated (it being understood, however, that any obligations of Tenant hereunder that concern solely the applicable Ground Leased Property demised under the affected Ground Lease shall be eliminated or reduced accordingly; it being further understood, for the avoidance of doubt, that Rent and Additional Charges shall not under any circumstances be so eliminated or reduced); provided that if Landlord enters into a replacement lease with respect to the applicable Ground Leased Property on substantially similar terms to those of such cancelled or terminated Ground Lease, then such

replacement lease shall automatically become a Ground Lease hereunder and such Ground Leased Property shall remain part of the Leased Property hereunder. Nothing contained in this Lease shall create, or be construed as creating, any privity of contract or privity of estate between Ground Lessor and Tenant.

(c) With respect to any Ground Leased Property, the Ground Lease for which has an expiration date (taking into account any renewal options exercised thereunder as of the Commencement Date or hereafter exercised) prior to the expiration of the Term (taking into account any exercised renewal options hereunder), this Lease shall expire solely with respect to such Ground Leased Property concurrently with such Ground Lease expiration date (taking into account the terms of the following sentences of this Section 7.3(c)). There shall be no reduction in Rent nor Minimum Cap Ex Requirements by reason of such expiration with respect to, and the corresponding removal from this Lease of, any such Ground Leased Property. Landlord (as ground tenant) shall be required to exercise all renewal options contained in each Ground Lease so as to extend the term thereof, and Landlord shall provide Tenant with a copy of Landlord's exercise of such renewal option. With respect to any Ground Lease that otherwise would expire during the Term, Tenant, on Landlord's behalf, shall have the right to negotiate for a renewal or replacement of such Ground Lease with the third-party ground lessor, on terms satisfactory to Tenant (subject, (i) to Landlord's reasonable consent with respect to the provisions, terms and conditions thereof which would reasonably be expected to materially and adversely affect Landlord, and (ii) in the case of any such renewal or replacement that would extend the term of such Ground Lease beyond the Term, to Landlord's sole right to approve any such provisions, terms and conditions that would be applicable beyond the Term).

(d) Nothing contained in this Lease amends, or shall be construed to amend, any provision of the Ground Leases.

(e) Tenant shall indemnify, defend and hold harmless the Landlord Indemnified Parties, the Ground Lessor, any master lessor to Ground Lessor and any other party entitled to be indemnified by Landlord pursuant to the terms of any Ground Lease from and against any and all claims arising from or in connection with the Leased Property and/or this Lease with respect to which such party is entitled to indemnification by Landlord pursuant to the terms of any Ground Lease, and from and against all costs, attorneys' fees, expenses and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon to the extent provided in the applicable Ground Lease; and in case any such action or proceeding be brought against any of the Landlord Indemnified Parties, any Ground Lessor or any master lessor to Ground Lessor or any such party by reason of any such claim, Tenant, upon notice from Landlord or any of its Affiliates or such other Landlord Indemnified Party, such Ground Lessor or such master lessor to Ground Lessor or any such party, shall defend the same at Tenant's expense by counsel reasonably satisfactory to the party or parties indemnified pursuant to this paragraph or the Ground Lease.

(f) To the extent required under the applicable Ground Lease, Tenant hereby waives any and all rights of recovery (including subrogation rights of its insurers) from the applicable Ground Lessor, its agents, principals, employees and representatives for any loss or damage, including consequential loss or damage, covered by any insurance policy maintained by Tenant, whether or not such policy is required under the terms of the Ground Lease.

(g) Landlord shall not enter into any new ground leases with respect to the Leased Property or any portion thereof (except as provided by Section 7.3(h)), or amend, modify or terminate any existing Ground Leases (except as provided by Sections 7.3(b) and 7.3(c)), in each case without Tenant's prior written consent (not to be unreasonably withheld, conditioned or delayed), provided that Landlord may amend or modify Ground Leases in a manner that will not adversely affect Tenant (e.g., an amendment relating to a period following the end of the Term), and Landlord may acquire the fee interest in the property leased pursuant to any Ground Lease, so long as Tenant's rights and obligations hereunder are not adversely affected thereby.

(h) Landlord may enter into new Ground Leases with respect to the Leased Property or any portion thereof (including pursuant to a sale-leaseback transaction) or amend or modify any then existing Ground Lease, provided that, notwithstanding anything herein to the contrary (other than replacement Ground Lease(s) made pursuant to Section 7.3(b) or Ground Lease(s) made pursuant to the final sentence of Section 7.3(c)), Tenant shall not be obligated to comply with any more onerous obligations under such new Ground Lease or such amendment or modification of an existing Ground Lease with which Tenant is not otherwise obligated to comply under this Lease (except to de minimis extent) (and, without limiting the generality of the foregoing, Tenant shall not be required to incur any additional monetary obligations (whether for payment of rents under such new Ground Lease or otherwise) in connection with such new Ground Lease or such amendment or modification of an existing Ground Lease) (except to a de minimis extent), unless Tenant approves such additional obligations in its sole and absolute discretion.

(i) This Lease hereby incorporates all necessary provisions under that certain Ground Lease dated July 3, 1992, by and between Her Majesty the Queen in Right of Canada, as landlord, and Edmonton Regional Airports Authority, as tenant, as amended from time to time (the "Century Mile Headlease"), and of the Century Mile Ground Lease in order for this Lease to be deemed an Occupant Agreement in the Ordinary Course of Operations in accordance therewith, it being understood that this Section 7.3(i) shall not be deemed to vitiate or supersede the provisions, terms and conditions of this Lease relating to the Century Mile Leased Property.

(j) Tenant shall use commercially reasonable efforts, at its sole cost and expense, to (i) obtain a non-disturbance agreement from the landlord under the Century Mile Headlease in the form annexed as Exhibit L hereto, (ii) at Tenant's sole option either (x) remove the curb and asphalt improvements or (y) lease or purchase from the City of Edmonton that certain public utility lot, or portion thereof, in either case as reasonably necessary to address the first (1st) issue described in Schedule "W" of the Alberta Acquisition Agreement (whereby, if Tenant elects (ii)(y) above, fee or leasehold title to such lot or portion thereof shall be held by Landlord or its designee, at Landlord's election), or otherwise address such issue to the satisfaction of Landlord, acting reasonably, and (iii) complete the second (2nd) "Remedial Action" described in Schedule "W" of the Alberta Acquisition Agreement, in each case of clause (ii) and clause (iii), as soon as reasonably practicable, and, in any event, by not later than the three hundred sixty fifth (365th) day following the Fifth Amendment Date.

7.4 Third-Party Reports. Upon Landlord's reasonable request from time to time, Tenant shall provide Landlord with copies of any third-party reports obtained by Tenant with respect to the Leased Property, including, without limitation, copies of surveys, environmental reports and property condition reports.

7.5 Competing Business.

(a) Tenant covenants and agrees (with respect to and on behalf of itself and its Affiliates) that, absent in each case Landlord's prior written consent in Landlord's sole and absolute discretion, neither Tenant nor any of its Affiliates shall develop, construct, acquire and/or operate, or otherwise participate in the development, construction, acquisition and/or operation of, or conduct Gaming operations at, any Gaming facility within the Restricted Area (a "Competing Facility") (or enter into any agreement by which to effectuate any of the foregoing). Without limiting the preceding sentence, Tenant may offer Landlord the opportunity to fund the acquisition (and/or development, if applicable) of the real property assets with respect to the Competing Facility (but expressly excluding any operating assets relating thereto) and acquire title to and lease the Competing Facility to Tenant or its Affiliate upon terms mutually acceptable to Tenant or its Affiliate, as applicable, and Landlord; provided, however, in the event Landlord does not accept the terms of Tenant's (or Tenant's Affiliate's) offer and consummate the applicable transaction in its sole and absolute discretion, the prohibitions contained in the immediately preceding sentence shall govern. Notwithstanding anything to the contrary in this Section 7.5, Tenant shall not be restricted under this Section 7.5 from expanding the Leased Property under this Lease (subject to Tenant's compliance with the terms of Section 10.4 and the other provisions of Article X) and to construct Capital Improvements in accordance with the terms of Article X hereof.

(b) In the event of a violation of the first sentence of Section 7.5(a) hereof, then, if such violation continues for thirty (30) days' after Landlord's delivery of written notice with respect thereto, then the same shall be a Tenant Event of Default hereunder.

(c) Notwithstanding anything to the contrary contained herein, and without limitation of any of Landlord's other rights and remedies under this Lease, the Parties recognize and agree that if Tenant or its Affiliates shall breach any of the provisions of Section 7.5(a), damages shall not provide an adequate remedy to Landlord and accordingly, Landlord shall have the right to obtain the remedy of specific performance and injunctive relief to prevent Tenant or any of its Affiliates from acquiring, constructing, developing and/or operating, or otherwise participating in the development, construction, acquisition or operation of, or conducting any Gaming operations at, a Competing Facility in violation of Section 7.5(a).

Without limitation of any other provisions, terms and conditions of this Lease, Tenant (i) acknowledges that as of (x) the Commencement Date with respect to the Original Facilities, (y) the Fourth Amendment Date with respect to the Rocky Gap Facility and (z) the Fifth Amendment Date with respect to the Alberta Facilities, certain repairs to the Leased Property as set forth in the Acquisition Property Condition Reports described on Schedule 6 are required,

9.3 Landlord's Estate. Nothing contained in this Lease and no action or inaction by Landlord shall be construed as (i) constituting the consent or request of Landlord, expressed or implied, to any contractor, subcontractor, laborer, materialman or vendor to or for the performance of any labor or services or the furnishing of any materials or other property for the construction, alteration, addition, repair or demolition of or to the Leased Property, or any part thereof, or any Capital Improvement; or (ii) giving Tenant any right, power or permission to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against Landlord in respect thereof or to make any agreement that may create, or in any way be the basis for, any right, title, interest, lien, claim or other encumbrance upon the estate of Landlord in the Leased Property, or any portion thereof or upon the estate of Landlord in any Capital Improvement. Any notice of commencement filed by Tenant, its Affiliates, any Subtenant or any of their respective contractors, subcontractors, laborers, materialman or vendors with respect to the performance of any labor or services or the furnishing of any materials or other property for the construction, alteration, addition, repair or demolition of or to the Leased Property, or any part thereof, or any Capital Improvement shall be expressly limited to Tenant's interest in the Leasehold Estate.

9.5 Pre-Commencement Date Capital Improvements. If prior to the Commencement Date with respect to the Original Facilities, the Fourth Amendment Date with respect to the Rocky Gap Facility, or the Fifth Amendment Date with respect to the Alberta Facilities, any Operations Party (Pre-Closing) shall have commenced work on any Capital Improvements or any Alterations, then, from and after the Commencement Date, Fourth Amendment Date, or Fifth Amendment Date, as applicable, to the extent not completed by such Operations Party (Pre-Closing), Tenant shall continue to work to complete such Capital

Improvements and Alterations, as applicable, in accordance with this Lease, including, without limitation, the work referenced on (i) Schedule 5.1(a)(iv) of the Disclosure Schedules, as defined in and with respect to the Original Equity Purchase Agreement, (ii) Schedule 2.6(h) of the Disclosure Schedules, as defined in and with respect to the RG Equity Purchase Agreement and (iii) Schedule R of the Disclosure Schedule, as defined in and with respect to the Alberta Acquisition Agreement, as applicable, and any related actions contemplated thereby, whether or not such work shall have actually commenced prior to the Commencement Date, the Fourth Amendment Date or the Fifth Amendment Date, as applicable.

ARTICLE X

ALTERATIONS

10.1 Alterations, Capital Improvements and Material Capital Improvements.

Except as otherwise provided in this Section 10.1, Tenant shall not be required to obtain Landlord's consent or approval to make any Alterations or Capital Improvements (including any Material Capital Improvement) to the Leased Property; provided, however, that all such Alterations and Capital Improvements (i) shall be of equal quality to or better quality than the applicable portions of the existing Leased Property, as applicable, (ii) does not consist of adding new structures or enlarging existing structures, (iii) shall not have an adverse effect on the structure or the structural integrity of any portion of the Leased Property, and (iv) shall not otherwise result in a diminution of value to the Leased Property. If any Alteration or Capital Improvement (or series of related Alterations or Capital Improvements) would not or does not meet the standards of the preceding sentence, then such Alteration or Capital Improvement (or series of related Alterations or Capital Improvements) shall be subject to Landlord's written approval, which written approval shall not be unreasonably withheld, conditioned or delayed. Further, if any Alteration or Capital Improvement (or the aggregate amount of all related Alterations or Capital Improvements) has a total budgeted cost (as reasonably evidenced to Landlord) in excess of Two Million Five Hundred Thousand and No/100 Dollars (\$2,500,000.00) (such amount increasing annually as of the first (1st) day of each Lease Year following the Commencement Date in proportion to the amount of any applicable CPI Increase) (the "Alteration Threshold"), then such Alteration or Capital Improvement (or series of related Alterations or Capital Improvements) shall be subject to the prior written approval of Landlord and, if applicable, subject to Section 31.3, any Fee Mortgagee, in each case which written approval shall not be unreasonably withheld, conditioned or delayed. Landlord shall have the right to select and engage, at Landlord's cost and expense, construction consultants to conduct inspections of the Leased Property during the construction of any Capital Improvements, provided that (x) such inspections shall be conducted in a manner as to not unreasonably interfere with such construction or the operation of the applicable Facility, (y) prior to entering the Leased Property, such consultants shall deliver to Tenant evidence of insurance reasonably satisfactory to Tenant, and (z) (irrespective of whether the consultant was engaged by Landlord, Tenant or otherwise) Landlord and Tenant shall be entitled to receive copies of such consultants' work product and shall have direct access to and communication with such consultants.

10.2 Landlord Approval of Certain Alterations and Capital Improvements. If Tenant desires to make any Alteration or Capital Improvement which does not require Landlord's approval pursuant to Section 10.1 above, Tenant shall, prior to commencing any

applicable Work, provide to Landlord a written description of such Alteration or Capital Improvement and, on an ongoing basis, supply Landlord with related information and documentation as Landlord may reasonably request from time to time pertaining to the status of such Work. If Tenant desires to make any Alteration or Capital Improvement for which Landlord's approval is required pursuant to Section 10.1 above, Tenant shall submit to Landlord in reasonable detail a general description of the proposal, the projected cost of the applicable Work and such plans and specifications, permits, licenses, contracts and other information concerning the proposal as Landlord may reasonably request. Such description shall indicate the use or uses to which such Alteration or Capital Improvement will be put and the impact, if any, on current and forecasted gross revenues and operating income attributable thereto. Landlord may condition any approval of any Alteration or Capital Improvement (including any Material Capital Improvement), to the extent required pursuant to Section 10.1 above, upon any or all of the following terms and conditions:

(a) the Work shall be effected pursuant to detailed plans and specifications approved by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed;

(b) the Work shall be conducted under the supervision of a licensed architect or engineer selected by Tenant (the "Architect") and, for purposes of this Section 10.2 only, approved by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed;

(c) Landlord's receipt from the general contractor and, if reasonably requested by Landlord, any major subcontractor(s) of a performance and payment bond for the full value of such Work, which such bond shall name Landlord as an additional obligee and otherwise be in form and substance and issued by a Person reasonably satisfactory to Landlord;

(d) Tenant shall have demonstrated to the reasonable satisfaction of Landlord Tenant's financial ability to complete the Work without adversely affecting its cash flow position or financial viability; and

(e) such Alteration or Capital Improvement will not result in the Leased Property becoming a "limited use" within the meaning of Revenue Procedure 2001-28 property for purposes of United States federal income taxes.

10.3 Construction Requirements for Alterations and Capital Improvements.

Whether or not Landlord's review and approval is required for any Alteration or Capital Improvement (or the series of related Alterations or Capital Improvements), Tenant shall satisfy the following:

(a) Tenant shall notify Landlord not less than ten (10) Business Days prior to the commencement of any Alteration or Capital Improvement for which Landlord's approval is required, and prior to commencement of any other Alteration of Capital Improvement;

(b) If and to the extent plans and specifications typically would be (or, in accordance with applicable Legal Requirements, are required to be) obtained in connection with a project of similar scope and nature to such Alteration and Capital Improvement, Tenant shall, prior to commencing any Work in respect of the same, provide Landlord copies of such plans and specifications, which plans and specifications shall be prepared in a high grade manner and

demonstrate compliance with clauses (i) through (iv) of Section 10.1 with respect to Work that does not require Landlord's written consent and shall be in such form as Landlord may reasonably require for other projects. Tenant shall also supply Landlord on an ongoing basis with related documentation, information and materials relating to such Work, including, without limitation, plans, specifications, surveys, property condition reports and environmental reports, as Landlord may reasonably request from time to time;

(c) No Work shall be commenced until Tenant shall have procured and paid for all municipal and other governmental permits and authorizations required to be obtained prior to such commencement (if any), including those permits and authorizations required pursuant to any Gaming Regulations (if any), and, upon Tenant's request, Landlord shall join in the application for such permits or authorizations whenever such action is necessary; provided, however, that (i) any such joinder shall be at no cost or expense to Landlord; and (ii) any plans required to be filed in connection with any such application which require the approval of Landlord as hereinabove provided shall have been so approved by Landlord;

(d) (i) Such Work shall not, and, if an Architect has been engaged for such Work, the Architect shall certify to Landlord that such Architect is of the opinion that the design of such construction (as illustrated by the applicable construction documents) will not, impair the structural strength of any component of the applicable Facility or overburden the electrical, water, plumbing, HVAC or other building systems of any such component or otherwise violate applicable building codes or prudent industry practices, and (ii) and Tenant's general contractor shall certify to Landlord that such construction is in compliance with such design and construction documents;

(e) If an Architect has been engaged for such Work and if plans and specifications have been obtained in connection with such Work, the Architect shall certify to Landlord that such Architect is of the opinion that the plans and specifications conform to, and comply with, in all material respects, all applicable building, subdivision and zoning codes, laws, ordinances, bylaws and regulations imposed by all governmental authorities having jurisdiction over the Leased Property;

(f) During and following completion of such Work, the parking and other amenities which are located on or at the Leased Property shall remain adequate for the operation of the applicable Facility for its Primary Intended Use and not be less than that which is required by law (including any variances with respect thereto) and any applicable Property Documents; provided, however, with Landlord's prior consent, which approval shall not be unreasonably withheld, conditioned or delayed, and at no additional expense to Landlord, (i) to the extent sufficient additional parking is not already a part of an Alteration or Capital Improvement, Tenant may construct additional parking on or at the Leased Property; or (ii) Tenant may acquire off-site parking to serve the Leased Property as long as such parking shall be reasonably proximate to, and permanently dedicated to, or otherwise made available to serve, the Leased Property;

(g) All Work done in connection with such construction shall be done promptly, in a good and workmanlike manner, using first-class materials, resulting in work that is at least as good product and condition as the remaining areas of the Leased Property and in conformity with all Legal Requirements, including, without limitation, any applicable minority or women owned business requirements;

(h) Such construction shall, when completed, be of such a character and quality as not to decrease the value of the Leased Premises as it was immediately before such Alteration or Capital Improvement; and

(i) If applicable in accordance with customary and prudent industry standards, promptly following the completion of such Work, Tenant shall deliver to Landlord “as built” plans and specifications with respect thereto, certified as accurate by the licensed architect or engineer selected by Tenant to supervise such work, and copies of any new or revised certificates of occupancy or other licenses, permits and authorizations required in connection therewith.

10.4 Landlord’s Right of First Offer to Fund Material Capital Improvements.

(a) Landlord’s Right to Submit Landlord’s MCI Financing Proposal. In advance of the commencement of any Work in connection with any Material Capital Improvement (provided, for purposes of clarification, that preliminary planning, designing, budgeting, evaluating (including environmental and integrity testing and the like) (collectively, “Preliminary Studies”), permitting and demolishing in preparation for such Material Capital Improvement shall not be considered “commencement” for purposes hereof), Tenant shall provide written notice (“Tenant’s MCI Intent Notice”) of the contemplated Work. Upon Landlord’s request, such notice shall be followed by (i) a reasonably detailed description of the proposed Material Capital Improvement, (ii) the then-projected cost of construction of the proposed Material Capital Improvement, (iii) copies of the plans and specifications, permits, licenses, contracts and Preliminary Studies concerning the proposed Material Capital Improvement, to the extent then-available, (iv) reasonable evidence that such proposed Material Capital Improvement will, upon completion, comply with all applicable Legal Requirements, and (v) reasonably detailed information regarding the terms upon which Tenant is considering seeking financing therefor, if any. To the extent in Tenant’s possession or control, Tenant shall provide to Landlord any additional information about such proposed Material Capital Improvements which Landlord may reasonably request. Landlord (or, with respect to financing structured as a loan rather than as ownership of the real property by Landlord with a lease back to Tenant, Landlord’s Affiliate) may, but shall be under no obligation to, provide all or a portion of the financing necessary to fund the applicable Material Capital Improvement (along with related fees and expenses, such as title fees, costs of permits, legal fees and other similar transaction costs) by complying with the option exercise requirements set forth below. Within thirty (30) days of receipt of Tenant’s MCI Intent Notice, Landlord shall notify Tenant in writing as to whether Landlord (or, if applicable, its Affiliate) is willing to provide financing for all or a portion of such proposed Material Capital Improvement and, if so, the terms and conditions upon which Landlord (or, if applicable, its Affiliate) is willing to do so in reasonable detail, in the form of a proposed term sheet (such terms and conditions, “Landlord’s MCI Financing Proposal”). Upon receipt, Tenant shall have ten (10) days to accept, reject or commence negotiating Landlord’s MCI Financing Proposal. For the avoidance of doubt, Landlord’s submission to Tenant of any Landlord’s MCI Financing Proposal shall not be deemed to evidence Landlord’s approval of any Work to the extent required pursuant to Section 10.1, it being understood that nothing contained in this Section 10.4 (and no notice, proposal or other communication delivered by Landlord in response to any Tenant’s MCI Intent Notice or otherwise in connection with any matter under this Section 10.4) shall be deemed to evidence Landlord’s approval of any Alteration or Capital Improvement to the extent required

under Section 10.1 unless and until such approval shall be expressly set forth in writing expressly referencing that the same constitutes approval under Section 10.1.

(b) If Tenant Accepts Landlord's MCI Financing Proposal. If Tenant accepts Landlord's MCI Financing Proposal (either initially or, after negotiation, a modified version thereof) (an "Accepted MCI Financing Proposal") and such financing is actually consummated between Tenant and Landlord (or, if applicable, its Affiliate) as more particularly provided in Section 10.4(f) below (a "Landlord MCI Financing"), then, as and when constructed, such Material Capital Improvement shall be deemed part of the Leased Property for all purposes except as specifically provided in Section 6.1(b) hereof (and, without limitation, such Material Capital Improvements shall be surrendered to (and all rights therein shall be relinquished in favor of) Landlord upon the Expiration Date).

(c) If Landlord Declines to Make Landlord's MCI Financing Proposal. If Landlord declines or fails to timely submit Landlord's MCI Financing Proposal, Tenant shall be permitted to either (1) use then-existing available financing or, subject to Article XVII, enter into financing arrangements with any lender, preferred equity holder and/or other third-party financing source (a "Third-Party MCI Financing") for such Material Capital Improvement, or (2) use Cash to pay for such Material Capital Improvement, provided, that if Tenant has not used then-existing, or entered into a new, Third-Party MCI Financing (or commenced such Material Capital Improvement utilizing Cash) by the date that is six (6) months following delivery of Tenant's MCI Intent Notice, then, prior to entering into any such Third-Party MCI Financing and/or commencing such Material Capital Improvement, Tenant shall again be required to send Tenant's MCI Intent Notice seeking financing from Landlord (on the terms contemplated by this Section 10.4).

(d) If Tenant Declines Landlord's MCI Financing Proposal. If Landlord timely submits Landlord's MCI Financing Proposal and Tenant rejects or fails to accept or commence negotiating Landlord's MCI Financing Proposal within the applicable ten (10) day period (or, following commencing negotiating said proposal, Tenant notifies Landlord of Tenant's decision to cease such discussions), then, subject to the remaining terms of this paragraph, Tenant shall be permitted to either (1) use then-existing, or, subject to Article XVII, enter into a new, Third-Party MCI Financing for such Material Capital Improvement (subject to the following proviso), or (2) use Cash to pay for such Material Capital Improvement, provided, that Tenant may not use then-existing, or enter into a new, Third-Party MCI Financing, except in each case on terms that are, taken as a whole, economically more advantageous to Tenant than those offered under Landlord's MCI Financing Proposal. In determining if financing is economically more advantageous, consideration may be given to, among other items, (x) pricing, amortization, length of term and duration of commitment period of such financing, (y) the cost, availability and terms of any financing sufficient to fund such Material Capital Improvement and other expenditures which are material in relation to the cost of such Material Capital Improvement (if any) which are intended to be funded in connection with the construction of such Material Capital Improvement and which are related to the use and operation of such Material Capital Improvement, and (z) other customary considerations. Tenant shall provide Landlord with reasonable evidence of the terms of any such financing. If Tenant has not used then-existing, or entered into a new, Third-Party MCI Financing (or commenced such Material Capital Improvement utilizing Cash) by the date that is twelve (12) months following receipt of Landlord's MCI Financing Proposal, then, prior to entering into any such Third-Party MCI Financing and/or commencing such Material Capital Improvement after

such twelve (12) month period, Tenant shall again be required to send Tenant's MCI Intent Notice seeking financing from Landlord (on the terms contemplated by this Section 10.4). For purposes of clarification, Tenant may use Cash to finance any applicable Material Capital Improvement (subject to the express terms and conditions hereof, including, without limitation, Tenant's obligation to provide Tenant's MCI Intent Notice).

(e) Ownership of Material Capital Improvements Not Financed by Landlord. If Tenant constructs a Material Capital Improvement utilizing Third-Party MCI Financing or Cash in accordance with Sections 10.4(c) or (d) (such Material Capital Improvement being sometimes referred to in this Lease as a "Tenant Material Capital Improvement"), then, (A) as and when constructed, such Tenant Material Capital Improvement shall be deemed part of the Leased Property for all purposes except as specifically provided in Section 6.1(b) hereof, (B) upon any termination of this Lease prior to the Stated Expiration Date as a result of a Tenant Event of Default (except in the event a Permitted Leasehold Mortgagee has exercised its right to obtain a New Lease and complies in all respects with Section 17.1(f) and any other applicable provisions of this Lease), such Tenant Material Capital Improvements shall be owned by Landlord without any reimbursement by Landlord to Tenant, and (C) upon the Stated Expiration Date, such Tenant Material Capital Improvements shall be transferred to Tenant; provided, however, upon written notice to Tenant at least one hundred eighty (180) days prior to the Stated Expiration Date, Landlord shall have the option to reimburse Tenant for such Tenant Material Capital Improvements in an amount equal to the Fair Market Ownership Value thereof, and, if Landlord elects to reimburse Tenant for such Tenant Material Capital Improvements, any amount due to Tenant for such reimbursement shall be credited against any amounts owed by Tenant to Landlord under this Lease as of the Stated Expiration Date and any remaining portion of such amount shall be paid by Landlord to Tenant on the Stated Expiration Date. If Landlord fails to deliver such notice electing to reimburse Tenant for such Tenant Material Capital Improvements at least one hundred eighty (180) days prior to the Stated Expiration Date, or otherwise does not consummate such reimbursement at least sixty (60) days prior to the Stated Expiration Date (other than as a result of Tenant's acts or omissions), then Landlord shall be deemed to have elected not to reimburse Tenant for such Tenant Material Capital Improvements. If Landlord elects or is deemed to have elected not to reimburse Tenant for such Tenant Material Capital Improvements in accordance with the foregoing sentence, Tenant shall have the option to either (1) prior to the Stated Expiration Date, remove such Tenant Material Capital Improvements and restore the affected Leased Property to the same or better condition existing prior to such Tenant Material Capital Improvement being constructed, at Tenant's sole cost and expense, in which event such Tenant Material Capital Improvements shall be owned by Tenant, or (2) leave the applicable Tenant Material Capital Improvements at the Leased Property at the Stated Expiration Date, at no cost to Landlord, in which event such Tenant Material Capital Improvements shall be owned by Landlord. For the avoidance of doubt, Tenant Material Capital Improvements not funded by Landlord pursuant to Section 10.4 and not removed by Tenant in accordance herewith shall be included in the "Leased Property" under any lease entered into with a Successor Tenant pursuant to Article XXXVI, and shall be taken into account in determining Successor Tenant Rent.

(f) Landlord MCI Financing. In the event of an Accepted MCI Financing Proposal, Tenant shall provide Landlord with the following prior to any advance of funds under such Landlord MCI Financing:

(i) any information, certificates, licenses, permits or documents reasonably requested by Landlord which are necessary and obtainable to confirm that Tenant will be able to use the Material Capital Improvements upon completion thereof in accordance with the Primary Intended Use, including all required federal, state or local government licenses and approvals;

(ii) an officer's certificate and, if requested, a certificate from Tenant's Architect providing appropriate backup information, setting forth in reasonable detail the projected or actual costs related to such Material Capital Improvements;

(iii) except to the extent covered by the amendment referenced in clause (iv) below, a construction loan and/or funding agreement (and such other related instruments and agreements), in a form reasonably agreed to by Landlord and Tenant, reflecting the terms of the Landlord MCI Financing, setting forth the terms of the Accepted MCI Financing Proposal, and without additional requirements on Tenant (including, without limitation, additional bonding or guaranty requirements) except those which are reasonable and customary and consistent in all respects with this Section 10.4 and the terms of the Accepted MCI Financing Proposal;

(iv) except to the extent covered by the construction loan and/or funding agreement referenced in clause (iii) above, an amendment to this Lease, in a form reasonably agreed to by Landlord and Tenant, which may include, among other things, an increase in the Rent (in amounts as agreed upon by the Parties pursuant to the Accepted MCI Financing Proposal), and other provisions as may be necessary or appropriate;

(v) solely with respect to Material Capital Improvements that Landlord and Tenant agree will be financed by Landlord and included in this Lease, a deed or registrable transfer conveying title to Landlord to any additional Land acquired for the purpose of constructing the Material Capital Improvement, free and clear of any liens or encumbrances except those approved by Landlord, and accompanied by (x) an owner's policy of title insurance insuring the Fair Market Ownership Value of fee simple or leasehold (as applicable) title to such Land and any improvements thereon, free of any exceptions other than liens and encumbrances that do not materially interfere with the intended use of the Leased Property or are otherwise approved by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed, and (y) an ALTA survey thereof;

(vi) if Landlord obtains a lender's policy of title insurance in connection with such Landlord MCI Financing, for each advance, endorsements to any such policy of title insurance reasonably satisfactory in form and substance to Landlord (i) updating the same without any additional exception except those that do not materially affect the value of such land and do not interfere with the intended use of the Leased Property, or as may otherwise be permitted under this Lease, or as may be approved by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed, and (ii) increasing the coverage thereof by an amount equal to the then-advanced cost of the Material Capital Improvement; and

(vii) such other billing statements, invoices, certificates, endorsements, opinions, site assessments, surveys, resolutions, ratifications, lien releases and waivers and other instruments and information which are reasonable and customary and consistent in all respects with this Section 10.4 and the terms of the Accepted MCI Financing Proposal.

In the event that (1) Tenant is unable, for reasons beyond Tenant's reasonable control, to satisfy any of the requirements set forth in this Section 10.4(f) (and Landlord is unable or unwilling to waive the same), (2) Landlord and Tenant are unable (despite good faith efforts continuing for at least sixty (60) days after agreement on the Accepted MCI Financing Proposal) to agree on any of the requirements of, or the form of any document required under, this Section 10.4(f), or (3) Landlord fails or refuses to consummate the Landlord MCI Financing and/or advance funds thereunder, then, notwithstanding anything to the contrary in this Section 10.4, Tenant shall be entitled to use then-existing, or, subject to Article XVII, enter into a new, Third-Party MCI Financing for such Material Capital Improvement or use Cash to pay for such Material Capital Improvement, without any requirement to send a further Tenant's MCI Intent Notice to Landlord, provided, that such Material Capital Improvement shall be treated hereunder as a Tenant Material Capital Improvement, unless the circumstances described in clause (1) shall have occurred.

10.5 Minimum Capital Expenditures.

(a) Minimum Capital Expenditures.

(i) Minimum Cap Ex Requirement.

(A) Annual Cap Ex Requirement. During each full Fiscal Year during the Term, commencing with the Fiscal Year that commences on January 1, 2020, as measured as of the last day of each such Fiscal Year, Tenant shall expend Capital Expenditures on Qualifying Capital Improvements in an amount equal to at least one percent (1%) of the sum of the Net Revenue from the Facilities for such Fiscal Year. "Qualifying Capital Improvements" means Capital Improvements that in each case constitute installation, restoration or replacement of Leased Improvements. The requirements under this clause (A) are referred to herein as the "Annual Cap Ex Requirement."

(B) Triennial Cap Ex Requirement. During each full Fiscal Year during the Term, commencing with the Fiscal Year that commences on January 1, 2020, as measured as of the last day of each such Fiscal Year, Tenant shall expend Capital Expenditures on Qualifying Capital Improvements with respect to the portion of the Leased Property comprising part of each individual Facility in an amount which, when added to the Capital Expenditures on such Qualifying Capital Improvements spent by Tenant in the immediately preceding two (2) Fiscal Years (or such lesser number of preceding full Fiscal Years in the Term actually completed since the Commencement Date (or, with respect to the RG Leased Property, since the Fourth Amendment Date or, with respect to the applicable Alberta Leased Property pertaining to each Alberta Facility, respectively, since the Fifth Amendment Date)), results in the annual average amount of Capital Expenditures expended by Tenant on such Qualifying Capital Improvements for

the three-year period consisting of such Fiscal Year and the preceding two (2) Fiscal Years (or such lesser number of preceding full Fiscal Years in the Term actually completed since the Commencement Date (or Fourth Amendment Date or Fifth Amendment Date, as applicable)) of at least one percent (1%) of the sum of the Net Revenue from the applicable Facility during such three-year period (or less than three-year period, as applicable). The requirements under this clause (B) are referred to herein as the “Triennial Cap Ex Requirement”; the Annual Cap Ex Requirement, and the Triennial Cap Ex Requirement, as applicable, are referred to herein as the “Minimum Cap Ex Requirement”.

(C) If the first Lease Year or the final portion of the Term of this Lease is a partial Fiscal Year (i.e., the Commencement Date is other than January 1 or the Expiration Date is other than December 31), Tenant shall expend Capital Expenditures in an amount no less than a prorated portion of the amount in each case necessary to satisfy the applicable Minimum Cap Ex Requirement for such period.

(D) Within thirty (30) days after (a) the expiration of each Fiscal Quarter, or (b) Landlord’s request (unless a Tenant Event of Default is then continuing, not more frequently than two (2) times per year), Tenant shall provide Landlord a report containing the fixed asset ledger and reasonably appropriate supporting data and information necessary to confirm that the Minimum Cap Ex Requirement has been satisfied (“Minimum Cap Ex Report”). At any time within two (2) years of receipt of any Minimum Cap Ex Report, Landlord shall have the right to cause to be conducted an independent audit of the matters covered by the Minimum Cap Ex Report to confirm Tenant’s compliance with the Minimum Cap Ex Requirement. Without limitation of any right or remedy available to Landlord at law or in equity, in the event any such audit determines that Tenant has failed to materially comply with the Minimum Cap Ex Requirement or if any Minimum Cap Ex Report shall have been found to have overstated the per annum Capital Expenditure by more than three percent (3.0%), Tenant shall pay to Landlord (or, with respect to the Alberta Facilities, the Canadian Agent, for the benefit of Landlord) all reasonable, out-of-pocket costs and expenses incurred by Landlord with respect to such audit.

(ii) Application of Capital Expenditures. For the avoidance of doubt: (A) expenditures with respect to any property that is not included as Leased Property under this Lease, and (B) expenditures in respect of furniture, trade fixtures and similar equipment (and Gaming equipment) to be installed or located at the Leased Property shall, in each case, not constitute “Capital Expenditures” or “Qualifying Capital Improvements”, nor count toward the Minimum Cap Ex Requirement.

(iii) Unavoidable Delays. In the event an Unavoidable Delay occurs during the Term that delays Tenant’s ability to perform Capital Expenditures prior to the expiration of the applicable period for satisfying the applicable Minimum Cap Ex Requirement, such period during which such Unavoidable Delay occurred shall be extended, on a day-for-day basis, for the same amount of time that such Unavoidable Delay

affects Tenant's ability to perform the Capital Expenditures up to a maximum extension in each instance of up to six (6) months. For the avoidance of doubt, Tenant's obligation to satisfy the Minimum Cap Ex Requirement during any period during which an Unavoidable Delay did not occur shall not be extended as a result of the occurrence of an Unavoidable Delay during a prior period.

(iv) Certain Remedies. The Parties acknowledge that Tenant's agreement to satisfy the Minimum Cap Ex Requirement as required in this Lease is a material inducement to Landlord's agreement to enter into this Lease and, accordingly, if Tenant fails to expend Capital Expenditures (or deposit funds into the Cap Ex Reserve) as and when required by this Lease and then, further, fails to cure such failure within sixty (60) days of receipt of written notice of such failure from Landlord, then the same shall be a Tenant Event of Default hereunder, and without limitation of any of Landlord's other rights and remedies, Landlord shall have the right to seek the remedy of specific performance to require Tenant to expend the Required Capital Expenditures (or deposit funds into the Cap Ex Reserve). Furthermore, for the avoidance of doubt, Tenant acknowledges and agrees that the obligation of Tenant to expend the Required Capital Expenditures (or deposit funds into the Cap Ex Reserve) as provided in this Lease in each case constitutes a part of the obligations of Tenant that are guaranteed by Guarantor and, with respect to Required Capital Expenditures required to be spent during the Term, shall survive termination of this Lease.

(b) Cap Ex Reserve.

(i) Deposits in Lieu of Expenditures. Notwithstanding anything to the contrary set forth in this Lease, if Tenant does not expend Capital Expenditures sufficient to satisfy the applicable Minimum Cap Ex Requirement, then, so long as, as of the last date when such Minimum Cap Ex Requirement may be satisfied hereunder, there are Cap Ex Reserve Funds (as defined below) on deposit in the Cap Ex Reserve (as defined below) in an aggregate amount at least equal to such deficiency, then Tenant shall not be deemed to be in breach or default of its obligations hereunder to satisfy the Minimum Cap Ex Requirement, provided that Tenant shall spend such amounts so deposited in the Cap Ex Reserve within six (6) months after the last date when the Minimum Cap Ex Requirement to which such amounts relate may be satisfied hereunder (subject to extension in the event of an Unavoidable Delay during such six (6) month period, on a day-for-day basis, for the same amount of time that such Unavoidable Delay delays Tenant's ability to perform the Capital Expenditures). For the avoidance of doubt, any funds disbursed from the Cap Ex Reserve and spent on Capital Expenditures as described in this Section shall be applied to the Minimum Cap Ex Requirement for the period for which such funds were deposited (and shall be deemed to be the funds that have been in the Cap Ex Reserve for the longest period of time) and shall not be applied to the Minimum Cap Ex Requirement for the subsequent period in which they are actually spent. Cap Ex Reserve Funds may be funded in Canadian Dollars solely to address a deficiency in the Triennial Cap Ex Reserve Requirement with respect to one or more of the Alberta Facilities.

(ii) Deposits into Cap Ex Reserve. Tenant may, at its election, at any time, deposit funds (the "Cap Ex Reserve Funds") into an Eligible Account held by Tenant

(the “Cap Ex Reserve”). If required by Fee Mortgagee or Landlord, Landlord and Tenant shall enter into a customary and reasonable control agreement or blocked account agreement for the benefit of Fee Mortgagee and Landlord with respect to the Cap Ex Reserve. Tenant shall not commingle Cap Ex Reserve Funds with other monies held by Tenant or any other party. All interest on Cap Ex Reserve Funds shall be for the benefit of Tenant and added to and become a part of the Cap Ex Reserve and shall be disbursed in the same manner as other monies deposited in the Cap Ex Reserve. Tenant shall be responsible for payment of any federal, state or local income or other tax applicable to the interest earned on the Cap Ex Reserve Funds credited or paid to Tenant.

(iii) Disbursements from Cap Ex Reserve. Tenant shall be entitled to use Cap Ex Reserve Funds solely for the purpose of paying for (or reimbursing Tenant for) the cost of Capital Expenditures. Landlord shall permit disbursements to Tenant of Cap Ex Reserve Funds from the Cap Ex Reserve to pay for Capital Expenditures or to reimburse Tenant for Capital Expenditures, within ten (10) days following written request from Tenant, which request shall specify the amount of the requested disbursement and a general description of the type of Capital Expenditures to be paid or reimbursed using such Cap Ex Reserve Funds. Tenant shall not make a request for disbursement from the Cap Ex Reserve (x) more frequently than once in any calendar month nor (y) in amounts less than Fifty Thousand and No/100 Dollars (\$50,000.00) (or, if in connection with a Cap Ex Reserve funded pursuant to the last sentence of Section 10.5(b)(i), the equivalent amount in Canadian Dollars based on the then current exchange rate). Any Cap Ex Reserve Funds remaining in the Cap Ex Reserve on satisfaction of the Minimum Cap Ex Requirement for which such Cap Ex Reserve Funds were deposited or on the Expiration Date shall be returned by Landlord to Tenant, provided that Landlord shall have the right to apply Cap Ex Reserve Funds remaining on the Expiration Date against any amounts owed by Tenant to Landlord as of the Expiration Date and/or the sum of any remaining Required Capital Expenditures required to have been incurred prior to the Expiration Date.

(iv) Security Interest in Cap Ex Reserve Funds. Tenant grants to Landlord a first-priority security interest in the Cap Ex Reserve and all Cap Ex Reserve Funds, as additional security for performance of Tenant’s obligations under this Lease. Landlord shall have the right to collaterally assign the security interest granted to Landlord in the Cap Ex Reserve and Cap Ex Reserve Funds to any Fee Mortgagee. Notwithstanding the foregoing or anything herein to the contrary, (i) Landlord may not foreclose upon the lien on the Cap Ex Reserve and Cap Ex Reserve Funds, and Fee Mortgagee may not apply the Cap Ex Reserve Funds against the Fee Mortgage, in each case prior to the occurrence of the termination of this Lease by Landlord pursuant to Section 16.2(a)(x) hereof, (ii) any time during which a Tenant Event of Default is continuing, Fee Mortgagee or Landlord may apply Cap Ex Reserve Funds toward the payment of Capital Expenditures incurred by Tenant and (iii) Landlord shall have the right to use Cap Ex Reserve Funds as provided in Sections 10.5 and 16.7 (in which event, such expenditures of Cap Ex Reserve Funds shall be deemed Capital Expenditures of Tenant for purposes of the Required Capital Expenditures).

(c) Capital Expenditures Report. Within thirty (30) days after the end of each calendar quarter during the Term, Tenant shall submit to Landlord a report, on a Facility-by-

Facility basis, substantially in the form previously provided by Tenant to Landlord, with respect to such month, on an unaudited basis, (A) revenues for the Leased Property, and (B) Capital Expenditures with respect to the Leased Property (together with a reasonably detailed description of the applicable Capital Improvement). Landlord shall keep each such report confidential in accordance with Section 41.14 of this Lease.

(d) Annual Capital Budget. Tenant shall furnish to Landlord, for informational purposes only, a copy of the annual capital budget (the “Annual Capital Budget”) for each Facility for each Fiscal Year, in each case not later than fifty-five (55) days following the commencement of the Fiscal Year to which such Annual Capital Budget relates.

10.6 Caruthersville Capital Expenditure Project.

(a) Within three (3) Business Days following the Cap Ex Project Approval Date, provided that the Cap Ex Project Advance Conditions are satisfied, Landlord shall advance to Tenant the sum of [***] (the date of such advance, the “Initial Advance Date”). Thereafter, on the first (1st) Business Day of each Fiscal Quarter of 2023, provided that the Cap Ex Project Advance Conditions are satisfied on each applicable Advance Date (as defined below), Landlord shall advance to Tenant sums in accordance with the quarterly advance schedule set forth in the approved Cap Ex Project Budget (the dates upon which sums shall be advanced pursuant to the preceding provisions of this Lease, in each case (including the Initial Advance Date), an “Advance Date”; the sums to be advanced on each applicable Advance Date, in each case, a “Cap Ex Project Advance”) such sums not to exceed [***]. [***]

(b) [***]

(c) Cap Ex Project Advances shall be deposited into an Eligible Account held by Tenant (the “Cap Ex Project Account”) and Tenant shall not commingle the Cap Ex Project Advances with other monies held by Tenant or any other party. Tenant may withdraw and transfer amounts from the Cap Ex Project Account associated with the Cap Ex Project solely to pay invoices relating to (i) the Work performed on the Cap Ex Project, (ii) if applicable, the Work performed in connection with any Proposed Cap Ex Project (as defined below), or (iii) if applicable pursuant to the penultimate sentence of this Section 10.6(c), Capital Expenditures with respect to the Leased Property in accordance with Section 10.5 hereof. All interest on the Cap Ex Project Advances shall be for the benefit of Tenant and added to and become a part of the balance of the Cap Ex Project Account and shall be disbursed in the same manner as other monies deposited in the Cap Ex Project Account. Tenant grants Landlord an exclusive security interest in the Cap Ex Project Account as security for Tenant’s obligations under this Lease and Tenant and Landlord shall use commercially reasonable efforts to enter into a customary and reasonable control agreement for the benefit of Landlord with respect to such Eligible Account. Tenant shall be responsible for payment of any federal, state or local income or other tax applicable to the interest earned on the Cap Ex Project Account credited or paid to Tenant.

[***]

(d) From the Cap Ex Project Approval Date until Tenant completes the lien free construction of, and commences operations at, the Cap Ex Project, within thirty (30) days after the

end of each calendar month, Tenant shall submit to Landlord a report setting forth Tenant's expenditures with respect to the Cap Ex Project, which report shall be accompanied by invoices and lien releases (in a form reasonably acceptable to Landlord) with respect to the Work theretofore performed on the Cap Ex Project together with such other information and items in relation to such Work as Landlord or Landlord's construction consultant (if any) may reasonably request, including updated title searches. Tenant shall certify (and such information and items shall among other things evidence) to Landlord's reasonable satisfaction as to the remaining costs and expenses necessary to be incurred in order to complete such Work, and the sufficiency of the funds available to Tenant to pay for the same. Tenant shall deliver to Landlord promptly upon, but in all events within five (5) Business Days following the issuance thereof, copies of temporary certificates of occupancy with respect to the Cap Ex Project (or the equivalent applicable municipal permit(s) evidencing substantial completion of the Cap Ex Project in accordance with applicable local code requirements).

(e) The Parties acknowledge that Tenant has advised Landlord that the aggregate amount of the Cap Ex Project Advances shall be sufficient to complete the construction of the Cap Ex Project, as to be reflected in the Cap Ex Project Budget. Notwithstanding the foregoing, it is expressly understood and agreed that (i) the Cap Ex Project Advances may not be sufficient to fund all costs and expenses necessary to complete the Cap Ex Project, (ii) subject to Section 10.6(a) hereof, all costs and expenses necessary to complete the Cap Ex Project shall be the sole responsibility and obligation of Tenant, and (iii) Landlord shall not be required to fund any amount in excess of the Cap Ex Project Advances in respect of the Cap Ex Project.

(f) Each of the Parties covenants and agrees that (i) Landlord shall own the Cap Ex Project which shall be part of the Leased Property hereunder and (ii) notwithstanding anything to the contrary contained herein, for federal, state and local income tax purposes, (x) Landlord shall be treated as the owner of the portion of the Cap Ex Project that is proportionate to the amount of the Cap Ex Project Advances that are used to fund the construction of the Cap Ex Project as compared to the total cost of construction of the Cap Ex Project, and shall be eligible to claim depreciation deductions under Sections 167 or 168 of the Code with respect thereto, and (y) Tenant shall be treated as the owner of the portion of the Cap Ex Project that is not treated as owned by Landlord pursuant to clause (x) (if any) and eligible to claim depreciation deductions under Sections 167 or 168 of the Code with respect thereto.

(g) Neither the Cap Ex Project nor any Work that utilizes funds advanced under this Section 10.6 shall count toward the Minimum Cap Ex Requirement under this Lease or constitute Capital Expenditures or Qualifying Capital Improvements for the purpose of satisfying the Minimum Cap Ex Requirement under this Lease.

ARTICLE XI

LIENS

Subject to the provisions of Article XII relating to permitted contests, Tenant will not directly or indirectly create or allow to remain and will promptly discharge at its expense any lien,

encumbrance, attachment, title retention agreement or claim upon the Leased Property or any portion thereof or upon the Gaming Licenses (including indirectly through a pledge of shares in the direct or indirect entity owning an interest in the Gaming Licenses), or any attachment, levy, claim or encumbrance in respect of the Rent, excluding, however (and without limitation of the provisions of Section 7.1 relating to, among other things, Tenant's acceptance of the Leased Property in its "as-is" condition), (i) this Lease; (ii) the matters that existed as of (x) the Commencement Date with respect to the Original Leased Property, (y) the Fourth Amendment Date with respect to the RG Leased Property, or (z) the Fifth Amendment Date with respect to the Alberta Leased Property, including the matters disclosed on Exhibit I; (iii) restrictions, liens and other encumbrances which are consented to in writing by Landlord (such consent not to be unreasonably withheld, conditioned or delayed); (iv) liens for Impositions which Tenant is not required to pay hereunder (if any); (v) Subleases permitted by Article XXII and any other lien or encumbrance expressly permitted under the provisions of this Lease; (vi) liens for Impositions not yet delinquent or being contested in accordance with Article XII, provided that Tenant has provided appropriate reserves to the extent required under GAAP and any foreclosure or similar remedies with respect to such Impositions have not been instituted and no notice as to the institution or commencement thereof has been issued except to the extent such institution or commencement is stayed no later than twenty (20) days after such notice is issued; (vii) liens of mechanics, laborers, materialmen, suppliers or vendors for sums either disputed or not yet due, provided that (1) the payment of such sums shall not be postponed under any related contract for more than sixty (60) days after the completion of the action giving rise to such lien unless being contested in accordance with Article XII and such reserve or other appropriate provisions as shall be required by law or GAAP shall have been made therefor and no foreclosure or similar remedies with respect to such liens has been instituted and no notice as to the institution or commencement thereof have been issued except to the extent such institution or commencement is stayed no later than twenty (20) days after such notice is issued; (2) any such liens are in the process of being contested as permitted by Article XII; and (3) in the event any foreclosure action is commenced under any such lien, Tenant shall immediately remove, discharge or bond over such lien; (viii) any liens created by Landlord; (ix) liens related to equipment leases or equipment financing for Tenant's Property which are used or useful in Tenant's business on the Leased Property or any portion thereof, provided that the payment of any sums due under such equipment leases or equipment financing shall either (1) be paid as and when due in accordance with the terms thereof, or (2) be in the process of being contested as permitted by Article XII (and provided that a lienholder's removal of any such Tenant's Property from the Leased Property shall be subject to all applicable provisions of this Lease, and, without limitation, Tenant or such lienholder shall restore the Leased Property from any damage effected by such removal); (x) liens granted as security for the obligations of Tenant and its Affiliates under a Permitted Leasehold Mortgage (and the documents relating thereto); provided, however, in no event shall the foregoing be deemed or construed to permit Tenant to encumber the Leasehold Estate (or a Subtenant to encumber its subleasehold or other interest) in the Leased Property or any portion thereof (other than, in the case of Tenant, to a Permitted Leasehold Mortgagee to the extent expressly permitted hereunder), without the prior written consent of Landlord, which consent may be granted or withheld in Landlord's sole discretion; and provided further that upon request Tenant shall be required to provide Landlord with fully executed copies of any and all Permitted Leasehold Mortgage Documents; and (xi) except as otherwise expressly provided in this Lease, easements, rights-of-way, restrictions (including zoning restrictions), covenants, encroachments, protrusions and other

similar charges or encumbrances, and minor title deficiencies on or with respect to the Leased Property or any portion thereof, in each case whether now or hereafter in existence, not individually or in the aggregate materially interfering with the conduct of the business on the Leased Property for the Primary Intended Use, taken as a whole. For the avoidance of doubt, the Parties acknowledge and agree that Tenant has not granted any liens in favor of Landlord as security for its obligations hereunder except as otherwise expressly provided under this Lease, and nothing contained herein shall be deemed or construed to prohibit the issuance of a lien on the Equity Interests in Tenant (it being agreed that any foreclosure by a lien holder on such interests in Tenant shall be subject to the restrictions on transfers of interests in Tenant and Change of Control set forth in Article XXII) or to prohibit Tenant from pledging (A) its Accounts and other Tenant's Property as collateral (1) in connection with financings of equipment and other purchase money indebtedness, or (2) to secure Permitted Leasehold Mortgages, or (B) its Accounts and other property of Tenant (other than Tenant's Property); provided that Tenant shall in no event pledge to any Person that is not a Permitted Leasehold Mortgagee hereunder any of Tenant's Property to the extent that such Tenant's Property cannot be removed from the Leased Property without (I) damaging or impairing the Leased Property (other than in a de minimis manner), (II) impairing in any material respect the operation of the applicable Facility for its Primary Intended Use, or (III) impairing in any material respect Landlord's ability to acquire the Successor Assets at the expiration or termination of the Term in accordance with Section 36.1 (after giving effect to the repayment of any indebtedness encumbering the Successor Assets and release of any liens thereon as required by such Section 36.1). For the further avoidance of doubt, by way of example, Tenant shall not grant to any lender (other than a Permitted Leasehold Mortgagee) a lien on, and any and all lien holders (including a Permitted Leasehold Mortgagee) shall not have the right to remove, carpeting, internal wiring, elevators, or escalators at the Leased Property, but lien holders may have the right to remove (and Tenant shall have the right, subject to Section 6.2, to grant a lien on) furniture, slot machines and other Gaming equipment even if the removal thereof from the Leased Property could result in de minimis damage; provided any such damage is repaired by the lien holder or Tenant in accordance with the terms of this Lease.

ARTICLE XII

PERMITTED CONTESTS

Tenant, upon prior written notice to Landlord, on its own or in Landlord's name, at Tenant's expense, may contest, by appropriate legal proceedings conducted in good faith and with due diligence, the amount, validity or application, in whole or in part, of any licensure or certification decision (including pursuant to any Gaming Regulation), imposition of any disciplinary action, including both monetary and nonmonetary, pursuant to any Gaming Regulation, Imposition, Legal Requirement, Insurance Requirement, lien, attachment, levy, encumbrance, charge or claim; provided, that (i) in the case of an unpaid Imposition, lien, attachment, levy, encumbrance, charge or claim, the commencement and continuation of such proceedings shall suspend the collection thereof from Landlord and from the Leased Property; (ii) neither the Leased Property or any portion thereof, the Rent therefrom nor any part or interest in either thereof would be in any danger of being sold, forfeited, attached or lost pending the outcome of such proceedings; (iii) in the case of a Legal Requirement, neither Landlord nor Tenant would be in any imminent danger of criminal or material civil liability for failure to comply therewith pending the outcome of such proceedings; (iv) in the case of a Legal Requirement,

Imposition, lien, encumbrance or charge, Tenant shall deliver to Landlord security in the form of Cash or a Letter of Credit, if and as may be reasonably required by Landlord to insure ultimate payment of the same and to prevent any sale or forfeiture of the Leased Property or any portion thereof or the Rent by reason of such non-payment or noncompliance; (v) in the case of an Insurance Requirement, the coverage required by Article XIII shall be maintained; (vi) Tenant shall keep Landlord reasonably informed as to the status of the proceedings; and (vii) if such contest is finally resolved against Landlord or Tenant, Tenant shall promptly pay the amount required to be paid, together with all interest and penalties accrued thereon, or comply with the applicable Legal Requirement or Insurance Requirement. Landlord, at Tenant's expense, shall execute and deliver to Tenant such authorizations and other documents as may reasonably be required in any such contest, and, if reasonably requested by Tenant or if Landlord so desires, Landlord shall join as a party therein. The provisions of this Article XII shall not be construed to permit Tenant to contest the payment of Rent or any other amount payable by Tenant to Landlord hereunder. Tenant shall indemnify, defend, protect and save Landlord harmless from and against any liability, cost or expense of any kind that may be imposed upon Landlord in connection with any such contest and any loss resulting therefrom, except to the extent resulting from actions independently taken by Landlord (other than actions taken by Landlord at Tenant's direction or with Tenant's consent).

ARTICLE XIII

INSURANCE

13.1 General Insurance Requirements. During the Term, Tenant shall, at its own cost and expense, maintain the minimum kinds and amounts of insurance described below. Such insurance shall apply to the ownership, maintenance, use and operations related to the Leased Property and all property located in or on the Leased Property (including Capital Improvements and Tenant's Property). All policies shall be written with insurers authorized to do business in all states where Tenant operates and shall maintain A.M Best ratings of not less than "A-" "X" or better in the most recent version of Best's Key Rating Guide. In the event that any of the insurance companies' ratings fall below the requirements set forth above, Tenant shall have one hundred eighty (180) days within which to replace such insurance company with an insurance company that qualifies under the requirements set forth above. It is understood that Tenant may utilize so called surplus lines companies and will adhere to the standard above.

(a) Property Insurance.

(i) Property insurance shall be maintained on the Leased Property (including hull and machinery insurance on barges and vessels used for Gaming), Capital Improvements and Tenant's Property against loss or damage under a policy with coverage not less than that found on Insurance Services Office (ISO) "Causes of Loss – Special Form" and ISO "Building and Personal Property Form" or their equivalent forms (e.g., an "all risk" policy) including acts of terrorism covered by the Terrorism Risk Insurance Program Authorization Act of 2015 and amendments/replacements thereto or their Canadian policy form equivalents, in a manner consistent with the commercially reasonable practices of similarly situated companies engaged in the same or similar businesses operating in the same or similar locations. Such property insurance policy shall

be in an amount not less than the full replacement cost of the Facilities; provided, that Tenant shall have the right (i) to limit maximum insurance coverage for loss or damage by earthquake (including earth movement) to the greater of One Hundred Million and No/100 Dollars (\$100,000,000.00) or the projected ground up loss with a 500-year return period (as determined annually by an independent firm using industry accepted catastrophe modeling software, and taking into account all locations insured under this property insurance, including other locations owned, leased or managed by Tenant); provided, however, to the extent that the maximum coverage for earthquake insurance available for any Alberta Facility is less than One Hundred Million and No/100 Dollars (\$100,000,000.00), the insurance coverage for loss or damage by earthquake (including earth movement) for such Alberta Facility shall be in an amount equal to the full replacement cost of such Alberta Facility; and (ii) to limit maximum insurance coverage for loss or damage by flood to the greater of One Hundred Million and No/100 Dollars (\$100,000,000.00) or the projected ground up loss with a 500-year return period (as determined annually by an independent firm using RMS catastrophe software or equivalent, and taking into account all locations insured under this property insurance, including other locations owned, leased or managed by Tenant); provided, however, to the extent that the maximum coverage for flood insurance available for any Alberta Facility is less than One Hundred Million and No/100 Dollars (\$100,000,000.00), the insurance coverage for loss or damage by flood for such Alberta Facility shall be in an amount equal to the full replacement cost of such Alberta Facility; provided, further, that in the event the premium cost of any earthquake, flood or terrorism peril coverages are available only for a premium that is more than two and one-half (2.5) times the premium paid by Tenant for the year preceding the date of determination for the insurance policy contemplated by this Section 13.1(a), then Tenant shall be entitled and required to purchase the maximum amount of insurance coverage it reasonably deems most efficient and prudent to purchase for such peril and Tenant shall not be required to spend additional funds to purchase additional coverages insuring against such risks; and provided, further, that certain ancillary property coverages be sub-limited as long as each sub-limit is commercially reasonable and prudent as determined by Tenant and to the extent that the amount of such sub-limit is less than the amount of such sub-limit in effect as of the Commencement Date, such sub-limit is approved by Landlord, such approval not to be unreasonably withheld.

(ii) Such property insurance policy shall include, subject to Section 13.1(a)(i) above: (i) agreed amount coverage and/or a waiver of any co-insurance; (ii) building ordinance coverage (ordinance or law) including loss of the undamaged portions, the cost of demolishing undamaged portions, and the increased cost of rebuilding; and also including, but not limited to, any non-conforming structures or uses; (iii) equipment breakdown coverage (boiler and machinery coverage); (iv) debris removal; and (v) (1) with respect to the US Facilities, business interruption coverage in an amount not less than two (2) years of Rent and containing an Extended Period of Indemnity endorsement for an additional minimum twelve (12) months period, and (2) with respect to the Alberta Facilities, business interruption coverage in an amount not less than three (3) years of Rent. Subject to Section 13.1(a)(i), the property policy shall cover: wind/windstorm, earthquake/earth movement and flood and any sub-limits, earthquake and flood are subject to the approval of Landlord and Fee Mortgagee. Such policy shall (i) name Landlord as an additional insured and “loss payee” for its interests in the Leased Property and Rent; (ii)

name each Fee Mortgagee and Permitted Leasehold Mortgagee as an additional insured, and (iii) include (1) with respect to the US Facilities, a New York standard mortgagee clause, and (2) with respect to the Alberta Facilities, a Canadian standard mortgagee clause, in each case, in favor of each Fee Mortgagee and Permitted Leasehold Mortgagee.

(b) Flood Insurance. With respect to any portion of the Leased Property that is security under a Fee Mortgage, if at any time the area in which such Leased Property is located is designated a “Special Flood Hazard Area” as designated by the Federal Emergency Management Agency (or any successor agency), Tenant shall obtain separate flood insurance through the National Flood Insurance Program. Such flood insurance may be provided as part of Section 13.1(a) Property Insurance above if permitted by a Fee Mortgagee.

(c) Workers Compensation and Employers Liability Insurance. Workers compensation insurance as required by applicable state statutes and Employers Liability. With respect to the US Facilities, this insurance shall include endorsements applicable to (i) Longshore and Harbor Workers Compensation Act, and (ii) Maritime Coverage (including transportation, wages, maintenance and cure, if not otherwise covered by Section 13.1(f) Marine Liability Insurance). Contingent Employers’ Liability shall be in place for each of the Alberta Facilities.

(d) Commercial General Liability Insurance. For bodily injury, personal injury, advertising injury and property damage on an occurrence form with coverage no less than ISO Form CG 0001 or equivalent. This policy shall include the following coverages: (i) Liquor Liability (ii) Named Peril/Time Element Pollution, to the extent commercially available to operators of properties similar to the subject Leased Property; (iii) Watercraft Liability, to the extent commercially available to operators of properties similar to the subject Leased Property; (iv) Terrorism Liability; and (v) a Separation of Insureds Clause.

(e) Business Auto Liability Insurance. For bodily injury and property damage arising from the ownership, maintenance or use of owned, hired and non-owned vehicles (ISO Form CA 00 01 or equivalent).

(f) Marine Liability Insurance for US Facilities. For bodily injury and property damage (Protection and Indemnity) on an occurrence form. If not covered by the other insurance policies required by this Article XIII, this policy shall include the following coverages: (i) Liquor Liability; (ii) Pollution Liability; and (iii) injuries to captains and crew. This policy shall contain a Separation of Insureds clause. This coverage may be met through the combination of primary marine liability and excess liability coverage.

(g) Excess Liability Insurance. Excess Liability coverage shall be maintained over the required Employers Liability, Commercial General Liability, Business Auto Liability and Marine Liability policies in an amount not less than (i) with respect to the US Facilities, Two Hundred Fifty Million and No/100 Dollars (\$250,000,000.00) per occurrence and in the aggregate annually (where applicable), and (ii) with respect to the Alberta Facilities, One Hundred Million and No/100 Dollars (\$100,000,000.00) per occurrence and in the aggregate annually (where applicable). The annual aggregate limit applicable to Commercial General Liability shall apply per location. Tenant will use commercially reasonable efforts to obtain coverage as broad as the underlying insurance, including Terrorism Liability coverage.

(h) Pollution Liability Insurance. For claims arising from the discharge, dispersal release or escape or any irritant or contaminant (including mold and legionella) into or upon land, any structure, the atmosphere, watercourse or body of water, including groundwater, with amounts not less than Twenty Million and No/100 Dollars (\$20,000,000.00) per occurrence and Twenty Million and No/100 Dollars (\$20,000,000.00) annual aggregate. This shall include on and off-site clean up and emergency response costs and claims arising from above ground and below ground storage tanks. If this policy is provided on a “claims made” basis (i) the retroactive date shall be no later than the Commencement Date; and (ii) coverage shall be maintained for two (2) years after the Term.

13.2 Name of Insureds. Except for the insurance required pursuant to Section 13.1(c) with respect to Workers Compensation and Employers Liability, all insurance provided by Tenant as required by this Article XIII shall include Landlord (including specified Landlord related entities as directed by Landlord) and any party required under any Property Document as a named insured or additional insured without restrictions beyond the restrictions that apply to Tenant and may include any Permitted Leasehold Mortgagee as an additional insured. The coverage provided to the additional insureds by Tenant’s insurance policies must be at least as broad as that provided to the first named insured on each respective policy. For avoidance of doubt, Landlord looks exclusively to Tenant’s insurance policies to protect itself from claims arising from the Leased Property and Capital Improvements. The required insurance policies shall protect Landlord against Landlord’s acts with respect to the Leased Property in the same manner that they protect Tenant against its acts with respect to the Leased Property. Except for the insurance required pursuant to Section 13.1(c) with respect to Workers Compensation and Employers Liability, the required insurance policies shall be endorsed to include others as additional insureds as required by Landlord and/or the Fee Mortgage Documents and/or Permitted Leasehold Mortgagee. The insurance protection afforded to all insureds (whether named insureds or additional insureds) shall be primary and shall not contribute with any insurance or self-insurance programs maintained by such insureds (including deductibles and self-insured retentions).

13.3 Deductibles or Self-Insured Retentions. Tenant may self-insure such risks that are customarily self-insured by companies of established reputation engaged in the same general line of business in the same general area. All increases in deductibles and self-insured retentions (collectively referred to as “Deductibles” in this Article XIII) that apply to the insurance policies required by this Article XIII are subject to approval by Landlord, with such approval not to be unreasonably withheld, conditioned or delayed. Tenant is solely responsible for all Deductibles related to its insurance policies.

13.4 Waivers of Subrogation. Landlord shall not be liable for any loss or damage insured by the insurance policies required to be maintained under this Article XIII (including related Deductibles), it being understood that (i) Tenant shall look solely to its insurance for the recovery of such loss or damage; and (ii) such insurers shall have no rights of subrogation against Landlord. Each insurance policy shall contain a clause or endorsement which waives all rights of subrogation against Landlord, Fee Mortgagees and other entities or individuals as reasonably requested by Landlord.

13.5 Limits of Liability and Blanket Policies. The insured limits of liability maintained by Tenant shall be selected by Tenant in a manner consistent with the commercially

reasonable practices of similarly situated tenants engaged in the same or similar businesses operating in the same or similar locations as the applicable Leased Property. The insurance required by this Article XIII may be effected by a policy or policies of blanket insurance and/or by a combination of primary and excess insurance policies (all of which may insure additional properties owned, operated or managed by Tenant or its Affiliates), provided each policy shall be satisfactory to Landlord, acting reasonably, including, the form of the policy, provided such policies comply with the provisions of this Article XIII.

13.6 Future Changes in Insurance Requirements. In the event one or more additional locations become Leased Property or Capital Improvements during the Term, whether through acquisition, lease, new construction or other means, Landlord may reasonably amend the insurance requirements set forth in this Article XIII to properly address new risks or exposures to loss, in accordance with the procedures set forth in this Section 13.6(a). For example, for construction projects, different forms of insurance may be required, such as builders risk, and Landlord and Tenant shall mutually agree upon insurance requirements applicable to the construction contractors. Tenant and Landlord shall work together in good faith to exchange information (including proposed construction agreements) and ascertain appropriate insurance requirements prior to Tenant being required to amend its insurance under this Section 13.6(a); provided, however, that any revision to insurance shall only be required if the revised insurance would be customarily maintained by similarly situated tenants engaged in the same or similar businesses operating in the same or similar locations as the applicable Leased Property. If Tenant and Landlord are unable to reach a resolution within thirty (30) days of the original notice of requested revision, the arbitration provisions set forth in Section 34.2 shall control.

(a) In the event that (1) the operations of Tenant change in the future, and Tenant believes adjustments in Deductibles, insured limits or coverages are warranted, (2) Tenant desires to increase one or more Deductibles, reduce limits of liability below those in place as of the Commencement Date or materially reduce coverage, or (3) not more than once during any twelve (12) month period (or more frequently in connection with a financing or refinancing of a Fee Mortgage), Landlord reasonably determines that the insurance carried by Tenant is not, for any reason (whether by reason of the type, coverage, deductibles, insured limits, the reasonable requirements of Fee Mortgagees, or otherwise) commensurate with insurance customarily maintained by similarly situated tenants engaged in the same or similar businesses operating in the same or similar locations, the party seeking the change will advise the other party in writing of the requested insurance revision. Tenant and Landlord shall work together in good faith to determine whether the requested insurance revision shall be made; provided, however, that any revision to insurance shall only be made if the revised insurance would be customarily maintained by similarly situated tenants engaged in the same or similar businesses operating in the same or similar locations as the applicable Leased Property. If Tenant and Landlord are unable to reach a resolution within thirty (30) days of the original notice of requested revision, the arbitration provisions set forth in Section 34.2 shall control. Solely with respect to the insurance required by Section 13.1(g) above, in no event shall the outcome of an insurance revision pursuant to this Section 13.6 require Tenant to carry insurance in an amount which exceeds the product of (i) the amounts set forth in Section 13.1(g) hereof and (ii) the CPI Increase or CA CPI Increase, as applicable.

13.7 Notice of Cancellation or Non-Renewal. Each required insurance policy shall contain an endorsement requiring thirty (30) days prior written notice to Landlord, Fee Mortgagees and Leasehold Mortgagees of any cancellation or non-renewal. Ten (10) days' prior written notice shall be required for cancellation for non-payment of premium. Tenant shall secure replacement coverage to comply with the stated insurance requirements and provide new certificates of insurance to Landlord and others as directed by Landlord.

13.8 Copies of Documents. Tenant shall provide (x) binders evidencing renewal coverages no later than the applicable renewal date of each insurance policy required by this Article XIII; and (y) copies of all insurance policies required by this Article XIII (including policies issued by Tenant's captive insurers, if any, which are in any way related to the required policies, including policies insuring Deductibles), within one hundred and twenty days (120) after inception date of each, and if additionally required, within ten (10) days of written request by Landlord. In addition, Tenant will supply documents that are related to the required insurance policies on January 1 of each calendar year during the Term and three (3) years afterwards, and as otherwise requested in writing by Landlord. Such documents shall be in formats reasonably acceptable to Landlord and include, but are not limited to, (i) statements of property value by location, (ii) risk modeling reports (e.g., flood and earthquake), (iii) actuarial reports, (iv) loss/claims reports, and (v) detailed summaries of Tenant's insurance policies and, as respects Tenant's captive insurers, if any, the most recent audited financial statements (including notes therein) and reinsurance agreements. Landlord shall hold the contents of the documents provided by Tenant as confidential; provided that Landlord shall be entitled to disclose the contents of such documents to (a) its insurance consultants, attorneys, accountants and other agents in connection with the administration and/or enforcement of this Lease, (b) to any Fee Mortgagees, Permitted Leasehold Mortgagees and potential lenders and their respective representatives, and (c) as may be required by applicable laws. Landlord shall utilize commercially reasonable efforts to cause each such person or entity to enter into a written agreement to maintain the confidentiality thereof for the benefit of Landlord and Tenant.

13.9 Certificates of Insurance. Certificates of insurance, evidencing the required insurance, shall be delivered to Landlord on the Commencement Date with respect to the Original Facilities, the Fourth Amendment Date with respect to the Rocky Gap Facility and the Fifth Amendment Date with respect to the Alberta Facilities, annually thereafter, and upon written request by Landlord. If required by any Fee Mortgagee, Tenant shall provide endorsements and written confirmations that all premiums have been paid in full. No review or approval of any insurance certificate or insurance policy by Landlord derogates from or diminishes Landlord's rights under this Lease.

13.10 Other Requirements. Tenant shall comply with the following additional provisions:

(a) In the event of a catastrophic loss or multiple losses at multiple properties owned or leased directly or indirectly by Tenant, Guarantor and/or any of their Affiliates and that are insured by Tenant, Guarantor and/or any of their Affiliates (each such property that is affected by the catastrophic loss(es) or multiple losses, an "Affected Property"), then in the case that one Affected Property is a Facility, if:

(i) such catastrophic loss or multiple losses exhaust any per occurrence or aggregate insurance limits under the property insurance policies required by this Article XIII and any Affected Property that is not a Facility (each, an “Other Affected Property”) is (w) directly or indirectly managed but not directly or indirectly owned by Tenant, Guarantor and/or any of their Affiliates, (x) not wholly owned, directly or indirectly, by Tenant, Guarantor and/or any of their Affiliates, (y) subject to a ground lease with a landlord party that is neither Landlord nor its affiliates, or (z) is financed on a stand-alone basis, then the property insurance proceeds received in connection with such catastrophic loss or multiple losses shall be allocated pro-rata based on the insured values of the impacted properties, with no property receiving an allocation exceeding the loss suffered by such property, and

(ii) such catastrophic loss or multiple losses exhaust any per occurrence or aggregate insurance limits under the property insurance policies required by this Article XIII and no Other Affected Property is a property described in clauses (w) through (z) above, then such Facility shall have priority, on a pari passu basis with each Other Affected Property that is subject to a ground lease with a landlord party that is Landlord or one of its affiliates, to the property insurance proceeds received in connection with such catastrophic loss or multiple losses up to the reasonably anticipated amount of loss with respect to such Facility.

(b) In the event Tenant shall at any time fail, neglect or refuse to insure the Leased Property (including hull and machinery insurance on barges and vessels used for Gaming) and Capital Improvements, or is not in full compliance with its obligations under this Article XIII, Landlord may, at its election, upon prior Notice to Tenant to the extent reasonably practicable under the circumstances, procure replacement insurance as required by this Article XIII. In such event, Landlord shall disclose to Tenant the terms of the replacement insurance. Tenant shall reimburse Landlord or the Canadian Agent, on behalf of Landlord, as the case may be, for the cost of such replacement insurance within thirty (30) days after Landlord pays for the replacement insurance. The cost of such replacement insurance shall be reasonable considering the then-current market.

ARTICLE XIV

CASUALTY

14.1 Property Insurance Proceeds. All proceeds (except business interruption not allocated to rent expenses, if any) payable by reason of any property loss or damage to the Leased Property, or any portion thereof, under any property policy of insurance required to be carried hereunder shall be paid to an escrow account held by Fee Mortgagee or a third party depository reasonably acceptable to Landlord, Tenant and, if applicable, Fee Mortgagee (in each case pursuant to an escrow agreement and/or escrow instructions mutually reasonably acceptable to the Parties and, if applicable, Fee Mortgagee and intended to implement the terms hereof, which escrow agreement or instructions, as applicable, shall contain such provisions, terms and conditions relating to the disbursement of insurance proceeds in connection with preservation, stabilization, emergency restoration, business interruption, reconstruction and/or repair as are customarily required by prudent ground lessors or prudent mortgage lenders, as applicable), and

made, subject to the provisions of this Article XIV, available to Tenant upon request for the reasonable costs of preservation, stabilization, emergency restoration, business interruption, reconstruction and repair, as the case may be, of any damage to or destruction of the Leased Property, or any portion thereof; provided, however, that the portion of any such proceeds that are attributable to Tenant's obligation to pay Rent shall be applied against Rent and Additional Charges due by Tenant hereunder; and provided, further, that if the total amount of proceeds payable net of the applicable deductibles is Five Hundred Thousand and No/100 Dollars (\$500,000.00) or less, and, if no Tenant Event of Default has occurred and is continuing, the proceeds shall be paid to Tenant and, subject to the limitations set forth in this Article XIV used for the repair of any damage to or restoration or reconstruction of the Leased Property in accordance with Section 14.2. For the avoidance of doubt, any insurance proceeds payable by reason of (i) loss or damage to Tenant's Property and/or Tenant Material Capital Improvements, or (ii) business interruption in excess of Tenant's Rent obligations hereunder shall be paid directly to and belong to Tenant. Any excess proceeds of insurance remaining after the completion of the restoration or reconstruction of the Leased Property to substantially the same condition as existed immediately before the damage or destruction and with materials and workmanship of like kind and quality and to Landlord's reasonable satisfaction shall be provided to Tenant. All salvage resulting from any risk covered by insurance for damage or loss to the Leased Property shall belong to Landlord. So long as no Tenant Event of Default is continuing, and, so long as Tenant is acting in good faith and using commercially reasonable efforts to maximize insurance proceeds with respect thereto, Tenant shall have the right to prosecute and settle insurance claims, provided that, in connection with insurance claims exceeding Five Hundred Thousand and No/100 Dollars (\$500,000.00) per Facility, Tenant shall consult with and involve Landlord in the process of adjusting any insurance claims under this Article XIV and any final settlement with the insurance company for claims exceeding Five Hundred Thousand and No/100 Dollars (\$500,000.00) per Facility shall be subject to Landlord's consent, such consent not to be unreasonably withheld, conditioned or delayed. Any insurance proceeds referred to in this Section 14.1 that have not been disbursed for the purposes stated herein at any time after this Lease has been terminated shall be paid to Landlord.

14.2 Tenant's Obligations Following Casualty.

(a) In the event of a Casualty Event with respect to the Leased Property or any portion thereof (whether or not from a risk covered by insurance carried by Tenant) (i) Tenant shall give prompt notice thereof to Landlord, (ii) Tenant shall restore the Leased Property (or any applicable portion thereof, excluding, at Tenant's election, any Tenant Material Capital Improvement, unless such Tenant Material Capital Improvement is integrated into the Leased Property such that the Leased Property could not practically or safely be operated without restoring such Tenant Material Capital Improvement, provided, that with respect to such Tenant Material Capital Improvement that Tenant is not required to rebuild or restore, the Leased Property is otherwise restored in a manner reasonably satisfactory to Landlord and Tenant shall repair and thereafter maintain the portions of the Leased Property affected by the loss or damage of such Tenant Material Capital Improvement in a condition commensurate with the quality, appearance and use of the balance of the Leased Property and satisfying the Leased Property's parking requirements and all applicable Legal Requirements and Property Documents and the Applicable Standards) to substantially the same (or better) condition as existed immediately before such damage or otherwise in a manner reasonably satisfactory to Landlord, and (iii) the damage caused

by the applicable Casualty Event shall not terminate this Lease; provided, however, that, if the applicable Casualty Event shall occur not more than twelve (12) months prior to the then-Stated Expiration Date and the cost to restore the Leased Property with respect to the affected Facility to the condition immediately preceding the Casualty Event, as determined by a mutually approved contractor or architect, would equal or exceed fifty percent (50%) of the Fair Market Ownership Value of the Leased Property with respect to the affected Facility immediately prior to the time of such damage or destruction, then each of Landlord and Tenant shall have the option, exercisable at such Party's sole and absolute discretion, to terminate this Lease, upon written notice to the other Party hereto delivered to such other Party within thirty (30) days of the determination of the amount of damage and the Fair Market Ownership Value of the applicable Leased Property and, if such option is exercised by either Landlord or Tenant, this Lease shall terminate, and Tenant shall not be required to restore the applicable Leased Property and any insurance proceeds payable as a result of the damage or destruction shall be payable in accordance with Section 14.2(c). Any dispute between Landlord and Tenant with respect to the Fair Market Ownership Value will be determined by the Expert pursuant to Section 34.1.

(b) If the cost to restore the affected Leased Property exceeds the amount of proceeds received from the insurance required to be carried hereunder or the affected Leased Property (or any portion thereof) is damaged or destroyed from a risk not covered by insurance carried by Tenant, Tenant's restoration obligations shall continue unimpaired and such damage or destruction shall not terminate this Lease with respect to the affected Leased Property. Tenant shall provide Landlord with evidence reasonably acceptable to Landlord that Tenant has (or is reasonably expected to have) available to it any excess amounts needed to restore the Leased Property to the condition required hereunder. Such excess amounts shall be paid by Tenant.

(c) In the event neither Landlord nor Tenant is required or elects to repair and restore the Leased Property, all insurance proceeds (except, (i) subject to no Tenant Event of Default having occurred and continuing, any business interruption proceeds in excess of Tenant's Rent obligations hereunder, and (ii) proceeds reasonably attributed to any Tenant Material Capital Improvements (or other property owned by Tenant), which proceeds shall be and remain the property of Tenant), shall be paid to and retained by Landlord (after reimbursement to Tenant for any reasonably-incurred expenses in connection with the subject Casualty Event) free and clear of any claim by or through Tenant except as otherwise specifically provided below in this Article XIV.

(d) If Tenant fails to complete the restoration of the Leased Property and Gaming operations do not recommence substantially in the same manner as prior to the applicable Casualty Event by the date that is the third (3rd) anniversary of the date of any Casualty Event (subject to extension in the event of an Unavoidable Delay during such three (3) year period, on a day-for-day basis, for the same amount of time that such Unavoidable Delay delays Tenant's ability to perform such restoration in accordance with this Section 14.2), then, without limiting any of Landlord's rights and remedies otherwise, all remaining insurance proceeds shall be paid to and retained by Landlord free and clear of any claim by or through Tenant.

(e) For avoidance of doubt, the provisions of this Article XIV shall be subject to all applicable provisions, terms and conditions of the Property Documents.

14.3 No Abatement of Rent. Except as expressly provided in this Article XIV, this Lease shall remain in full force and effect and Tenant's obligation to pay Rent and all Additional Charges required by this Lease shall continue and remain unabated during any period following a Casualty Event.

14.4 Waiver. Tenant waives any statutory rights of termination which may arise by reason of any damage or destruction of the Leased Property but such waiver shall not affect any contractual rights granted to Tenant under this Lease.

14.5 Insurance Proceeds and Fee Mortgagee. Notwithstanding anything herein (including, without limitation, Article XXXI hereof) to the contrary, Landlord shall require that any Fee Mortgage Documents shall permit Tenant to rebuild in accordance with the terms and provisions of this Lease (and any such Fee Mortgage Documents shall expressly provide that Tenant or Landlord, as applicable, is entitled to the applicable insurance proceeds in accordance with the terms and provisions of this Lease); provided, that, Tenant shall satisfy, to Landlord's reasonable satisfaction, such conditions and requirements which may be imposed by any such Fee Mortgagee, consistent with the conditions and requirements with respect to the disbursement of casualty insurance proceeds that are customarily imposed or required by prudent institutional mortgage lenders in connection with mortgage loans or prudent ground lessors for comparable properties.

14.6 Pre-Commencement Date Casualty. Landlord and Tenant acknowledge that the Joint Buyers Agreements and Alberta Acquisition Agreement each provide that insurance proceeds payable by reason of any fire or other casualty under any policy of insurance, which fire or other casualty occurs during the pendency of (x) the applicable Joint Buyers Agreement prior to the Commencement Date or the Fourth Amendment Date, as applicable, (but only to the extent such proceeds are actually paid over or assigned by the seller under the applicable Equity Purchase Agreement) or (y) the Alberta Acquisition Agreement prior to the Fifth Amendment Date, shall be adjusted, held, and disbursed as provided under this Lease, as if this Lease were then in effect. Accordingly, if at any time between the date of the execution of the applicable Joint Buyers Agreement or Alberta Acquisition Agreement, on the one hand, and the Commencement Date, the Fourth Amendment Date or Fifth Amendment Date, as applicable, on the other hand, the applicable Leased Property, or any portion thereof, shall have been damaged or destroyed by fire or other casualty, then, to the extent not already commenced by any applicable Operations Party (Pre-Closing), Tenant shall, promptly following the Commencement Date, the Fourth Amendment Date or Fifth Amendment Date, as applicable, commence (or continue, to the extent that any such Operations Party (Pre-Closing) has theretofore commenced), and continue thereafter, diligently and continuously, to restore the same as nearly as possible to the condition it was in immediately prior to such damage or destruction. All such proceeds, to the extent so adjusted, held or disbursed, shall continue to be treated in such manner.

ARTICLE XV

EMINENT DOMAIN

15.1 Condemnation. Tenant shall promptly give Landlord written notice of the actual or threatened Condemnation or any Condemnation proceeding affecting the Leased Property of

which Tenant has knowledge and shall deliver to Landlord copies of any and all papers served in connection with the same.

(a) Total Taking. If a total and permanent Taking of the Leased Property with respect to any Facility occurs, this Lease shall automatically terminate with respect to such Facility as of the day before the date of such Taking. In such event, commencing upon the date of such termination, Rent hereunder shall be reduced by the Rent Reduction Amount.

(b) Partial Taking. If a portion (but not all) of the Leased Property with respect to any Facility (and, without limitation, any Capital Improvements with respect thereto) is subject to a permanent Taking (“Partial Taking”), this Lease shall remain in effect so long as the Leased Property with respect to the applicable Facility is not thereby rendered Unsuitable for its Primary Intended Use, and Rent shall be adjusted in accordance with the Rent Reduction Amount with respect to the subject portion of the applicable Facility; provided, however, that if the remaining portion of the Leased Property with respect to the applicable Facility is rendered Unsuitable for Its Primary Intended Use, this Lease shall terminate with respect to (i) an Original Facility, the Century Edmonton Facility, the Century Downs Facility, or the Century St. Albert Facility, as of the day before the date of such Taking, (ii) the Rocky Gap Facility, as of the applicable date set forth in the termination notice as provided in Section 9.2.1 of the RG Ground Lease, or (iii) the Century Mile Facility, if the landlord thereunder elects to terminate the Century Mile Ground Lease in accordance therewith, as of the date possession is taken by or on behalf of the applicable authority and, in such event, commencing upon the date of such termination, Rent hereunder shall be reduced by the Rent Reduction Amount with respect to the entirety of the subject Facility.

(c) Restoration. If there is a Partial Taking and this Lease remains in full force and effect, Landlord shall make available to Tenant the portion of the Award applicable to the restoration of the Leased Property with respect to the affected Facility in accordance with this Lease including, to the extent required hereby, any affected Tenant Material Capital Improvements, and thereafter as provided in Section 15.2, provided, that Tenant shall accomplish all necessary restoration in accordance with the following sentence (whether or not the amount of the Award received by Tenant is sufficient) and the Rent shall be adjusted in accordance with the Rent Reduction Amount. Tenant shall restore the Leased Property (excluding any Tenant Material Capital Improvement) (it being understood that Tenant shall not be required to restore any Tenant Material Capital Improvement unless such Tenant Material Capital Improvement is integrated into the subject Facility such that such Facility could not practically or safely be operated without restoring such Tenant Material Capital Improvement, provided that the Leased Property is otherwise restored in a manner reasonably satisfactory to Landlord) as nearly as reasonably possible under the circumstances to a complete architectural unit of the same general character and condition as the Leased Property existing immediately prior to such Taking.

(d) For avoidance of doubt, the provisions of this Article XV shall be subject to the provisions, terms and conditions of the Property Documents.

15.2 Award Distribution. Except as set forth below and in Section 15.1(c) hereof, the entire Award resulting from the Taking shall belong to and be paid to Landlord. Notwithstanding the foregoing, Tenant shall be entitled to pursue its own claim (with Landlord if the state requires a unitary action, or separately if authorized under applicable state law) with

respect to the Taking for Tenant's lost profits value and moving expenses and, the portion of the Award, if any, allocated to any Tenant Material Capital Improvements and Tenant's Property, shall be and remain the property of Tenant free of any claim thereto by Landlord.

15.3 Temporary Taking. If a temporary Taking occurs the Term shall not be reduced or affected in any way and Tenant shall continue to pay in full the Rent and Additional Charges as required to be paid hereunder and, subject to the other provisions of this Section 15.3, Tenant shall be entitled to receive any Award for such use and Landlord and Tenant shall join in a single action for the recovery of such Award. If such Taking is for a period extending beyond the Term and if any Award made for such use is made in a lump sum, such Award shall be apportioned between Landlord and Tenant as of the date of expiration of the Term. If such Taking results in changes or alterations in the Leased Premises which would necessitate an expenditure, after repossession, to restore it to its former condition, and if possession of the Leased Premises shall revert to Tenant prior to the expiration of the Term, then Tenant shall perform such restoration. If any part of the payment from the Taking authority in respect to a temporary Taking is made on or after the expiration of the Term, or if payment from the Taking authority in respect to a temporary Taking is made before expiration of the Term and any part of such payment is specified as compensation for expenses of restoring the Leased Premises to their former condition but such restoration is to be performed after expiration of the Term, then the amount of such Award which is specified as compensation for the expenses of restoring the Leased Premises to their former condition, or if no such amount is specified, such portion of such Award as is sufficient to cover such expenses, shall be paid to and retained by Landlord absolutely and Tenant shall thereupon be excused from any obligation to restore the Leased Premises upon the termination of such temporary Taking, and the balance of such Award shall be paid to Tenant.

15.4 Condemnation Awards and Fee Mortgagee. Notwithstanding anything herein (including, without limitation, Article XXXI hereof) to the contrary, Landlord shall require that any Fee Mortgage Documents shall permit Tenant to rebuild in accordance with the terms and provisions of this Lease (and any such Fee Mortgage Documents shall expressly provide that each of Tenant and Landlord, as applicable, is entitled to the applicable portion of the Award in accordance with the terms and provisions of this Lease).

15.5 Condemnation Negotiations. Landlord shall have the right to conduct all Condemnation settlement negotiations (other than any independent claims made by Tenant to the extent permitted hereunder). Tenant agrees to reasonably cooperate with Landlord in such negotiations and settlement. Landlord shall endeavor to furnish Tenant with a reasonable estimate of the amount of the prospective recovery when such information is available to Landlord and from time to time to furnish updated estimates thereof to Tenant. Landlord shall afford Tenant an opportunity to review all settlement proposals prior to acceptance by Landlord.

15.6 Pre-Commencement Date Condemnation. Landlord and Tenant acknowledge that the Joint Buyers Agreements and Alberta Acquisition Agreement each provide that proceeds from Awards payable by reason of any Condemnation, which Condemnation occurs during the pendency of (x) the applicable Joint Buyers Agreement prior to the Commencement Date or Fourth Amendment Date, as applicable (but only to the extent such Award is paid over or assigned by the seller under the applicable Equity Purchase Agreement) or (y) the Alberta Acquisition Agreement prior to the Fifth Amendment Date, shall be adjusted, held, and disbursed as provided under this

Lease, as if this Lease were then in effect. Accordingly, if at any time between the date of the execution of the applicable Joint Buyers Agreement or Alberta Acquisition Agreement, on the one hand, and the Commencement Date, Fourth Amendment Date or Fifth Amendment Date, as applicable, on the other hand, a Facility, or any portion thereof, shall have been permanently or temporarily Taken (or by purchase in lieu thereof), then (i) such Taking shall be treated as if such Taking had occurred after the Commencement Date, Fourth Amendment Date or Fifth Amendment Date, as applicable, and (ii) to the extent (x) required by the terms of this Lease if such Taking had occurred after the Commencement Date, Fourth Amendment Date or Fifth Amendment Date, as applicable, and (y) not already commenced by any applicable Operations Party (Pre-Closing), Tenant shall, promptly following the Commencement Date, Fourth Amendment Date or Fifth Amendment Date, as applicable, commence (or continue, to the extent that any such Operations Party (Pre-Closing) has theretofore commenced), and continue thereafter, diligently and continuously, to complete any restoration of the affected Facility in accordance with this Lease. All such proceeds, to the extent so adjusted, held or disbursed, shall continue to be treated in such manner.

(h) if Tenant or Guarantor shall fail to pay, bond, escrow or otherwise similarly secure payment of one or more final judgments aggregating in excess of the amount of One Million Five Hundred Thousand and No/100 Dollars (\$1,500,000.00), which judgments are not discharged

(k) any applicable Gaming License or other license material to any Facility's operation for its Primary Intended Use is at any time terminated or revoked or suspended or placed under a trusteeship (and in each case such termination, revocation, suspension or trusteeship causes cessation of Gaming activity at such Facility) for more than thirty (30) days and such termination, revocation, suspension or trusteeship is not stayed pending appeal;

(l) if a Licensing Event with respect to Tenant under clause (a) of the definition of Licensing Event shall occur and is not resolved in accordance with Section 41.12 within the later of (i) thirty (30) days or (ii) such additional time period as may be permitted by the applicable Gaming Authorities;

(u) [***]; and

(v) if Tenant shall fail to observe or perform any other term, covenant or condition of this Lease (including, but not limited to, a breach of any term, covenant or condition set forth in Articles I through XLI unless otherwise referenced in this Article XVI) or any Guarantor shall fail to observe or perform any term, covenant or condition under any Guaranty (other than a failure of any Guarantor as provided in Section 16.1(i) above) and, in each case, such failure is not cured within thirty (30) days after written notice thereof from Landlord, provided, however, if (i) such failure cannot reasonably be cured within such thirty (30) day period and Tenant (or any Guarantor, as applicable) shall have commenced to cure such failure within such thirty (30) day period, (ii) thereafter diligently proceeds to cure the same, and (iii) such failure has no material adverse impact of Landlord or Landlord's rights hereunder and will not result in a forfeiture by Landlord, such thirty (30) day period shall be extended for such time as is reasonably necessary for Tenant (or any Guarantor, as applicable) in the exercise of due diligence to cure such failure, provided that, such cure period shall not exceed one-hundred and twenty (120) days in the aggregate. No Tenant Event of Default (other than a failure to make payment of money) shall be deemed to exist under this Lease during any time the curing thereof is prevented by an Unavoidable Delay, provided that upon the cessation of the Unavoidable Delay, Tenant (or any Guarantor, as applicable) remedies the default without any further delay.

16.2 Landlord Remedies.

(a) Upon the occurrence and during the continuance of a Tenant Event of Default but subject to the provisions of Article XVII, Landlord may, subject to the terms of Section 16.3 below, do any one or more of the following: (x) terminate this Lease by giving Tenant no less than ten (10) days' notice of such termination and the Term shall terminate and all rights and obligations of Tenant under this Lease shall cease, subject to any provisions that expressly survive the Expiration Date, (y) seek damages as provided in Section 16.3 hereof, or (z) exercise any other right or remedy hereunder, at law or in equity available to Landlord as a result of any Tenant Event of Default. Tenant shall pay as Additional Charges all costs and expenses incurred by or on behalf of Landlord, including reasonable attorneys' fees and expenses, as a result of any Tenant Event of Default hereunder. Subject to Article XXXVI hereof, at any time upon or following the Expiration Date, Tenant shall, if required by Landlord to do so, immediately surrender to Landlord possession of all or any portion of the Leased Property and quit the same and Landlord may enter upon and repossess such Leased Property by reasonable force, summary proceedings, ejectment or otherwise, and may remove Tenant and all other Persons and any of Tenant's Property therefrom.

(b) None of (i) the termination of this Lease, (ii) the repossession of all or any portion of the Leased Property, (iii) the failure of Landlord to relet the Leased Property or any

portions thereof, (iv) the reletting of all or any portion of the Leased Property, or (v) the inability of Landlord to collect or receive any rentals due upon any such reletting, shall relieve Tenant of its liabilities and obligations hereunder, all of which shall survive any such termination, repossession or reletting. Landlord and Tenant agree that Landlord shall have no obligation to mitigate Landlord's damages under this Lease. Landlord shall pursue its remedies under this Lease in compliance with and as required by applicable laws.

(c) If this Lease shall terminate pursuant to Section 16.2(a)(x) or following the occurrence of a Tenant Event of Default that is continuing, then, in any such event, Landlord or Landlord's agents and employees may immediately or at any time thereafter reenter the Leased Property to the extent permitted by law (including applicable Gaming Regulations), whether by entry without process of law when permissible, by summary dispossession proceedings or by any suitable action or proceeding at law, without being liable to indictment, prosecution or damages therefor, and may repossess the same, and may remove any Person therefrom, to the end that Landlord may have, hold and enjoy the Leased Property. The words "enter," "reenter," "entry" and "reentry," as used herein, are not restricted to their technical legal meanings.

(d) Notwithstanding anything to the contrary contained herein, without limitation of any other right or remedy hereunder, at law or in equity available to Landlord, upon the occurrence and during the continuance of a Tenant Event of Default but subject to the provisions of Article XVII, Landlord may elect, in its sole discretion, (x) to terminate this Lease with respect to all the Leased Property hereunder with the exception of (i) the RG Leased Property and/or (ii) the Century Mile Leased Property (individually or collectively as applicable, the "Surviving Leased Property"; the Leased Property other than the Surviving Leased Property, collectively, the "Terminated Leased Property") by giving Tenant no less than ten (10) days' notice of such termination and the Term with respect to the Terminated Leased Property shall terminate and all rights and obligations of Tenant under this Lease with respect to the Terminated Leased Property shall cease, subject to any provisions that expressly survive the Expiration Date, (y) seek damages as provided in Section 16.3 hereof other than in respect of the Surviving Leased Property, and (z) otherwise exercise any and all remedies available to Landlord in connection with such Tenant Event of Default (other than in respect of the Surviving Leased Property). If Landlord elects to terminate this Lease with respect to the Terminated Leased Property pursuant to this Section 16.2(d), (i) Rent shall continue to be payable in respect of the Surviving Leased Property (adjusted by the Rent Reduction Amount), and (ii) this Lease (including all rights and obligations of Landlord and Tenant under this Lease) shall continue in full force and effect with respect to the Surviving Leased Property.

16.3 Damages.

(a) If Landlord elects to terminate this Lease in writing upon a Tenant Event of Default during the Term, Tenant shall forthwith (x) pay to Landlord all Rent due and payable under this Lease to and including the date of such termination (together with interest thereon at the Overdue Rate from the date the applicable amount was due), and (y) pay on demand all damages to which Landlord shall be entitled at law or in equity; including, without limitation, and without duplication or limitation of any of the other provisions of this Lease, (i) reasonable costs and expenses incurred by Landlord to obtain possession of the Leased Property; (ii) reasonable broker's fees incurred by Landlord in connection with reletting the whole or any part of the Leased

Property; (iii) reasonable costs of removing, storing and/or disposing of Tenant's or other occupant's property; (iv) the reasonable cost of making repairs and replacements required to be made by Tenant prior to such termination, and of performing all covenants relating to the condition of the Leased Property required to be performed by Tenant prior to such termination; (v) reasonable costs of repairing, altering, remodeling or otherwise putting the Leased Property into condition reasonably acceptable to a new tenant or tenants; (vi) reasonable expenses incurred by Landlord in enforcing or defending Landlord's rights and/or remedies in connection with such termination, including reasonable attorneys' fees and litigation and court costs, and (vii) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom; provided, however, Landlord's damages with regard to unpaid Rent from and after the date of termination shall equal, as liquidated and agreed current damages in respect thereof, the sum of: (A) the worth at the time of award of the amount by which the unpaid Rent that (if this Lease had not been terminated) would have been payable hereunder after termination until the time of award exceeds the amount of such Rent loss that Tenant proves could have been reasonably avoided; plus (B) (x) the Rent which (if the Lease had not been terminated) would have been payable hereunder from the time of award until the then Stated Expiration Date, discounted to present value by applying a discount rate equal to the discount rate of the Federal Reserve Bank of New York at the time of award, plus one percent (1%), less (y) the Rent loss from the time of the award until the then Stated Expiration Date that Tenant proves could be reasonably avoided, discounted to present value by applying a discount rate equal to the discount rate of the Federal Reserve Bank of New York at the time of award, plus one percent (1%). As used in clause (A), the "worth at the time of award" shall be computed by allowing interest at the Overdue Rate from the date the applicable amount was due (it being understood the foregoing calculation of damages for unpaid Rent applies only to the amount of unpaid Rent damages owed to Landlord pursuant to Tenant's obligation to pay Rent hereunder from and after the date of termination and does not prohibit or otherwise shall not limit Landlord from seeking damages for any indemnification or any other obligations of Tenant hereunder or such amounts or other matters as provided herein, with all such rights of Landlord reserved).

(b) Notwithstanding anything otherwise set forth herein, if Landlord chooses not to terminate Tenant's right to possession of the Leased Property (whether or not Landlord terminates this Lease) and has not been paid damages in accordance with Section 16.3(a), then each installment of Rent and all other sums payable by Tenant to or for the benefit of Landlord under this Lease shall be payable as the same otherwise becomes due and payable, together with, if any such amount is not paid when due, interest at the Overdue Rate from the date when due until paid, and Landlord may enforce, by action or otherwise, any other term or covenant of this Lease (and Landlord may at any time thereafter terminate Tenant's right to possession of the Leased Property and seek damages under Section 16.3(a), to the extent not already paid for by Tenant under Section 16.3(a) or this Section 16.3(b)).

(c) If, as of the date of any termination of this Lease pursuant to Section 16.2(a)(x), the Leased Property shall not be in the condition in which Tenant has agreed to surrender the same to Landlord at the expiration or earlier termination of this Lease, then Tenant, shall pay, as damages therefor, the cost (as estimated by an independent contractor reasonably selected by Landlord) of placing the Leased Property in the condition in which Tenant is required to surrender the same hereunder.

16.4 Receiver. Subject to the rights of Permitted Leasehold Mortgagees hereunder, upon the occurrence and continuance of a Tenant Event of Default, and upon commencement of proceedings to enforce the rights of Landlord hereunder, but subject to any limitations of applicable law (including Gaming Regulations), Landlord shall be entitled, as a matter of right, to the appointment of a receiver or receivers acceptable to Landlord of the Leased Property and of the revenues, earnings, income, products and profits thereof, pending the outcome of such proceedings, with such powers as the court making such appointment shall confer.

16.5 Waiver. If Landlord initiates judicial proceedings or if this Lease is terminated by Landlord pursuant to this Article XVI, Tenant waives, to the extent permitted by applicable law, (i) any right of redemption, re-entry or repossession or similar laws for the benefit of Tenant; and (ii) the benefit of any laws now or hereafter in force exempting property from liability for rent or for debt.

16.6 Application of Funds. Any payments received by Landlord under any of the provisions of this Lease during the existence or continuance of any Tenant Event of Default which are made to Landlord rather than Tenant due to the existence of a Tenant Event of Default shall be applied to Tenant's obligations in the order which Landlord may reasonably determine or as may be prescribed by applicable Legal Requirements.

16.7 Self-Help; Landlord's Right to Cure Tenant's Default. In an emergency involving an imminent threat to human health and safety or damage to property, or, if Tenant shall fail to make any payment when due or to perform any act required to be made or performed hereunder when required (including, without limitation, if Tenant fails to pay any Imposition or expend any Required Capital Expenditures as required hereunder or fails to complete any work or restoration or replacement of any nature as required hereunder or fails to take out, pay for or maintain any insurance as required hereunder or fails to comply with its obligations under Section 7.2(e) or Section 7.2(h), or if Tenant shall take any action prohibited hereunder, or, without limitation, if Tenant shall breach any representation or warranty comprising Additional Fee Mortgagee Requirements (and Landlord reasonably determines that such breach could be expected to give rise to an event of default or an indemnification obligation of Landlord under the applicable Fee Mortgage Documents), or Tenant fails to comply with any Additional Fee Mortgagee Requirements, then Landlord, (x) without notice to Tenant either in the case of an emergency or after such failure or action has given rise to a Tenant Event of Default, or (y) with such notice as is reasonably practicable if there is no emergency or if such failure or action has not given rise to a Tenant Event of Default, without waiving or releasing any obligation or default, may, but shall be under no obligation to, make such payment or perform such act (or cure or remediate such action) for the account and at the expense of Tenant (including, in the event of a breach of any such representation or warranty, taking actions to cause such representation or warranty to be true), and may, to the extent permitted by law, enter upon the Leased Property for such purpose and take all such actions thereon (and incur such reasonable costs and expenses) as, in Landlord's reasonable opinion, may be necessary or appropriate therefor (it being understood that no such entry shall be deemed an eviction of Tenant), and use funds in the Cap Ex Reserve for the purposes for which they were deposited in making any such payment or performing such act. All sums so paid by Landlord and all costs and expenses, including reasonable out-of-pocket attorneys' fees and expenses so incurred, together with interest thereon at the Overdue Rate from the date on

which such sums or expenses are paid or incurred by Landlord, shall be paid by Tenant to Landlord on demand as an Additional Charge.

16.8 Miscellaneous.

(a) Suit or suits for the recovery of damages, or for any other sums payable by Tenant to Landlord pursuant to this Lease, may be brought by Landlord from time to time at Landlord's election, and nothing herein contained shall be deemed to require Landlord to await the date whereon this Lease and the Term would have expired by limitation had there been no Tenant Event of Default, reentry or termination.

(b) No failure by either Party to insist upon the strict performance of any agreement, term, covenant or condition of this Lease or to exercise any right or remedy consequent upon a breach thereof, and no acceptance by Landlord of full or partial Rent during the continuance of any such breach, shall constitute a waiver of any such breach or of such agreement, term, covenant or condition. No agreement, term, covenant or condition of this Lease to be performed or complied with by either Party, and no breach thereof, shall be or be deemed to be waived, altered or modified except by a written instrument executed by the Parties. No waiver of any breach shall affect or alter this Lease, but each and every agreement, term, covenant and condition of this Lease shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. Landlord shall be entitled to the remedy of specific performance, injunctive relief and any other equitable remedy to prevent Tenant from breaching any of the agreements, provisions, terms, covenants or conditions of this Lease, and, without limitation, shall have the right to invoke any rights and remedies allowed at law or in equity or by statute or otherwise as though reentry, summary proceedings or other remedies were not provided for in this Lease.

(c) Except to the extent otherwise expressly provided in this Lease, each right and remedy of a Party provided for in this Lease shall be cumulative and shall be in addition to every other right or remedy provided for in this Lease.

(d) Nothing contained in this Article XVI or otherwise in this Lease shall vitiate or limit Tenant's obligation to pay Landlord's attorneys' fees as and to the extent provided in Article XXXVII hereof, or any indemnification obligations under any express indemnity made by Tenant of Landlord or of any Landlord Indemnified Parties as contained in this Lease.

ARTICLE XVII

TENANT FINANCING

17.1 Permitted Leasehold Mortgages.

(a) *Tenant May Mortgage the Leasehold Estate.* Subject and subordinate to all of the terms and conditions of the Ground Leases (including obtaining the prior approval of the applicable Ground Lessor to the extent required thereunder in accordance with the terms thereof), on one or more occasions, without Landlord's consent, Tenant may mortgage or otherwise encumber Tenant's estate in and to the Leased Property (the "Leasehold Estate") (or encumber the direct or indirect Equity Interests in Tenant) to one or more Permitted Leasehold Mortgages under one or more Permitted Leasehold Mortgages and pledge its right, title and interest under this Lease

as security for such Permitted Leasehold Mortgages or any related agreement secured thereby, provided, however, (i) in order for a Permitted Leasehold Mortgagee to be entitled to the rights and benefits pertaining to Permitted Leasehold Mortgagees pursuant to this Article XVII, such Permitted Leasehold Mortgagee must hold or benefit from a Permitted Leasehold Mortgage encumbering all of Tenant's Leasehold Estate granted to Tenant under this Lease (subject to exclusions with respect to items that are not capable of being mortgaged and that, in the aggregate, are de minimis) or one hundred percent (100%) of the direct or indirect Equity Interests in Tenant at any tier of ownership, and (ii) that no Person shall be deemed to be a Permitted Leasehold Mortgagee hereunder unless and until (a) such Person delivers a written agreement to Landlord providing that in the event of a termination of this Lease by Landlord pursuant to Section 16.2(a)(x) hereof, such Permitted Leasehold Mortgagee and any Persons for whom it acts as representative, agent or trustee, will not use or dispose of any Gaming License for use at a location other than at the applicable Facility to which such Gaming License relates as of the date of the closing of a Lease Foreclosure Transaction (or, in the case of any additional facility added to this Lease after such date, as of the date that such additional facility is added to the Lease), (b) the applicable Permitted Leasehold Mortgage shall include an express acknowledgement that any exercise of remedies thereunder that would affect the Leasehold Estate shall be subject and subordinate to the terms of this Lease, and (c) any foreclosure or realization by any Permitted Leasehold Mortgagee pursuant to a Permitted Leasehold Mortgage or upon Tenant's interest under this Lease or that would result in a transfer of all or any portion of Tenant's interest in the Leased Property or this Lease shall in any case be subject to the applicable provisions, terms and conditions of Article XXII hereof.

(b) Notice to Landlord.

(i) If Tenant shall, on one or more occasions, mortgage Tenant's Leasehold Estate pursuant to a Permitted Leasehold Mortgage and if the holder of such Permitted Leasehold Mortgage shall provide Landlord with written notice of such Permitted Leasehold Mortgage (which notice with respect to any Permitted Leasehold Mortgage not evidenced by a recorded security instrument, in order to be effective, shall also state (or be accompanied by a notice of Tenant stating) the relative priority of all then-effective Permitted Leasehold Mortgages noticed to Landlord under this Section and shall be consented to in writing by all then-existing Permitted Leasehold Mortgagees) together with a true copy of such Permitted Leasehold Mortgage and the name and address of the Permitted Leasehold Mortgagee, Landlord and Tenant agree that, following receipt of such written notice by Landlord (which notice shall be accompanied by any items required pursuant to Section 17.1(a) above), the provisions of this Section 17.1 shall apply to each such Permitted Leasehold Mortgage. In the event of any assignment of a Permitted Leasehold Mortgage or in the event of a change of address of a Permitted Leasehold Mortgagee or of an assignee of such Permitted Leasehold Mortgage, written notice of such assignment or change of address and of the new name and address shall be provided to Landlord, and the provisions of this Section 17.1 shall continue to apply, provided such assignee is a Permitted Leasehold Mortgagee.

(ii) Landlord shall reasonably promptly following receipt of a communication purporting to constitute the notice provided for by subsection (b)(i) above (and such additional items requested by Landlord pursuant to the first sentence of Section 17.1(b)(iii)) acknowledge by an executed and notarized instrument receipt of such communication as constituting the notice provided for by subsection (b)(i) above and confirming the status of the Permitted Leasehold Mortgagee as such or, in the alternative, notify Tenant and the Permitted Leasehold Mortgagee of the rejection of such communication and any such items as not conforming with the provisions of this Section 17.1 and specify the specific basis of such rejection.

(iii) After Landlord has received the notice provided for by subsection (b)(i) above, Tenant upon being requested to do so by Landlord, shall with reasonable promptness provide Landlord with copies of the Permitted Leasehold Mortgage, the note or other obligations secured by such Permitted Leasehold Mortgage, all other material Permitted Leasehold Mortgage Documents relating to such obligations and any other documents pertinent to the applicable Permitted Leasehold Mortgage or such obligations reasonably requested by Landlord. Tenant shall with reasonable promptness thereafter also provide Landlord from time to time with a copy of each material amendment or other modification or supplement to such documents. All recorded documents shall be accompanied by the appropriate recording stamp or other certification of the custodian of the relevant recording office as to their authenticity as true and correct copies of official records, all registered documents shall indicate the registration particulars thereon and all nonrecorded and nonregistered documents shall be accompanied by a certification by Tenant that such documents are true and correct copies of the originals. From time to time upon being requested to do so by Landlord, Tenant shall also notify Landlord of the date and place of recording and other pertinent recording data with respect to such instruments as have been recorded.

(iv) Notwithstanding the requirements of this Section 17.1(b), it is agreed and acknowledged that Tenant's Initial Financing (and the mortgages, security agreements and/or other loan documents in connection therewith) as of the date of this Lease shall be deemed a Permitted Leasehold Mortgage (with respect to which notice has been properly provided to Landlord pursuant to Section 17.1(b)(i)) without the requirement that Tenant or Landlord comply with the initial requirements set forth in clauses (i) through (iii) above, (but, for the avoidance of doubt, Tenant's Initial Financing is not relieved of the requirement that it satisfy the requirements of Section 17.1(a) or the last sentence of Section 17.1(b)(i)). In addition, for the avoidance of doubt, the Parties confirm that Tenant shall not be relieved of the requirement to comply with the final three (3) sentences of Section 17.1(b)(iii) with respect to Tenant's Initial Financing or any other financing with a Permitted Leasehold Mortgagee.

(c) Default Notice to Permitted Leasehold Mortgagee. Landlord, upon providing Tenant any notice of default under this Lease, shall at the same time provide a copy of such notice to every Permitted Leasehold Mortgagee for which notice has been properly provided to Landlord pursuant to Section 17.1(b)(i) hereof. No such notice by Landlord to Tenant shall be deemed to have been duly given unless and until a copy thereof has been sent, in the manner prescribed in Article XXXV of this Lease, to every such Permitted Leasehold Mortgagee for which

notice has been properly provided to Landlord pursuant to Section 17.1(b)(i) hereof. From and after the date such notice has been sent to a Permitted Leasehold Mortgagee, such Permitted Leasehold Mortgagee shall have the same period, with respect to its remedying any default or acts or omissions which are the subject matter of such notice or causing the same to be remedied, as is given Tenant after the giving of such notice to Tenant, plus in each instance, the additional periods of time specified in subsections (d) and (e) of this Section 17.1 to remedy or cause to be remedied the defaults or acts or omissions which are the subject matter of such notice specified in any such notice. Landlord shall accept such performance by or at the instigation of such Permitted Leasehold Mortgagee as if the same had been done by Tenant. Tenant authorizes each such Permitted Leasehold Mortgagee (to the extent such action is authorized under the applicable loan documents to which it acts as a lender, noteholder, investor, agent, trustee or representative) to take any such action at such Permitted Leasehold Mortgagee's option and does hereby authorize entry upon the Leased Property by the Permitted Leasehold Mortgagee for such purpose.

(d) Right to Terminate Notice to Permitted Leasehold Mortgagee. Anything contained in this Lease to the contrary notwithstanding, if any Tenant Event of Default shall occur which entitles Landlord to terminate this Lease, Landlord shall have no right to terminate this Lease on account of such Tenant Event of Default unless Landlord shall notify every Permitted Leasehold Mortgagee for which notice has been properly provided to Landlord pursuant to Section 17.1(b) hereof that the period of time given Tenant to cure the applicable default or act or omission giving rise to such Tenant Event of Default has lapsed and, accordingly, Landlord has the right to terminate this Lease ("Right to Terminate Notice"). The provisions of subsection (e) below of this Section 17.1 shall apply (subject, in the case of a Tenant Event of Default under Section 16.1(t) or Section 16.1(u), to the applicable Ground Lease specifically affording the cure rights under this subsection (d) or subsection (e) below to the applicable Permitted Leasehold Mortgagee) if, during (x) the thirty (30) day period following Landlord's delivery of the Right to Terminate Notice if such Tenant Event of Default is capable of being cured by the payment of money, or (y) the ninety (90) day period following Landlord's delivery of the Right to Terminate Notice, if such Tenant Event of Default is not capable of being cured by the payment of money, any Permitted Leasehold Mortgagee shall:

(i) notify Landlord of such Permitted Leasehold Mortgagee's desire to nullify such Right to Terminate Notice;

(ii) pay or cause to be paid all Rent, Additional Charges, and other payments (A) then due and in arrears as specified in the Right to Terminate Notice to such Permitted Leasehold Mortgagee, and (B) which may become due during such thirty (30) or ninety (90) day (as the case may be) period (as and when the same may become due);

(iii) comply with or in good faith, with reasonable diligence and continuity, commence to comply with all nonmonetary requirements of this Lease then in default and reasonably susceptible of being complied with by such Permitted Leasehold Mortgagee (e.g., defaults that are not personal to Tenant hereunder); provided, however, that such Permitted Leasehold Mortgagee shall not be required during such ninety (90) day period to cure or commence to cure any default consisting of Tenant's failure to satisfy and discharge any lien, charge or encumbrance against Tenant's interest in this Lease or the Leased Property or any of Tenant's other assets that is/are (x) junior in priority to the lien

of the mortgage or other security documents held by such Permitted Leasehold Mortgagee, and (y) would be extinguished by the foreclosure of the Permitted Leasehold Mortgage that is held by such Permitted Leasehold Mortgagee; and

(iv) during such thirty (30) or ninety (90) day period, the Permitted Leasehold Mortgagee shall respond, with reasonable diligence, to requests for information from Landlord as to the Permitted Leasehold Mortgagee's (and related lender's) intent to pay such Rent and other charges and comply with this Lease.

If the applicable default shall be cured pursuant to the terms and within the time periods allowed in this Section 17.1(d), then (subject, in the case of a Tenant Event of Default under Section 16.1(t) or Section 16.1(u), to the applicable Ground Lease specifically affording the cure rights under this subsection (d) or subsection (e) below to the applicable Permitted Leasehold Mortgagee) this Lease shall continue in full force and effect as if Tenant had not defaulted under the Lease. If a Permitted Leasehold Mortgagee shall fail to take all of the actions described in this Section 17.1(d) with respect to a specific Tenant Event of Default for which the Permitted Leasehold Mortgagee was provided notice prior to the deadlines set forth herein, such Permitted Leasehold Mortgagee shall have no further rights under this Section 17.1(d) or Section 17.1(e) with respect to such Tenant Event of Default and Landlord may terminate the Lease.

(e) Procedure on Default.

(i) If Landlord shall elect to terminate this Lease by reason of any Tenant Event of Default that has occurred and is continuing and a Permitted Leasehold Mortgagee shall have proceeded in the manner provided for by subsection (d) of this Section 17.1, the specified date for the termination of this Lease as fixed by Landlord in its Termination Notice shall be extended for a period of six (6) months; provided that such Permitted Leasehold Mortgagee shall, during such six (6) month period (and during the period of any continuance referred to in subsection (e)(ii) below):

(A) such Permitted Leasehold Mortgagee shall pay or cause to be paid the Rent, Additional Charges and other monetary obligations of Tenant under this Lease as the same become due, and continue its good faith efforts to perform or cause to be performed all of Tenant's other obligations under this Lease, excepting (I) obligations of Tenant to satisfy or otherwise discharge any lien, charge or encumbrance against Tenant's interest in this Lease or the Leased Property or any of Tenant's other assets that is/are (x) junior in priority to the lien of the mortgage or other security documents held by such Permitted Leasehold Mortgagee, and (y) would be extinguished by the foreclosure of the Permitted Leasehold Mortgage that is held by such Permitted Leasehold Mortgagee, and (II) past non-monetary obligations then in default and not reasonably susceptible of being cured by such Permitted Leasehold Mortgagee; and

(B) subject to and in accordance with Section 22.2(ii), if not enjoined or stayed pursuant to a bankruptcy or insolvency proceeding or other judicial order, such Permitted Leasehold Mortgagee shall diligently continue to pursue acquiring or selling Tenant's interest in this Lease and the Leased Property

(or, to the extent applicable, the direct or indirect interests in Tenant) by foreclosure of the Permitted Leasehold Mortgage or other appropriate means and diligently prosecute the same to completion.

(ii) If at the end of such six (6) month period such Permitted Leasehold Mortgagee is complying with subsection (e)(i) above, this Lease shall not then terminate, and the time for completion by such Permitted Leasehold Mortgagee of its proceedings shall continue (provided, that, for the time of such continuance, such Permitted Leasehold Mortgagee is in compliance with subsection (e)(i) above) (x) so long as such Permitted Leasehold Mortgagee is enjoined or stayed pursuant to a bankruptcy or insolvency proceeding or other judicial order and if so enjoined or stayed, thereafter for so long as such Permitted Leasehold Mortgagee proceeds to complete steps to acquire or sell Tenant's interest in this Lease by foreclosure of the Permitted Leasehold Mortgage or by other appropriate means with reasonable diligence and continuity but not to exceed twelve (12) months after the Permitted Leasehold Mortgagee is no longer so enjoined or stayed from prosecuting the same and in no event longer than twenty-four (24) months from the date of Landlord's initial notification to Permitted Leasehold Mortgagee pursuant to Section 17.1(d) hereof, and (y) if such Permitted Leasehold Mortgagee is not so enjoined or stayed, thereafter for so long as such Permitted Leasehold Mortgagee proceeds to complete steps to acquire or sell Tenant's interests in this Lease by foreclosure of the Permitted Leasehold Mortgage or by other appropriate means with reasonable diligence and continuity but not to exceed twelve (12) months from the date of Landlord's initial notification to Permitted Leasehold Mortgagee pursuant to Section 17.1(d) hereof. Nothing in this Section 17.1(e), however, shall be construed to extend this Lease beyond the Term as extended by any options to extend the Term properly exercised by Tenant or a Permitted Leasehold Mortgagee in accordance with Section 1.4, nor to require a Permitted Leasehold Mortgagee to continue such foreclosure proceeding after the default has been cured. If the default shall be cured pursuant to the terms and within the time periods allowed in subsections (d) and (e) of this Section 17.1 and the Permitted Leasehold Mortgagee shall discontinue such foreclosure proceedings, this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease. If, however, notwithstanding anything to the contrary contained herein, (a) the Permitted Leasehold Mortgagee, at any time, fails to pay Rent, Additional Charges and/or other monetary obligations of Tenant under this Lease as the same become due, or (b) Landlord determines that the Permitted Leasehold Mortgagee is not otherwise in compliance with its undertakings set forth in this subsection (e)(i) above, Landlord may notify the Permitted Leasehold Mortgagee and, either simultaneously therewith or at any time thereafter, without limiting any rights or remedies that Landlord may have on account of such Tenant Event of Default described in the Right to Terminate Notice, terminate this Lease.

(iii) Without limitation of Tenant's right to deliver a Renewal Notice, it is agreed that a Permitted Leasehold Mortgagee also shall have the right to deliver a Renewal Notice on behalf of Tenant during any period in which such Permitted Leasehold Mortgagee is complying with Section 17.1(d) or 17.1(e).

(iv) If a Permitted Leasehold Mortgagee is complying with subsection (e)(i) of this Section 17.1, upon the acquisition of Tenant's Leasehold Estate (or, to the

extent applicable, the direct or indirect interests in Tenant) herein by such Permitted Leasehold Mortgagee, a Permitted Leasehold Mortgagee Designee or an assignee thereof in accordance with Section 22.2(ii), hereof, this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease provided that such successor cures all outstanding defaults that can be cured through the payment of money and all other defaults that are reasonably susceptible of being cured as provided in said subsection (e)(i).

(v) For purposes of this Section 17.1, the making of a Permitted Leasehold Mortgagee shall not be deemed to constitute an assignment or transfer of this Lease nor of the Leasehold Estate hereby created, nor shall any Permitted Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Lease or of the Leasehold Estate hereby created by virtue of the Permitted Leasehold Mortgage so as to require such Permitted Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of Tenant to be performed hereunder; but the purchaser at any sale of this Lease (or, to the extent applicable, the purchaser of the direct or indirect interests in Tenant) (including a Permitted Leasehold Mortgagee if it is the purchaser at foreclosure) and of the Leasehold Estate hereby created in any proceedings for the foreclosure of any Permitted Leasehold Mortgage, or the assignee or transferee of this Lease and of the Leasehold Estate hereby created (or, to the extent applicable, the direct or indirect interests in Tenant) under any instrument of assignment or transfer in lieu of the foreclosure of any Permitted Leasehold Mortgage, shall be subject in all respects to all of the provisions, terms and conditions of this Lease including, without limitation Section 22.2(ii) hereof.

(vi) Notwithstanding any other provisions of this Lease, any Permitted Leasehold Mortgagee, Permitted Leasehold Mortgagee Designee or other acquirer of the Leasehold Estate of Tenant (or, to the extent applicable, the direct or indirect interests in Tenant) in accordance with the requirements of Section 22.2(ii) of this Lease pursuant to foreclosure, assignment in lieu of foreclosure or other similar proceedings of this Lease may, upon acquiring Tenant's Leasehold Estate (or, to the extent applicable, the direct or indirect interests in Tenant), (x) sell and assign interests in the Leasehold Estate (or, to the extent applicable, the direct or indirect interests in Tenant) as and to the extent provided in this Lease, and (y) enter into Permitted Leasehold Mortgages in the same manner as the original Tenant, as and to the extent provided in this Lease, in each case under clause (x) or (y), subject to the terms of this Lease, including Article XVII and Section 22.2 hereof.

(vii) Notwithstanding any other provisions of this Lease, any sale of this Lease and of the Leasehold Estate hereby created (or, to the extent applicable, the direct or indirect interests in Tenant) in any proceedings for the foreclosure of any Permitted Leasehold Mortgage, or the assignment or transfer of this Lease and of the Leasehold Estate hereby created (or, to the extent applicable, the direct or indirect interests in Tenant) in lieu of the foreclosure of any Permitted Leasehold Mortgage, shall, solely if and to the extent such sale, assignment or transfer complies with the requirements of Section 22.2 hereof, be deemed to be a permitted sale, transfer or assignment of this Lease.

(f) New Lease. In the event that this Lease is rejected or disclaimed in any bankruptcy, insolvency or dissolution proceeding or is terminated by Landlord following a Tenant

Event of Default other than due to a default that is subject to cure by a Permitted Leasehold Mortgagee under Section 17.1(d) and Section 17.1(e) above, Landlord shall provide each Permitted Leasehold Mortgagee with written notice that this Lease has been rejected, disclaimed or terminated (“Notice of Termination”), and, for the avoidance of doubt, upon delivery of such Notice of Termination, no Permitted Leasehold Mortgagee shall have the rights as described in Section 17.1(d) and Section 17.1(e) above, but rather such Permitted Leasehold Mortgagee instead shall have the rights described in this Section 17.1(f). Following any such rejection, disclaimer or termination, Landlord agrees to enter into a new lease (“New Lease”) of the Leased Property (in the case of the RG Leased Property and the Century Mile Leased Property, subject to the applicable Ground Lease specifically affording such rights to such Permitted Leasehold Mortgagee) with such Permitted Leasehold Mortgagee or its Permitted Leasehold Mortgagee Designee for the remainder of the Term, effective as of the date of termination, at the rent and additional rent, and upon the terms, covenants and conditions (including all then-remaining Renewal Terms but excluding requirements which have already been fulfilled) of this Lease, provided:

(i) such Permitted Leasehold Mortgagee or its Permitted Leasehold Mortgagee Designee shall comply with the applicable terms of Section 22.2(ii) (including clauses (1) through (4) thereof, to the extent applicable);

(ii) such Permitted Leasehold Mortgagee or its Permitted Leasehold Mortgagee Designee shall make a binding, written, irrevocable commitment to Landlord for such New Lease within thirty (30) days after the date such Permitted Leasehold Mortgagee receives Landlord’s Notice of Termination of this Lease given pursuant to this Section 17.1(f);

(iii) such Permitted Leasehold Mortgagee or its Permitted Leasehold Mortgagee Designee shall pay or cause to be paid to Landlord at the time of the execution and delivery of such New Lease, any and all sums which would at the time of execution and delivery thereof be due pursuant to this Lease but for such rejection or disclaimer or termination (including, for avoidance of doubt, any amounts that become due prior to and remain unpaid as of the date of the Notice of Termination) and, in addition thereto, all reasonable expenses, including reasonable attorney’s fees, which Landlord shall have incurred by reason of such rejection or disclaimer or such termination and the execution and delivery of the New Lease and which have not otherwise been received by Landlord from Tenant or other party in interest under Tenant; and

(iv) such Permitted Leasehold Mortgagee or its Permitted Leasehold Mortgagee Designee shall agree to remedy any of Tenant’s defaults of which said Permitted Leasehold Mortgagee was notified by Landlord’s Notice of Termination (or in any other written notice of Landlord) and which can be cured through the payment of money or, if such defaults cannot be cured through the payment of money, are reasonably susceptible of being cured by Permitted Leasehold Mortgagee or its Permitted Leasehold Mortgagee Designee.

(g) New Lease Priorities. It is the intention of the Parties that any such New Lease shall continue to maintain the same priority as this Lease with regard to any applicable Fee Mortgage or any other lien, charge or encumbrance on the Leased Property or any part thereof or

this Lease (but in no event shall Landlord be deemed to make any representation or warranty to such effect). If more than one Permitted Leasehold Mortgagee shall request a New Lease pursuant to subsection (f) of this Section 17.1, Landlord shall enter into such New Lease with the Permitted Leasehold Mortgagee whose mortgage is senior in lien, or with its Permitted Leasehold Mortgagee Designee acting for the benefit of such Permitted Leasehold Mortgagee prior in lien foreclosing on Tenant's interest in this Lease. Landlord, without liability to Tenant or any Permitted Leasehold Mortgagee with an adverse claim, may rely upon (i) with respect to any Permitted Leasehold Mortgage evidenced by a recorded or registered security instrument, a title insurance policy (or, if elected by Landlord in its sole discretion, a title insurance commitment, certificate of title or other similar instrument) issued by a reputable title insurance company as the basis for determining the appropriate Permitted Leasehold Mortgagee who is entitled to such New Lease, or (ii) with respect to any Permitted Leasehold Mortgage not evidenced by a recorded or registered security instrument, the statement with respect to relative priority of Permitted Leasehold Mortgages contained in the applicable notice delivered pursuant to Section 17.1(b)(i), provided that any such statement that provides that any such Permitted Leasehold Mortgage described in this clause (ii) is senior or prior to any Permitted Leasehold Mortgage evidenced by a recorded or registered security instrument shall only be effective to the extent it is consented to in writing by the Permitted Leasehold Mortgagee in respect of such Permitted Leasehold Mortgage evidenced by a recorded or registered security instrument.

(h) Permitted Leasehold Mortgagee Need Not Cure Specified Defaults. Nothing herein contained shall require any Permitted Leasehold Mortgagee to cure any Incurable Default in order to comply with the provisions of Sections 17.1(d) and 17.1(e), or as a condition of entering into the New Lease provided for by Section 17.1(f).

(i) Casualty Loss. A standard mortgagee clause naming each Permitted Leasehold Mortgagee for which notice has been properly provided to Landlord pursuant to Section 17.1(b) hereof may be added to any and all insurance policies required to be carried by Tenant hereunder on condition that (and, in all events, Tenant agrees that) the insurance proceeds are to be applied in the manner specified in this Lease and the Permitted Leasehold Mortgage shall so provide; except that the Permitted Leasehold Mortgage may provide a manner for the disposition of such proceeds, if any, otherwise payable directly to Tenant (but not such proceeds, if any, payable jointly to Landlord and Tenant or to Landlord, to Fee Mortgagee or to a third-party escrowee) pursuant to the provisions of this Lease.

(j) Arbitration; Legal Proceedings. Landlord shall give prompt notice to each Permitted Leasehold Mortgagee (for which notice has been properly provided to Landlord pursuant to Section 17.1(b) hereof) of any arbitration (including a determination of Fair Market Ownership Value or Fair Market Rental Value) or legal proceedings between Landlord and Tenant involving obligations under this Lease.

(k) Notices. Notices from Landlord to the Permitted Leasehold Mortgagee for which notice has been properly provided to Landlord pursuant to Section 17.1(b) hereof shall be provided in the method provided in Article XXXV hereof to the address furnished Landlord pursuant to subsection (b) of this Section 17.1, and those from the Permitted Leasehold Mortgagee to Landlord shall be mailed to the address designated pursuant to the provisions of Article XXXV

hereof. Such notices, demands and requests shall be given in the manner described in this Section 17.1 and in Article XXXV and shall in all respects be governed by the provisions of those sections.

(l) Limitation of Liability. Notwithstanding any other provision hereof to the contrary, (i) Landlord agrees that any Permitted Leasehold Mortgagee's liability to Landlord in its capacity as Permitted Leasehold Mortgagee hereunder howsoever arising shall be limited to and enforceable only against such Permitted Leasehold Mortgagee's interest in the Leasehold Estate and the other collateral granted to such Permitted Leasehold Mortgagee to secure the obligations under the loan secured by the applicable Permitted Leasehold Mortgage, and (ii) each Permitted Leasehold Mortgagee agrees that Landlord's liability to such Permitted Leasehold Mortgagee hereunder howsoever arising shall be limited to and enforceable only against Landlord's interest in the Leased Property, and no recourse against Landlord shall be had against any other assets of Landlord whatsoever.

(m) Sale Procedure. If this Lease has been terminated, the Permitted Leasehold Mortgagee for which notice has been properly provided to Landlord pursuant to Section 17.1(b) hereof with the most senior lien on the Leasehold Estate shall have the right to make the determinations and agreements on behalf of Tenant under Article XXXVI, in each case, in accordance with and subject to the terms and provisions of Article XXXVI.

(n) Third Party Beneficiary. Each Permitted Leasehold Mortgagee (for so long as such Permitted Leasehold Mortgagee holds a Permitted Leasehold Mortgage) is an intended third-party beneficiary of this Article XVII entitled to enforce the same as if a party to this Lease.

(o) No Merger. The fee title to the Leased Property and the Leasehold Estate of Tenant therein created by this Lease shall not merge but shall remain separate and distinct, notwithstanding the acquisition of said fee title and said Leasehold Estate by Landlord or by Tenant or by a third party, by purchase or otherwise.

Notwithstanding anything otherwise contained in this Article XVII, the rights and benefits afforded to a Permitted Leasehold Mortgagee under this Lease shall be subject and subordinate to the terms and conditions of any applicable Ground Lease, and, without limitation, (i) Landlord shall not be required to furnish a Permitted Leasehold Mortgagee with additional cure periods under Section 17.1(d) and/or Section 17.1(e) hereof with respect to a Tenant Event of Default pertaining to Ground Leased Property or the applicable Facility pertaining thereto except solely to the extent (x) the applicable Ground Lessor has agreed to furnish additional cure periods for the benefit of the applicable Permitted Leasehold Mortgagee and (y) any such additional cure periods referenced in clause (x) do not reduce the cure periods otherwise available to Landlord under the applicable Ground Lease within which Landlord may (x) cure such default and/or (y) replace Tenant as the permitted operator/subtenant under such Ground Lease, and (ii) providing a New Lease pursuant to Section 17.1(f) hereof shall be subject to the terms and conditions of any applicable Ground Lease.

17.2 Landlord Cooperation with Permitted Leasehold Mortgage. If, in connection with granting any Permitted Leasehold Mortgage or entering into an agreement relating thereto, Tenant shall request in writing (i) reasonable cooperation from Landlord, or (ii) reasonable amendments or modifications to this Lease, in each case required to comply with any reasonable

request made by Permitted Leasehold Mortgagee, Landlord shall reasonably cooperate with such request, so long as (a) no Tenant Event of Default is continuing, (b) all reasonable costs and expenses incurred by Landlord, including, but not limited to, its reasonable documented attorneys' fees, shall be paid by Tenant, and (c) any requested action, including any amendments or modification of this Lease, shall not (i) increase Landlord's monetary obligations under this Lease by more than a de minimis extent, or increase Landlord's non-monetary obligations under this Lease in any material respect or decrease Tenant's obligations in any material respect, (ii) diminish Landlord's rights under this Lease in any material respect, (iii) adversely impact the value of the Leased Property by more than a de minimis extent or otherwise have a more than de minimis adverse effect on the Leased Property, Tenant or Landlord, (iv) adversely impact Landlord's (or any Affiliate of Landlord's) tax treatment or position, (v) result in this Lease not constituting a "true lease", or (vi) result in a default under the Fee Mortgage Documents.

17.3 Landlord's Right to Cure Permitted Leasehold Mortgage Default. Tenant agrees that each and any agreement related to any Material Indebtedness or any Permitted Leasehold Mortgage Document (or the principal or controlling agreement relating to such Material Indebtedness or any series of related Permitted Leasehold Mortgage Documents) obtained by or entered into by Tenant after (i) the Commencement Date with respect to the Original Facilities, (ii) the Fourth Amendment Date with respect to the Rocky Gap Facility, or (iii) the Fifth Amendment Date with respect to the Alberta Facilities will include a provision requiring the lender(s) or holders thereunder (or the Agent thereof) to provide a copy to Landlord of any notices issued by such lender(s) or holder(s) (or the Agent thereof) to Tenant of a Specified Permitted Leasehold Mortgage Default. In addition, Tenant agrees that it will ensure that any such agreement related to any Material Indebtedness or any Permitted Leasehold Mortgage Document (or the principal or controlling agreement relating to any Material Indebtedness or any such series of related Permitted Leasehold Mortgage Documents) includes a provision with the effect that should Tenant fail to make any payment or to perform any act required to be made or performed under an agreement related to Material Indebtedness or under any Permitted Leasehold Mortgage Document or agreement related thereto when due or within any cure period provided for therein (if any), Landlord may, subject to applicable Gaming Regulations and the terms hereof, cure any such default by making such payment to the applicable lender(s) or holder(s) or Agent or otherwise performing such acts within the cure period thereunder (if any) for the account of Tenant, to the extent such default is susceptible to cure by Landlord; provided that (x) Landlord's right to cure such default shall not be any greater than the rights of the obligors under such Permitted Leasehold Mortgage Document to cure such default, and (y) for the avoidance of doubt it is acknowledged and agreed that Landlord shall have no obligation whatsoever to exercise any such right to cure. Landlord and Tenant agree that all sums so paid by Landlord and all costs and expenses, including reasonable attorneys' fees and expenses, so incurred, together with interest thereon at the Overdue Rate from the date on which such sums or expenses are paid or incurred by Landlord, shall be for the account of Tenant and paid by Tenant to Landlord on demand.

ARTICLE XVIII

If multiple Persons shall own the fee interest in the Leased Property with respect to any Facility, such Persons shall own the applicable Leased Property as tenants in common and all such Persons shall execute a joinder to this Lease, as "Landlord", on a joint and several basis. If Landlord (including any successor owner of the Leased Property) shall convey the applicable Leased Property in accordance with the terms of this Lease, other than as security for a debt, and the applicable grantee or transferee expressly assumes all obligations of Landlord arising after the date of the conveyance, Landlord shall thereupon be released from all future liabilities and obligations of Landlord under this Lease with respect to the transferred portion of the Leased Property arising or accruing from and after the date of such conveyance or other transfer and all such future liabilities and obligations relating to such transferred Leased Property shall thereupon be binding upon such applicable grantee or transferee. of Landlord to grant waivers and amend or modify any of the terms of this Lease), Landlord shall establish an independent committee to evaluate, negotiate and approve such matters, independent from and without interference from Landlord's management or Board of Directors. Any dispute over whether a particular decision should be determined by such independent committee shall be submitted for resolution by an Expert pursuant to Section 34.2 hereof.

Nothing contained herein shall constitute the consent, express or implied, of Landlord to the holding over of Tenant after the Expiration Date. This Article XIX is subject to Tenant's rights and obligations under Article XXXVI below, and it is understood and agreed that any possession of the Leased Property after the Expiration Date pursuant to such Article XXXVI shall not constitute a hold over subject to this Article XIX.

Any Change of Control (including any Change of Control of Tenant or any Guarantor or any Parent Entity of Tenant or any Guarantor) (or, subject to Section 22.2 below, any transfer of direct or indirect interests in Tenant that results in a Change of Control of Tenant or any Guarantor or any Parent Entity of Tenant or any Guarantor) shall constitute an assignment of Tenant's interest in this Lease within the meaning of this Article XXII and the provisions requiring consent contained herein shall apply thereto.

Notwithstanding anything to the contrary herein, any transfer of Tenant's interest in this Lease or the Leasehold Estate or of any direct or indirect interest in Tenant shall be subject to (i)

22.3 Permitted Sublease Agreements. Notwithstanding the provisions of Section 22.1, but subject to compliance with the provisions of this Section 22.3 and of Section 22.4 and Article XL, provided that no Tenant Event of Default shall have occurred and is continuing, (except as hereinafter provided) Tenant may enter into any Sublease without the consent of Landlord, provided, that, (i) Tenant is not released from any of its obligations under this Lease, (ii) such Sublease is made for bona fide business purposes in the normal course of the Primary Intended Use, and is not designed with the intent to avoid any of the requirements or provisions of this Lease, (iii) such transaction is not designed with the intent to frustrate Landlord's ability to enter into a new Lease of the Leased Property with a third party following the Expiration Date, (iv) such transaction shall not result in a violation of any Legal Requirements (including Gaming Regulations) relating to the operation of any Facility, including any Gaming Facilities, or a breach of any Ground Lease, (v) any Sublease of all or substantially all of the Leased Property pertaining to any individual Facility shall be prohibited absent the consent of Landlord and the applicable Fee Mortgagee, (vi) prior to the entry into any Sublease, Landlord shall have reasonably approved the identity of any proposed Subtenants under this Section 22.3 to ensure that any such proposed Subtenant is adequately capitalized and competent and experienced for the operations which it will be conducting, (vii) Tenant provides Landlord written notice of such Sublease together with a correct and complete copy thereof, (viii) the Subtenant and any other Affiliates shall have obtained all necessary Gaming Licenses, liquor permits or other licenses or operating authority as required under applicable Legal Requirements (including Gaming Regulations) in connection with such Sublease, and (ix) the portion(s) of the Leased Property subject to any Subleases shall not be (x) used for Gaming purposes (or any future hotel or hospitality use) or other core functions of the Facility or (y) core spaces at the Leased Property (and any Subleases of any such portion(s) of the Leased Property shall be prohibited absent the consent of Landlord and the applicable Fee Mortgagee; provided, Landlord acknowledges that Tenant is considering using a portion of the Century Downs Leased Property for ancillary hotel or hospitality use, and, subject to Tenant satisfying all other applicable requirements of this Lease, Landlord agrees not to unreasonably withhold, condition or delay its approval of a Sublease of such portion of the Century Downs Leased Property for such hotel or hospitality use). Without limitation of the foregoing, and notwithstanding anything otherwise set forth herein, the following are expressly permitted: (A) the Specified Subleases and any renewals or extensions in accordance with their terms, respectively, or non-material modifications thereto, and (B) any Subleases to Affiliates of Tenant that are necessary or appropriate for the operation of any Facility, including any Gaming Facilities, in connection with licensing requirements (e.g., gaming, liquor, etc.) (provided the same are expressly subject and subordinate to this Lease). If reasonably requested by Tenant in respect of a Subtenant permitted hereunder that is neither a Subsidiary nor an Affiliate of Tenant or Guarantor, with respect to a Material Sublease, Landlord and any such Subtenant shall enter into a subordination, non-disturbance and attornment agreement with respect to such Material Sublease in a form reasonably satisfactory to Landlord, Tenant and the applicable Subtenant (and if a Fee Mortgage is then in effect, Landlord shall use reasonable efforts to seek to cause Fee Mortgagee to enter into a subordination, non-disturbance and attornment agreement substantially in the form customarily entered into by such Fee Mortgagee at the time of request with similar subtenants (subject to adjustments and modifications arising out of the specific nature and terms of this Lease

and/or the applicable Sublease). After a Tenant Event of Default has occurred and while it is continuing, Landlord may collect rents from any Subtenant and apply the net amount collected to the Rent, but no such collection shall be deemed (A) a waiver by Landlord of any of the provisions of this Lease, (B) the acceptance by Landlord of such Subtenant as a tenant, or (C) a release of Tenant from the future performance of its obligations hereunder. Notwithstanding anything otherwise set forth herein, Landlord shall have no obligation to enter into a subordination, non-disturbance and attornment agreement (or seek to cause a Fee Mortgagee to enter into a subordination, non-disturbance and attornment agreement) with any Subtenant with respect to a Sublease, (1) the term of which extends beyond the then Stated Expiration Date of this Lease, unless the applicable Sublease is on commercially reasonable terms at the time in question taking into consideration, among other things, the identity of the Subtenant, the extent of the Subtenant's investment into the subleased space, the term of such Sublease and Landlord's interest in such space (including the resulting impact on Landlord's ability to lease any Facility on commercially reasonable terms after the Term of this Lease), or (2) that constitutes a management arrangement. Tenant shall furnish Landlord with a copy of each Sublease that Tenant enters into promptly following the entering thereof (irrespective of whether Landlord's prior approval was required therefor). In addition, promptly following Landlord's request therefor, Tenant shall furnish to Landlord (to the extent in Tenant's possession or under Tenant's reasonable control) copies of all Subleases with respect to any Facility specified by Landlord.

22.4 Required Subletting and Assignment Provisions. Any Sublease permitted hereunder and entered into after (i) the Commencement Date with respect to the Original Facilities, (ii) the Fourth Amendment Date with respect to the Rocky Gap Facility, and (iii) the Fifth Amendment Date with respect to the Alberta Facilities must provide that:

(i) the use of the Leased Property (or portion thereof) thereunder shall not conflict with any Legal Requirement or any other provision of this Lease;

(ii) in the case of a Sublease, in the event of cancellation or termination of this Lease for any reason whatsoever or of the surrender of this Lease (whether voluntary, involuntary or by operation of law) prior to the expiration date of such Sublease, including extensions and renewals granted thereunder without replacement of this Lease by a New Lease pursuant to Section 17.1(f), then, without affecting the provisions of any subordination, non-disturbance and attornment agreement entered into between Landlord and such Subtenant, upon the request of Landlord (in Landlord's discretion), the Subtenant shall make full and complete attornment to Landlord for the balance of the term of the Sublease, which attornment shall be evidenced by an agreement in form and substance reasonably satisfactory to Landlord and which the Subtenant shall execute and deliver within five (5) Business Days after request by Landlord and the Subtenant shall waive the provisions of any law now or hereafter in effect which may give the Subtenant any right of election to terminate the Sublease or to surrender possession in the event any proceeding is brought by Landlord to terminate this Lease;

(iii) in the case of a Sublease, in the event the Subtenant receives a written notice from Landlord stating that this Lease has been cancelled, surrendered or terminated and not replaced by a New Lease pursuant to Section 17.1(f), then the Subtenant shall thereafter be obligated to pay all rentals accruing under said Sublease directly to

Landlord (or as Landlord shall so direct); all rentals received from the Subtenant by Landlord shall be credited against the amounts owing by Tenant under this Lease;

(iv) in the case of a Sublease, it shall be subject and subordinate to all of the terms and conditions of this Lease (subject to the terms of any applicable subordination, non-disturbance agreement made pursuant to Section 22.3);

(v) no Subtenant shall be permitted to further sublet all or any part of the applicable Leased Property or assign its Sublease except insofar as the same would be permitted if it were a Sublease by Tenant under this Lease (it being understood that any Subtenant under Section 22.3 may pledge and mortgage its subleasehold estate (or allow the pledge of its equity interests) to its lenders or noteholders); and

(vi) in the case of a Sublease, the Subtenant thereunder will, upon request, furnish to Landlord and each Fee Mortgagee an estoppel certificate of the same type and kind as is required of Tenant pursuant to Section 23.1(a) hereof (as if such Sublease was this Lease).

Any assignment, transfer or Sublease under this Article XXII shall be subject to all applicable Legal Requirements, including any Gaming Regulations, and no such assignment, transfer or Sublease shall be effective until any applicable approvals with respect to Gaming Regulations, if applicable, are obtained.

22.5 Costs. Tenant shall reimburse Landlord for Landlord's reasonable out-of-pocket costs and expenses actually incurred in conjunction with the processing and documentation of any assignment, subletting or management arrangement (including any transaction pursuant to Section 22.2 hereof) (including in connection with any request for a subordination, non-disturbance and attornment agreement), including reasonable attorneys', architects', engineers' or other consultants' fees whether or not such Sublease, assignment or management agreement is actually consummated.

22.6 No Release of Tenant's Obligations; Exception. No assignment (other than as provided in the final sentence of this Section 22.6), subletting or management agreement shall relieve Tenant of its obligation to pay Rent and to perform all of the other obligations to be performed by Tenant hereunder. The liability of Tenant and any immediate and remote successor in interest of Tenant (by assignment or otherwise), and the due performance of the obligations of this Lease on Tenant's part to be performed or observed, shall not in any way be discharged, released or impaired by any (i) stipulation which extends the time within which an obligation under this Lease is to be performed, (ii) waiver of the performance of an obligation required under this Lease that is not entered into by Landlord in a writing executed by Landlord and expressly stated to be for the benefit of Tenant or such successor, or (iii) failure to enforce any of the obligations set forth in this Lease. Upon a transfer of this Lease in accordance with, and in compliance in all respects with, Section 22.2(v) the then existing Tenant shall be released from any further obligations hereunder other than any obligations and liabilities that are due and payable on the date of such transfer.

Tenant shall (A) keep Landlord apprised of (1) the status of any annual or other periodic Gaming License renewals, and (2) the status of non-routine matters before any applicable Gaming Authorities, and (B) promptly (but in no event later than two (2) Business Days thereafter) deliver to Landlord copies of any and all non-routine notices received (or sent) by Tenant from (or to) any Gaming Authorities);

(vi) Within ten (10) Business Days after the end of each calendar month, a schedule containing any additions to or retirements of any fixed assets constituting Leased Property, describing such assets in summary form, their location, historical cost, the amount of depreciation and any improvements thereto, substantially in the form attached hereto as Exhibit D, and such additional customary and reasonable financial information with respect to such fixed assets constituting Leased Property as is reasonably requested by Landlord;

(vii) Within three (3) Business Days of obtaining actual knowledge of the occurrence of a Tenant Event of Default (or of the occurrence of any facts or circumstances which, with the giving of notice or the passage of time would ripen into a Tenant Event of Default and that (individually or collectively) would be reasonably expected to result in a material adverse effect on Tenant or in respect of each Facility), a written notice to Landlord regarding the same, which notice shall include a detailed description of the Tenant Event of Default (or such facts or circumstances) and the actions Tenant has taken or shall take, if any, to remedy such Tenant Event of Default (or such facts or circumstances);

(viii) Such additional customary and reasonable financial information related to Tenant, Guarantor and their Affiliates or each Facility which shall be limited to balance sheets and income statements, as may be required by any Fee Mortgagee as an Additional Fee Mortgagee Requirement hereunder to the extent required by Section 31.3 (and, without limitation, all information concerning Tenant, Guarantor and their Affiliates, respectively, or each Facility or the business of Tenant conducted thereat required pursuant to the Fee Mortgage Documents as an Additional Fee Mortgagee Requirement, within the applicable timeframes required thereunder);

(ix) The compliance certificates, as and when required pursuant to Section 4.4;

(x) The Annual Capital Budget as and when required in Section 10.5;

(xi) The monthly revenue and Capital Expenditure reporting required pursuant to Section 10.5(b);

(xii) Together with the monthly reporting required pursuant to the preceding clause (xi), an updated rent roll and a summary of all leasing activity then taking place at each Facility;

(xiii) Operating budget for Tenant for each Fiscal Year, which shall be delivered to Landlord no later than fifty-five (55) days following the commencement of the Fiscal Year to which such operating budget relates;

(xiv) Within five (5) Business Days after request (or as soon thereafter as may be reasonably possible), such further detailed information reasonably available to Tenant with respect to Tenant as may be reasonably requested by Landlord;

(xv) The reporting/copies of Subleases made by Tenant in accordance with Section 22.3;

(xvi) Any notices or reporting required pursuant to Article XXXII hereof or otherwise pursuant to any other provision of this Lease;

(xvii) (x) An annual certificate, executed by the chief financial officer or treasurer of Tenant, certifying that the organizational structure chart of Tenant provided to Landlord and attached thereto (showing the ownership of Tenant in the form and with similar level of detail as the organizational structure of Tenant delivered to Landlord's Affiliate in connection with the making of the Original Acquisition Agreements, which shall be delivered to Landlord annually together with the Annual Capital Budget) is true, correct and complete; and (y) Tenant shall furnish Landlord with prompt notice of any change in Tenant's organizational structure such that an intermediate holding company is interposed between Tenant and Guarantor;

(xviii) The monthly reporting required pursuant to Section 4.1 hereof;

(xix) Evidence of payment of any rent or other payments pursuant to Section 2.2, or any other applicable provision, of the RG Ground Lease, which shall be delivered to Landlord concurrently with the payment thereof; and

(xx) Copies of all reporting or other information provided under the RG Ground Lease, which shall be delivered to Landlord concurrently with the delivery thereof (including annual reporting pursuant to Section 2.5 of the RG Ground Lease and calculations and supporting materials with respect to payments under the RG Ground Lease).

The Financial Statements provided hereunder shall be prepared in compliance with applicable federal securities laws, including Regulation S-X (and for any prior periods required thereunder), if and to the extent such compliance with federal securities laws, including Regulation S-X (and for any prior periods required thereunder), is required to enable Landlord, PropCo 1, PropCo or Landlord REIT to (x) file such Financial Statements with the SEC if and to the extent that Landlord, PropCo 1, PropCo or Landlord REIT is required to file such Financial Statements with the SEC pursuant to Legal Requirements, or (y) include such Financial Statements in an offering document or other presentations or reports if and to the extent that Landlord, PropCo 1, PropCo or Landlord REIT is reasonably requested or required to include such Financial Statements in any offering document or other presentations or reports in connection with a financing contemplated by and to the extent required by Section 23.2(b). Tenant further agrees to provide the financial and operational reports to be delivered to Landlord under this Lease in such electronic format(s) as may reasonably be required by Landlord from time to time in order to facilitate Landlord's internal financial and reporting database. Without limitation of any other provisions of this Lease, Tenant also agrees that Landlord shall have audit rights with respect to such information

to the extent required to confirm Tenant's compliance with this Lease (including, without limitation, calculation of Net Revenues).

(c) Notwithstanding the foregoing, Tenant shall not be obligated to provide (1) information or assistance that would give Landlord or its Affiliates a "competitive" advantage with respect to markets in which Landlord REIT and Tenant might be competing at any time (it being understood that Landlord shall retain audit rights with respect to such information to the extent required to confirm Tenant's compliance with the terms of this Lease (and Landlord, PropCo 1, PropCo or Landlord REIT shall be permitted to comply with SEC, Internal Revenue Service and other legal and regulatory requirements with regard to such information) and provided that appropriate measures are in place to ensure that only Landlord's auditors and attorneys (and not Landlord or Landlord REIT or any other direct or indirect Parent Company of Landlord) are provided access to such information), or (2) information that is subject to the quality assurance immunity, attorney-client privilege or attorney work product doctrine.

(d) For purposes of this Section 23.1, the terms "PropCo 1", "PropCo" and "Landlord REIT" shall mean, in each instance, each of such parties and their respective successors and permitted assigns.

23.2 SEC Filings; Offering Information.

(a) Tenant specifically agrees that Landlord, PropCo 1, PropCo or Landlord REIT may file with the SEC or applicable agency, or incorporate by reference the Financial Statements referred to in Section 23.1(b)(ii) and (iii) (and Financial Statements referred to in Section 23.1(b)(ii) and (iii) for any prior annual or quarterly periods as required by any Legal Requirements or requested by any federal, state or local regulatory agency with jurisdiction over Landlord, PropCo 1, PropCo or Landlord REIT) in Landlord's, PropCo 1's PropCo's or Landlord REIT's filings made under the Securities Act or the Exchange Act to the extent it is required to do so pursuant to Legal Requirements. In addition, Landlord, PropCo 1, PropCo or Landlord REIT may include, cross-reference or incorporate by reference the Financial Statements (and for any prior annual or quarterly periods as required by any Legal Requirements) and other financial information and such information concerning the operation of the Leased Property (1) which is publicly available, or (2) the inclusion of which is approved by Tenant, which approval may not be unreasonably withheld, conditioned or delayed, in offering memoranda or prospectuses or confidential information memoranda, or similar publications or marketing materials, rating agency presentations, press releases, investor presentations or disclosure documents in connection with syndications, private placements or public offerings of Landlord's, PropCo 1's, PropCo's or Landlord REIT's securities or loans. Tenant agrees to use commercially reasonable efforts to provide such other reasonable information and, if necessary, participation in road shows and other presentations at Landlord's sole cost and expense, with respect to Tenant, Tenant Parent, Guarantor, if applicable, and the Leased Property to facilitate a public or private debt or equity offering or syndication by Landlord or any of its Affiliates. Without vitiating any other provision of this Lease, nothing herein is intended to restrict Landlord from disclosing such information to any Fee Mortgagee pursuant to the express terms of the Fee Mortgage Documents or in connection with other ordinary course reporting under the Fee Mortgage Documents.

(b) Tenant understands that, from time to time, Landlord, PropCo 1, PropCo or Landlord REIT may conduct one or more financings, which financings may involve the participation of placement agents, underwriters, initial purchasers or other persons deemed underwriters under applicable securities law. In connection with any such financings, Tenant shall, upon the request of Landlord, use commercially reasonable efforts to furnish to Landlord, to the extent reasonably requested or required in connection with any such financings, the information referred to in Section 23.1(b) as applicable (subject to Section 23.1(c) as and to the extent applicable) (it being understood that the disclosure of any such information to any such Persons by Landlord shall be subject to Section 41.14 hereof as if such Persons were Representatives hereunder) and in each case including for any prior annual or quarterly periods as required by any Legal Requirements, as promptly as reasonably practicable after the request therefor (taking into account, among other things, the timing of any such request and any Legal Requirements applicable to Tenant).

(c) Tenant shall, upon the request of Landlord, use commercially reasonable efforts to provide Landlord and its Representatives with such management representation letters, comfort letters and consents of applicable certified independent auditors to the inclusion of their reports (1) in applicable financing disclosure documents as may be reasonably requested or required or in connection with the sale or registration of securities by Landlord, PropCo 1, PropCo or Landlord REIT, and (2) in any reports of Landlord, PropCo 1, PropCo or Landlord REIT (as set forth under Section 23.1) including, without limitation, filings with or reports to (1) the SEC under both the Securities Act and the Exchange Act, including, but not limited to 10-Q Quarterly Reports, 10-K Annual Reports, Form 8-K Current Reports and registration statements to be filed by any of Landlord, PropCo 1, PropCo or Landlord REIT during the Term of this Lease, (2) the Internal Revenue Service (including in respect of Landlord REIT's qualification as a "real estate investment trust" (within the meaning of Section 856(a) of the Code)), and (3) any other federal, state or local regulatory agency with jurisdiction over Landlord, PropCo 1, PropCo or Landlord REIT, containing or incorporating by reference the Financial Statements required to be delivered by Tenant hereunder. Landlord shall reimburse Tenant, its Subsidiaries and their respective Representatives as promptly as reasonably practicable after the request therefor, for any reasonable and actual, documented out-of-pocket expenses incurred in connection with any cooperation provided pursuant to this Section 23.2(c) (and, unless any non-compliance with this Lease to more than a de minimis extent is revealed, any exercise by Landlord of audit rights pursuant to Section 23.1(c)) (including, without limitation, reasonable and documented out-of-pocket fees and expenses of accountants and attorneys, but excluding, for the avoidance of doubt, any such fees and expenses incurred in the preparation of the Financial Statements). In addition, Landlord shall indemnify and hold harmless Tenant, its Subsidiaries and their respective Representatives from and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments and penalties suffered or incurred by them (collectively, "Losses") in connection with any cooperation provided pursuant to this Section 23.2(c), except to the extent (i) such Losses were suffered or incurred as a result of the bad faith, gross negligence or willful misconduct of any such indemnified person, or (ii) such Losses were caused by any untrue statement or alleged untrue statement of a material fact contained in any Financial Statements delivered by Tenant to Landlord hereunder, or caused by any omission or alleged omission to state therein a material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading.

23.3 Financial Covenant.

(a) Tenant shall maintain a Coverage Ratio determined on the last day of any Fiscal Quarter on a cumulative basis for the preceding Test Period (commencing with the Test Period ending on December 31, 2020) of at least [***].

(b) In the event that Tenant does not satisfy at any time the Coverage Ratio set forth in Section 23.3(a), Guarantor shall not be permitted to make any Restricted Payment (and Tenant shall not be permitted to make any Distribution) until Tenant is in compliance with such ratio in a subsequent period.

(c) The certificate executed by the chief financial officer or treasurer of Tenant furnished by Tenant to Landlord pursuant to each of Section 23.1(b)(ii)(A) and Section 23.1(b)(ii)(B) hereof, shall include a certification setting forth in reasonable detail the calculation of the financial covenants under this Section 23.3 as of the applicable Fiscal Year (in the case of a certification pursuant to Section 23.1(b)(ii)(A)) or the applicable Fiscal Quarter (in the case of a certification pursuant to Section 23.1(b)(ii)(B)).

ARTICLE XXIV

LANDLORD'S RIGHT TO INSPECT

Upon reasonable advance written notice to Tenant, Tenant shall permit Landlord and its authorized representatives (including any Fee Mortgagee and its representatives) to inspect the Leased Property or any portion thereof during reasonable times (or at such time and with such notice as shall be reasonable in the case of an emergency) (and Tenant shall be permitted to have any such representatives of Landlord accompanied by a representative of Tenant). Landlord shall take reasonable care to minimize disturbance of the operations on the applicable portion of the Leased Property.

ARTICLE XXV

NO WAIVER

No delay, omission or failure by Landlord to insist upon the strict performance of any term hereof or to exercise any right, power or remedy hereunder and no acceptance of full or partial payment of Rent during the continuance of any default or Tenant Event of Default shall impair any such right or constitute a waiver of any such breach or of any such term. No waiver of any breach shall affect or alter this Lease, which shall continue in full force and effect with respect to any other then existing or subsequent breach.

ARTICLE XXVI

REMEDIES CUMULATIVE

To the extent permitted by law, each legal, equitable or contractual right, power and remedy of Landlord now or hereafter provided either in this Lease or by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power and remedy and the exercise or beginning of the exercise by Landlord of any one or more of such rights, powers and remedies shall not preclude the simultaneous or subsequent exercise by Landlord of any or all of such other rights, powers and remedies.

ARTICLE XXVII

ACCEPTANCE OF SURRENDER

No surrender to Landlord of this Lease or of the Leased Property or any part thereof, or of any interest therein, shall be valid or effective unless agreed to and accepted in writing by Landlord, and no act by Landlord or any representative or agent of Landlord, other than such a written acceptance by Landlord, shall constitute an acceptance of any such surrender.

ARTICLE XXVIII

NO MERGER

There shall be no merger of this Lease or of the Leasehold Estate created hereby by reason of the fact that the same Person may acquire, own or hold, directly or indirectly, (i) this Lease or the Leasehold Estate created hereby or any interest in this Lease or such Leasehold Estate, and (ii) the fee estate in the Leased Property or any portion thereof. If Landlord or any Affiliate of Landlord shall purchase any fee or other interest in the Leased Property or any portion thereof that is superior to the interest of Landlord, then the estate of Landlord and such superior interest shall not merge.

ARTICLE XXIX

INTENTIONALLY OMITTED

ARTICLE XXX

QUIET ENJOYMENT

So long as no Tenant Event of Default shall have occurred and is continuing, Tenant shall peaceably and quietly have, hold and enjoy the Leased Property for the Term, free of any claim or other action by Landlord or anyone claiming by, through or under Landlord, but subject (i) to the provisions, terms and conditions of this Lease, and (ii) to all liens and encumbrances existing as of (x) the Commencement Date with respect to the Original Facilities, (y) the Fourth Amendment Date with respect to the Rocky Gap Facility, or (z) the Fifth Amendment Date with respect to the Alberta Facilities, or thereafter as provided for in this Lease or consented to by Tenant. No failure by Landlord to comply with the foregoing covenant shall give Tenant any right to cancel or

terminate this Lease or abate, reduce or make a deduction from or offset against the Rent or any other sum payable under this Lease, or to fail to perform any other obligation of Tenant hereunder. Notwithstanding the foregoing, Tenant shall have the right, by separate and independent action to pursue any claim it may have against Landlord as a result of a breach by Landlord of the covenant of quiet enjoyment contained in this Article XXX.

ARTICLE XXXI

LANDLORD FINANCING

31.1 Landlord's Financing.

(a) Without the consent of Tenant, Landlord may from time to time, directly or indirectly, create or otherwise cause to exist any Fee Mortgage upon the Leased Property or any portion thereof or interest therein (or upon interests in Landlord which are pledged pursuant to a mezzanine loan or similar financing arrangement). This Lease is and at all times shall be subordinate to any Fee Mortgage which may hereafter affect the Leased Property or any portion thereof or interest therein and in each case to all renewals, modifications, consolidations, replacements, restatements and extensions thereof or any parts or portions thereof; provided, however, that the subordination of this Lease and Tenant's leasehold interest hereunder to any Fee Mortgage, shall be conditioned only upon the execution and delivery to Tenant by the respective Fee Mortgagee of a commercially reasonable subordination, nondisturbance and attornment agreement that is reasonably acceptable to Tenant and Landlord, which will bind Tenant and such Fee Mortgagee and its successors and assigns as well as any Person who acquires any portion of the Leased Property in a foreclosure or similar proceeding or in a transfer in lieu of any such foreclosure or a successor owner of the Leased Property (each, a "Foreclosure Purchaser") and which shall provide, among other things, that so long as there is no outstanding and continuing Tenant Event of Default under this Lease (or, if there is a continuing Tenant Event of Default, subject to the rights granted to a Permitted Leasehold Mortgagee as expressly set forth in this Lease), the holder of such Fee Mortgage and any Foreclosure Purchaser shall not disturb Tenant's leasehold interest or possession of the Leased Property, subject to and in accordance with the terms hereof, and shall give effect to this Lease, including, but not limited to, the provisions of Article XVII which benefit any Permitted Leasehold Mortgagee (as if such Fee Mortgagee or Foreclosure Purchaser were the landlord under this Lease (it being understood that if a Tenant Event of Default has occurred and is continuing at such time, such parties shall be subject to the terms and provisions hereof concerning the exercise of rights and remedies upon such Tenant Event of Default including the provisions of Articles XVI and XVII). In connection with the foregoing and at the request of Landlord, Tenant shall promptly execute a subordination, nondisturbance and attornment agreement that contains commercially reasonable provisions, terms and conditions and that is reasonably acceptable to Tenant and Landlord, in all events complying with this Section 31.1 (it being understood that a subordination, non-disturbance and attornment agreement substantially in the form annexed hereto as Exhibit K shall be deemed to satisfy this Section).

(b) If, in connection with obtaining any Fee Mortgage or entering into any agreement relating thereto, Landlord shall request in writing (i) reasonable cooperation from Tenant, or (ii) reasonable amendments or modifications to this Lease, in each case required to comply with any reasonable request made by Fee Mortgagee, Tenant shall reasonably cooperate

with such request, so long as (I) no default in any material respect by Landlord beyond applicable cure periods is continuing, (II) all reasonable documented out-of-pocket costs and expenses incurred by Tenant in connection with such cooperation, including, but not limited to, its reasonable documented attorneys' fees, shall be paid by Landlord, and (III) any requested action, including any amendments or modification of this Lease, shall not (a) increase Tenant's monetary obligations under this Lease by more than a de minimis extent, (b) increase Tenant's non-monetary obligations under this Lease in any material respect or decrease Landlord's obligations in any material respect, or (c) diminish Tenant's rights under this Lease in any material respect. The foregoing is not intended to vitiate or supersede the provisions, terms and conditions of Section 31.1(a) hereof.

31.2 Attornment. If either (a) Landlord's interest in the Leased Property or any portion thereof or interest therein is sold, conveyed or terminated upon the exercise of any remedy provided for in any Fee Mortgage Documents (or in lieu of such exercise), or (b) equity interests in Landlord are sold or conveyed upon the exercise of any remedy provided for in any Fee Mortgage Documents (or in lieu of such exercise), or otherwise by operation of law, then, at the request and option of the new owner or superior lessor, as the case may be, Tenant shall attorn to and recognize the new owner or superior lessor as Tenant's "landlord" under, and on the terms and conditions set forth, in this Lease. Tenant shall take such actions to confirm the foregoing within ten (10) Business Days after request and the new owner or superior lessor shall not be (i) liable for any act or omission of Landlord under this Lease occurring prior to such sale, conveyance or termination; (ii) subject to any offset, abatement or reduction of rent because of any default of Landlord under this Lease occurring prior to such sale, conveyance or termination; (iii) bound by any previous modification or amendment to this Lease or any previous prepayment of more than one month's rent, unless such modification, amendment or prepayment shall have been approved in writing by such Fee Mortgagee (to the extent such approval was required at the time of such amendment or modification or prepayment under the terms of the applicable Fee Mortgage Documents) or, in the case of such prepayment, such prepayment of rent has actually been delivered to such new owner or superior lessor or in either case, such modification, amendment or prepayment occurred before Landlord provided Tenant with notice of the Fee Mortgage and the identity and address of the Fee Mortgagee; or (iv) liable for any security deposit or other collateral deposited or delivered to Landlord pursuant to this Lease unless such security deposit or other collateral has actually been delivered to such new owner or superior lessor.

31.3 Compliance with Fee Mortgage Documents.

(a) Tenant acknowledges that any Fee Mortgage Documents executed by Landlord or any Affiliate of Landlord may impose certain obligations on the "borrower" or other counterparty thereunder to comply with or cause the operator and/or tenant of the Leased Property to comply with all representations, covenants and warranties contained therein relating to the Leased Property and the operator and/or tenant of the Leased Property, including, without limitation, covenants relating to (i) the maintenance and repair of the Leased Property; (ii) maintenance and submission of financial records and accounts of the operation of the Leased Property and related financial and other information regarding the operator and/or tenant of the Leased Property and the Leased Property itself and other portions of the Facilities; (iii) the procurement of insurance policies with respect to the Leased Property; and (iv) without limiting the foregoing, compliance with all applicable Legal Requirements relating to the Leased Property

and the operation of the business thereon or therein (collectively, the “Additional Fee Mortgagee Requirements”). For so long as any Fee Mortgage encumbers the Leased Property or any portion thereof or interest therein, Tenant covenants and agrees, at its sole cost and expense and for the express benefit of Landlord, to operate the Leased Property in strict compliance with the terms and conditions of the Fee Mortgage Documents (other than payment of any indebtedness evidenced or secured thereby) and to timely perform all of the obligations of Landlord relating thereto, or to the extent that any of such duties and obligations may not properly be performed by Tenant, Tenant shall cooperate with and assist Landlord in the performance thereof (other than payment of any indebtedness evidenced or secured thereby); provided, however, notwithstanding the foregoing, this Section 31.3(a) shall not be deemed to, and shall not, impose on Tenant obligations which (i) increase Tenant’s monetary obligations under this Lease, (ii) adversely increase Tenant’s non-monetary obligations under this Lease in any material respect, or (iii) diminish Tenant’s rights under this Lease in any material respect. For purposes of the foregoing, any proposed implementation of new financial covenants shall be deemed to diminish Tenant’s rights under this Lease in a material respect (it being understood that Landlord may agree to such financial covenants in any Fee Mortgage Documents and such financial covenants will not impose obligations on Tenant). If any new Fee Mortgage Documents to be executed by Landlord or any Affiliate of Landlord would impose on Tenant any obligations under this Section 31.3(a), Landlord shall provide copies of the same to Tenant for informational purposes (but not for Tenant’s approval) prior to the execution and delivery thereof by Landlord or any Affiliate of Landlord; provided, however, that neither Landlord nor its Affiliates shall enter into any new Fee Mortgage Documents imposing obligations on Tenant with respect to impounds that are more restrictive than obligations imposed on Tenant pursuant to this Lease.

(b) Without limiting or expanding Tenant’s obligations pursuant to Section 31.3(a), during the Term of this Lease, Tenant acknowledges and agrees that, except as expressly provided elsewhere in this Lease, it shall undertake at its own cost and expense the performance of any and all repairs, replacements, capital improvements, maintenance items and all other requirements relating to the condition of the Leased Property that are required by any Fee Mortgage Documents or by Fee Mortgagee, and Tenant shall be solely responsible and hereby covenants to fund and maintain any and all impound, escrow or other reserve or similar accounts required under any Fee Mortgage Documents as security for or otherwise relating to any operating expenses of the Leased Property, including any capital repair or replacement reserves and/or impounds or escrow accounts for taxes or insurance premiums (each a “Leased Property Mortgage Reserve Account”); provided, however, this Section 31.3(b) shall not (i) increase Tenant’s monetary obligations under this Lease, (ii) adversely increase Tenant’s non-monetary obligations under this Lease in any material respect, (iii) diminish Tenant’s rights under this Lease in any material respect, or (iv) impose obligations to fund such reserve or similar accounts in excess of amounts required under this Lease in respect of reserve or similar accounts under the circumstances required under this Lease. During the Term of this Lease and provided that no Tenant Event of Default shall have occurred and is continuing hereunder, Tenant shall, subject to the terms and conditions of such Leased Property Mortgage Reserve Account and the requirements of the Fee Mortgagee(s) thereunder (and the related Fee Mortgage Documents), have access to and the right to apply or use (including for reimbursement) to the same extent as Landlord all monies held in each such Leased Property Mortgage Reserve Account for the purposes and subject to the limitations for which such Leased Property Mortgage Reserve Account is maintained, and Landlord agrees to reasonably cooperate with Tenant in connection therewith. Landlord hereby

acknowledges that funds deposited by Tenant in any Leased Property Mortgage Reserve Account are the property of Tenant and Landlord is obligated to return the portion of such funds not previously released to Tenant within fifteen (15) days following the earlier of (x) the expiration or earlier termination of this Lease, (y) the maturity or earlier prepayment of the applicable Fee Mortgage and obligations secured thereby, or (z) an involuntary prepayment or deemed prepayment arising out of the acceleration of the amounts due to a Fee Mortgage or secured under a Fee Mortgage as a result of the exercise of remedies under the applicable Fee Mortgage or Fee Mortgage Documents; provided, however, that the foregoing shall not be deemed or construed to limit or prohibit Landlord's right to bring any damage claim against Tenant for any breach of its obligations under this Lease that may have resulted in the loss of any impound funds held by a Fee Mortgagee.

(c) In the event Tenant breaches its obligations to comply with Additional Fee Mortgage Requirements as described herein (without regard to any notice or cure period under the Fee Mortgage Documents and without regard to whether a default or event of default has occurred as a result thereof under the Fee Mortgage Documents), Landlord shall have the right, without limitation of Landlord's other rights and remedies, following the failure of Tenant to cure such breach within twenty (20) days from receipt of written notice to Tenant from Landlord of such breach (except to the extent the breach is of a nature such that it is not practicable for Landlord to provide such prior written notice, in which event Landlord shall provide written notice as soon as practicable), to cure such breach, in which event Tenant shall reimburse Landlord for Landlord's reasonable costs and expenses incurred in connection with curing such breach.

ARTICLE XXXII

ENVIRONMENTAL COMPLIANCE

32.1 Hazardous Substances. During the Term, Tenant shall not allow any Hazardous Substance to be released, disposed of, or located in, on, under or about the Leased Property or any portion thereof or incorporated into any Facility; provided however that Hazardous Substances may be brought, kept, used or disposed of in, on or about the Leased Property in the ordinary course of business (including construction and maintenance of the Leased Property) but only to the extent the same are brought, kept, used and disposed of in strict compliance with Legal Requirements. Tenant shall not allow the Leased Property or any portion thereof to be used as a waste disposal site or for the manufacturing, handling, storage, distribution and/or disposal of any Hazardous Substance.

32.2 Notices. Each of Landlord and Tenant shall provide to the other party, as soon as reasonably practicable but in no event later than fifteen (15) days after Tenant's or Landlord's receipt thereof, a copy of any notice, notification or request for information with respect to, (i) any violation of a Legal Requirement (other than Gaming Regulations) relating to, or release of, Hazardous Substances located in, on, under, or migrating from the Leased Property or any portion thereof or any adjacent property; (ii) any enforcement, cleanup, removal, or other governmental or regulatory action instituted, completed or threatened in writing with respect to the Leased Property or any portion thereof; (iii) any material claim made or threatened in writing by any Person against Tenant, Landlord or the Leased Property or any portion thereof relating to damage, contribution, cost recovery, compensation, loss, or injury resulting from or claimed to result from any Hazardous

Substance; (iv) a release of any Hazardous Substances which could reasonably be expected to result in a claim of liability under, or violation of, Environmental Laws, and (v) any reports made to any federal, state or local environmental agency arising out of or in connection with any Hazardous Substance in, on, under or removed from the Leased Property or any portion thereof, including any written complaints, notices, warnings or assertions of violations in connection.

32.3 Remediation. If either Landlord or Tenant become aware of (i) a violation of any Legal Requirement (other than Gaming Regulations) or (ii) a condition which could reasonably be expected to give rise to liability to either party under Environmental Laws, relating to any Hazardous Substance in, on, under or migrating from the Leased Property or any portion thereof or any adjacent property, or if Tenant, Landlord or the Leased Property or any portion thereof becomes subject to any order of any federal, state or local agency to repair, close, detoxify, decontaminate or otherwise remediate the Leased Property, Landlord or Tenant, as applicable, shall promptly notify the other Party of such event and, subject to Section 32.5 below, at Tenant's sole cost and expense, Tenant shall cure such violation or effect such repair, closure, detoxification, decontamination or other remediation. If Tenant fails to diligently pursue, implement and complete any such cure, repair, closure, detoxification, decontamination or other remediation, which failure continues after notice and expiration of applicable cure periods, Landlord shall have the right, but not the obligation, to carry out such action and, subject to Section 32.5, to recover from Tenant all of Landlord's costs and expenses incurred in connection therewith.

32.4 Indemnity. Tenant shall indemnify, defend, protect, save, hold harmless, and reimburse Landlord (or any Affiliate of Landlord) for, from and against any and all actual out-of-pocket costs, losses (including, losses of use or economic benefit or diminution in value), liabilities, damages, assessments, lawsuits, deficiencies, demands, claims and expenses (collectively, "Environmental Costs") (whether or not arising out of third-party claims and regardless of whether liability without fault is imposed, or sought to be imposed, on Landlord (or any such Affiliate)) incurred in connection with, arising out of, resulting from or incident to, directly or indirectly, in each case (x) (subject to Section 32.5 solely with respect to the US Facilities) before or (y) during (but not if first occurring after, except with respect to any period of time in which Tenant and/or its Affiliates were in possession of the Leased Property) the Term (i) the production, use, generation, storage, treatment, transporting, disposal, discharge, release or other handling or disposition of any Hazardous Substances from, in, on or under the Leased Property or any portion thereof (collectively, "Handling"), including the effects of such Handling of any Hazardous Substances on any Person or property within or outside the boundaries of the Leased Property, (ii) the presence of any Hazardous Substances in, on, under or migrating from the Leased Property and (iii) the violation of any Environmental Law. "Environmental Costs" include interest, costs of response, removal, remedial action, containment, cleanup, investigation, design, engineering and construction, damages (including actual and consequential damages) for personal injuries and for injury to, destruction of or loss of property or natural resources, relocation or replacement costs, penalties, fines, charges or expenses, reasonable attorney's fees, reasonable expert fees, reasonable consultation fees, and court costs, and all amounts paid in investigating, defending or settling any of the foregoing, as applicable. Tenant's indemnity hereunder shall survive the termination of this Lease, but in no event shall Tenant's indemnity apply to Environmental Costs incurred in connection with, arising out of, resulting from or incident to matters first occurring (a) solely with respect to the US Facilities (subject to Section 32.5), before the Term or (b) after the later of (x) the end of the Term and (y) the date upon which Tenant shall

have vacated the Leased Property and surrendered the same to Landlord, in each case to the extent such matters are not or were not caused by the acts or omissions of Tenant in breach of this Lease.

Without limiting the scope or generality of the foregoing, Tenant expressly agrees that, in the event of a breach by Tenant in its obligations under Sections 32.1 through 32.3 that is not cured within any applicable cure period, such breach shall be a Tenant Event of Default hereunder. Tenant shall reimburse Landlord for any and all reasonable costs and expenses incurred by Landlord in connection with, arising out of, resulting from or incident to (directly or indirectly, (x) (subject to Section 32.5 solely with respect to the US Facilities), before, or (y) during (but not if the cause is first occurring after, except with respect to any period of time in which Tenant and/or its Affiliates were in possession of the Leased Property) the Term) the following:

(a) investigating any and all matters relating to the Handling or release of any Hazardous Substances, in, on, from or under the Leased Property or any portion thereof;

(b) bringing the Leased Property into compliance with all Legal Requirements,
and

(c) removing, treating, storing, transporting, cleaning-up and/or disposing of any Hazardous Substances used, stored, generated, released or disposed of in, on, from, under or about the Leased Property or off-site other than in the ordinary course of the business conducted at the Leased Property and in compliance with applicable Legal Requirements.

If any claim is made by Landlord for reimbursement for Environmental Costs incurred by it hereunder, Tenant agrees to pay such claim promptly, and in any event to pay such claim within sixty (60) days after receipt by Tenant of written notice thereof and any amount not so paid within such sixty (60) day period shall bear interest at the Overdue Rate from the date due to the date paid in full.

32.5 Pre-Existing Environmental Conditions.

(a) [***].

(b) NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS LEASE, AND WITHOUT LIMITATION OF ANY OTHER APPLICABLE PROVISIONS, TERMS AND CONDITIONS OF THIS LEASE, TENANT ACKNOWLEDGES AND AGREES THAT, (i) THIS LEASE AND THE LEASEHOLD ESTATE ARE SUBJECT TO AN ENVIRONMENTAL COVENANT, DATED OCTOBER 2, 2012, RECORDED IN THE OFFICE OF THE RECORDER OF DEEDS OF CAPE GIRARDEAU COUNTY, MISSOURI, ON OCTOBER 19, 2012 AS DOCUMENT NO. 2012-13239 (THE “SPECIFIED ENVIRONMENTAL COVENANT”), AND (ii) WITHIN TEN (10) DAYS AFTER THE COMMENCEMENT DATE, TENANT SHALL DELIVER TO THE MISSOURI DEPARTMENT OF NATURAL RESOURCES (WITH A COPY TO LANDLORD) NOTICE OF THIS LEASE IN ACCORDANCE WITH THE TERMS SET FORTH IN THE SPECIFIED ENVIRONMENTAL COVENANT.

32.6 Environmental Inspections. In the event Landlord has a reasonable basis to believe that Tenant is in breach of its obligations under Sections 32.1 through 32.5, Landlord shall

have the right, from time to time, during normal business hours and upon not less than five (5) Business Days written notice to Tenant (except in the case of an emergency that constitutes an imminent threat to human health or safety or damage to property, in which event Landlord shall undertake reasonable efforts to notify a representative of Tenant as soon as practicable under the circumstances), to conduct an inspection of the Leased Property or any portion thereof (and Tenant shall be permitted to have Landlord or its representatives accompanied by a representative of Tenant) to determine the existence or presence of Hazardous Substances on or about the Leased Property or any portion thereof. In the event Landlord has a reasonable basis to believe that Tenant is in breach of its obligations under Sections 32.1 through 32.5, Landlord shall have the right to enter and inspect the Leased Property or any portion thereof, conduct any testing, sampling and analyses it reasonably deems necessary and shall have the right to inspect materials brought into the Leased Property or any portion thereof. Landlord may, in its discretion, retain such experts to conduct the inspection, perform the tests referred to herein, and to prepare a written report in connection therewith if Landlord has a reasonable basis to believe that Tenant is in breach of its obligations under Sections 32.1 through 32.5. All costs and expenses incurred by Landlord under this Section 32.6 shall be the responsibility of Landlord, except solely to the extent Tenant has breached its obligations under Sections 32.1 through 32.6, in which event such reasonable costs and expenses shall be paid by Tenant to Landlord as provided in Sections 32.5. Failure to conduct an environmental inspection or to detect unfavorable conditions if such inspection is conducted shall in no fashion constitute a release of any liability for environmental conditions subsequently determined to be associated with or to have occurred during Tenant's tenancy. Tenant shall remain liable for any environmental condition related to or having occurred during its tenancy regardless of when such conditions are discovered and regardless of whether or not Landlord conducts an environmental inspection at the termination of this Lease. The obligations set forth in this Article XXXII shall survive the expiration or earlier termination of this Lease but in no event shall Article XXXII apply to matters first occurring after the later of (x) the end of the Term and (y) the date upon which Tenant shall have vacated the Leased Property and surrendered the same to Landlord, in each case to the extent such matters are not or were not caused by the acts or omissions of Tenant in breach of this Lease.

ARTICLE XXXIII

MEMORANDUM OF LEASE

Landlord and Tenant shall enter into, with respect to the US Facilities, one or more short form memoranda of this Lease in the form attached hereto as Schedule 5. In the case of the Rocky Gap Facility, the applicable Memorandum of Lease shall include clear language that this Lease is subject to the RG Ground Lease. With respect to the Alberta Facilities, neither Tenant nor anyone on Tenant's behalf or claiming under Tenant shall register this Lease in whole or in part or any assignment or Sublease of this Lease against the titles to the Alberta Leased Property, but may register a caveat with respect thereto; provided that Tenant shall have obtained Landlord's prior written approval to the wording of the caveat, acting reasonably. Each Party shall bear its own costs in negotiating and finalizing such memoranda or caveat, but Tenant shall pay all costs and expenses of recording any such memorandum and/or registering such caveat and shall fully

cooperate with Landlord in removing from record or title any such memorandum or caveat upon the Expiration Date.

ARTICLE XXXIV

DISPUTE RESOLUTION

34.1 Expert Valuation Process. Whenever a determination of Fair Market Ownership Value or Fair Market Rental Value is required pursuant to any provision of this Lease, and where Landlord and Tenant have not been able to reach agreement on such Fair Market Ownership Value or Fair Market Rental Value either (i) with respect to Fair Market Rental Value applicable to a Renewal Term, within three hundred seventy (370) days prior to the commencement date of a Renewal Term, or (ii) for all other purposes, after at least fifteen (15) days of good faith negotiations, then either Party shall each have the right to seek, upon written notice to the other Party (the "Expert Valuation Notice"), which notice clearly identifies that such Party seeks, to have such Fair Market Ownership Value or Fair Market Rental Value determined in accordance with the following expert valuation process:

(a) Within twenty (20) days of the receiving Party's receipt of the Expert Valuation Notice, Landlord and Tenant shall provide notice to the other Party of the name, address and other pertinent contact information, and qualifications of its selected appraiser (which appraiser must be an independent qualified MAI appraiser (i.e., a Member of the Appraisal Institute)).

(b) As soon as practicable following such notice, and in any event within twenty (20) days following their selection, each appraiser shall prepare a written appraisal of Fair Market Ownership Value or Fair Market Rental Value (as the case may be) as of the relevant date of valuation, and deliver the same to its respective client. As soon as practicable thereafter, representatives of the Parties shall meet and simultaneously exchange copies of such appraisals. Following such exchange, the appraisers shall promptly meet and endeavor to agree upon Fair Market Ownership Value or Fair Market Rental Value (as the case may be) based on a written appraisal made by each of them (and given to Landlord by Tenant). If such two (2) appraisers shall agree upon a Fair Market Ownership Value or Fair Market Rental Value, as applicable, such agreed amount shall be binding and conclusive upon Landlord and Tenant.

(c) If such two (2) appraisers are unable to agree upon a Fair Market Ownership Value or Fair Market Rental Value (as the case may be) within five (5) Business Days after the exchange of appraisals as aforesaid, then such appraisers shall advise Landlord and Tenant of the same and, within twenty (20) days of the exchange of appraisals, select a third (3rd) appraiser (which third (3rd) appraiser, however selected, must be an independent qualified MAI appraiser) to make the determination of Fair Market Ownership Value or Fair Market Rental Value. The selection of the third (3rd) appraiser shall be binding and conclusive upon Landlord and Tenant.

(d) If such two (2) appraisers shall be unable to agree upon the designation of a third (3rd) appraiser within the twenty (20) day period referred to in clause (c) above, or if such third (3rd) appraiser does not make a determination of Fair Market Ownership Value or Fair Market Rental Value (as the case may be) within thirty (30) days after his or her selection, then such third

(3rd) appraiser (or a substituted third (3rd) appraiser, as applicable) shall, at the request of either Party, be appointed by the Appointing Authority and such appointment shall be final and binding on Landlord and Tenant. The determination of Fair Market Ownership Value or Fair Market Rental Value (as the case may be) made by the third (3rd) appraiser appointed pursuant hereto shall be made within twenty (20) days after such appointment.

(e) If a third (3rd) appraiser is selected, Fair Market Ownership Value or Fair Market Rental Value (as the case may be) shall be the average of (x) the determination of Fair Market Ownership Value or Fair Market Rental Value (as the case may be) made by the third (3rd) appraiser, and (y) the determination of Fair Market Ownership Value or Fair Market Rental Value (as the case may be) made by the appraiser (selected pursuant to Section 34.1(b)) whose determination of Fair Market Ownership Value or Fair Market Rental Value (as the case may be) is nearest to that of the third (3rd) appraiser. Such average shall be binding and conclusive upon Landlord and Tenant as being the Fair Market Ownership Value or Fair Market Rental Value (as the case may be).

(f) In determining Fair Market Ownership Value of the Leased Property as a whole or any Facility, the appraisers shall (in addition to taking into account the criteria set forth in the definition of Fair Market Ownership Value), add (i) the present value of the US Facilities Rent or Alberta Facilities Rent, as applicable, for the remaining Term, assuming the Term has been extended for all Renewal Terms provided herein (with assumed increases in the CPI or CA CPI, as applicable, to be determined by the appraisers) using a discount rate (which may be determined by an investment banker retained by each appraiser) based on the credit worthiness of Tenant and any guarantor of Tenant's obligations hereunder, and (ii) the present value of the Leased Property as of the end of such Term (having assumed the Term has been extended for all extension periods provided herein). The appraisers shall further assume that no default then exists under this Lease, that Tenant has complied (and will comply) with all provisions of this Lease, and that no default exists under any guaranty of Tenant's obligations hereunder.

(g) In determining Fair Market Rental Value, the appraisers shall (in addition to the criteria set forth in the definition thereof) take into account: (i) the age, quality and condition (as required by this Lease) of the Improvements; (ii) that the Leased Property will be leased as a whole or substantially as a whole to a single user; (iii) when determining the Fair Market Rental Value for any Renewal Term, a lease term of five (5) years together with such options to renew as then remains hereunder; (iv) an absolute triple net lease; and (v) such other items that professional real estate appraisers customarily consider.

(h) If, by virtue of any delay, Fair Market Rental Value is not determined by the first (1st) day of the applicable Renewal Term, then until Fair Market Rental Value is determined, Tenant shall continue to pay Rent during the succeeding Renewal Term in the same amount which Tenant was obligated to pay prior to the commencement of the Renewal Term. Upon determination of Fair Market Rental Value, Rent shall be calculated retroactive to the commencement of the Renewal Term and Tenant shall either receive a refund from Landlord (in the case of an overpayment) or shall pay any deficiency to Landlord (in the case of an underpayment) within thirty (30) days of the date on which the determination of Fair Market Rental Value becomes binding.

(i) The cost of the procedure described in this Section 34.1 shall be borne equally by the Parties and the Parties will reasonably coordinate payment; provided that if Landlord pays such costs, fifty percent (50%) of such costs shall be Additional Charges hereunder and if Tenant pays such costs, fifty percent (50%) of such costs shall be a credit against the next Rent payment hereunder.

34.2 Arbitration. In the event of a dispute with respect to this Lease pursuant to an Arbitration Provision, or in any case when this Lease expressly provides for the settlement or determination of a dispute or question by an Expert pursuant to this Section 34.2 (in any such case, a “Section 34.2 Dispute”) such Section 34.2 Dispute shall be determined in accordance with an arbitration proceeding as set forth in this Section 34.2.

(a) Any Section 34.2 Dispute shall be determined by an arbitration panel comprised of three (3) members, each of whom shall be an Expert (the “Arbitration Panel”). No more than one (1) panel member may be with the same firm and no panel member may have an economic interest in the outcome of the arbitration.

(b) The Arbitration Panel shall be selected as set forth in this Section 34.2(b). If a Section 34.2 Dispute arises and if Landlord and Tenant are not able to resolve such dispute after at least fifteen (15) days of good faith negotiations, then either Party shall each have the right to submit the dispute to the Arbitration Panel, upon written notice to the other Party (the “Arbitration Notice”). The Arbitration Notice shall identify one (1) member of the Arbitration Panel who meets the criteria of subsection (a) above. Within five (5) Business Days after the receipt of the Arbitration Notice, the Party receiving such Arbitration Notice shall respond in writing identifying one (1) member of the Arbitration Panel who meets the criteria of subsection (a) above. Such notices shall include the name, address and other pertinent contact information, and qualifications of its member of the Arbitration Panel. If a Party fails to timely select its respective panel member, the other Party may notify such Party in writing of such failure, and if such Party fails to select its respective panel member within three (3) Business Days after receipt of such notice, then such other Party may select and identify to such Party such panel member on such Party’s behalf. The third (3rd) member of the Arbitration Panel will be selected by the two (2) members of the Arbitration Panel who were selected by Landlord and Tenant; provided, that if, within five (5) Business Days after they are identified, they fail to select a third (3rd) member, or if they are unable to agree on such selection, Landlord and Tenant shall cause the third (3rd) member of the Arbitration Panel to be appointed by the managing officer of the American Arbitration Association.

(c) Within ten (10) Business Days after the selection of the Arbitration Panel, Landlord and Tenant each shall submit to the Arbitration Panel a written statement identifying its summary of the issues. Landlord and Tenant may also request an evidentiary hearing on the merits in addition to the submission of written statements. The Arbitration Panel shall make its decision within twenty (20) days after the later of (i) the submission of such written statements, and (ii) the conclusion of any evidentiary hearing on the merits. The Arbitration Panel shall reach its decision by majority vote and shall communicate its decision by written notice to Landlord and Tenant.

(d) The decision by the Arbitration Panel shall be final, binding and conclusive and shall be non-appealable and enforceable in any court having jurisdiction. All hearings and

proceedings held by the Arbitration Panel shall take place in New York, New York unless otherwise mutually agreed by the Parties and the Arbitration Panel.

(e) The resolution procedure described herein shall be governed by the Commercial Rules of the American Arbitration Association and the Procedures for Large, Complex, Commercial Disputes in effect as of the Commencement Date.

(f) Landlord and Tenant shall bear equally the fees, costs and expenses of the Arbitration Panel in conducting any arbitration described in this Section 34.2.

END OF TERM SUCCESSOR ASSET TRANSFER

36.1 Transfer of Tenant's Property and Operational Control of the Leased Property. Upon the written notice (an "End of Term Asset Transfer Notice") of Landlord in connection with the expiration of this Lease on the Stated Expiration Date or the earlier termination of the Term pursuant to applicable law or as provided in this Lease, or of Tenant in connection with a termination of this Lease that occurs (i) on the Stated Expiration Date, or (ii) in the event Landlord exercises its right to terminate this Lease or repossess the Leased Property in accordance with the terms of this Lease, Tenant shall transfer (or cause to be transferred) upon the expiration or termination of the Term, or as soon thereafter as Landlord shall request, the business operations conducted by Tenant and its Subsidiaries at each of the Facilities (including, for the avoidance of doubt, all Tenant's Property relating to each of the Facilities other than Property Specific IP but including Property Specific Guest Data and, with respect to the Alberta Facilities, the AGLC/WCLC Equipment subject to the last sentence of Section 36.2) (collectively the "Successor Assets") to a successor lessee or operator (or lessees or operators) of the Facilities (collectively, the "Successor Tenant") designated pursuant to Section 36.2 for consideration to be received by Tenant (or its Subsidiaries) from the Successor Tenant in an amount equal to the fair market value of the Successor Assets as negotiated and agreed by Tenant and the Successor Tenant or, if applicable, determined pursuant to Section 36.2 (the "Successor Assets FMV"); provided, however, that in the event an End of Term Asset Transfer Notice is delivered hereunder, then notwithstanding the expiration or earlier termination of the Term, until such time that Tenant transfers the Successor Assets to a Successor Tenant, Tenant shall (or shall cause its Subsidiaries, if applicable, to) continue to possess and operate the Facility (and Landlord shall permit Tenant to maintain possession of the Leased Property (including, if necessary, by means of a written extension of this Lease or license agreement or other written agreement) to the extent necessary to operate the Facility) in accordance with the applicable terms of this Lease and the course and manner in which Tenant (or its Subsidiaries) has operated the Facility prior to the end of the Term (including, but not limited to, the payment of Rent hereunder) which shall be calculated as provided in this Lease, except, that for any period following the last day of the calendar month in which the thirty-fifth (35th) anniversary of the Fifth Amendment Date occurs, (x) the US Facilities Rent shall be a per annum amount equal to the amount of the US Facilities Rent hereunder during the Lease Year in which the Expiration Date occurs, multiplied by the Escalator, and increased on each anniversary of the Expiration Date to be equal to the US Facilities Rent payable for the immediately preceding year, multiplied by the Escalator and (y) the Alberta Facilities Rent shall be a per annum amount equal to the amount of the Alberta Facilities Rent hereunder during the Lease Year in which the Expiration Date occurs, multiplied by the Alberta Escalator, and increased on each anniversary of the Expiration Date to be equal to Alberta Facilities Rent payable for the immediately preceding year, multiplied by the Alberta Escalator (the period described in this proviso, the "Transition Period"). If Tenant and a designated Successor Tenant designated by Landlord cannot agree on the Successor Assets FMV within a reasonable time not to exceed thirty (30) days after receipt of an End of Term Asset Transfer Notice hereunder, then such Successor Assets FMV shall be determined, and Tenant's transfer of the Successor Assets to a Successor Tenant in consideration for a payment in such amount shall be determined and transferred, in accordance with the provisions of Section 36.2.

36.2 Determination of Successor Tenant and Successor Assets FMV. If not effected pursuant to Section 36.1, then the determination of the Successor Assets FMV and the transfer of the Successor Assets to a Successor Tenant in consideration for the Successor Assets FMV shall be effected by (i) first, determining in accordance with this Section 36.2(a) the rent that Landlord would be entitled to receive from Successor Tenant assuming a lease term of the greater of (I) the remaining term of this Lease (assuming that this Lease will not have terminated prior to its natural expiration at the end of the final Renewal Term), and (II) the lesser of (x) ten (10) years and (y) eighty percent (80%) of the then remaining useful life of the Leased Property (the “Successor Tenant Rent”), pursuant to a lease agreement containing substantially the same terms and conditions of this Lease (other than, in the case of a new lease at the end of the final Renewal Term, the terms of this Article XXXVI, which will not be included in such new lease), (ii) second, identifying and designating in accordance with the terms of Section 36.2(b), a pool of qualified potential Successor Tenants (each, a “Qualified Successor Tenant”) prepared to lease the Facilities at the Successor Tenant Rent and to bid for the Successor Assets, and (iii) third, in accordance with the terms of Section 36.2(c), determining the highest price a Qualified Successor Tenant would agree to pay for Successor Assets and setting such highest price as the Successor Assets FMV in exchange for which Tenant shall be required to transfer the Successor Assets and Landlord will enter into a lease with such Qualified Successor Tenant on substantially the same terms and conditions of this Lease (other than, in the case of a new lease at the end of the final Renewal Term, the terms of this Article XXXVI, which will not be included in such new lease) with a term equal to the greater of (I) the remaining term of this Lease (assuming that this Lease will not have terminated prior to its natural expiration at the end of the final Renewal Term), and (II) the lesser of (x) ten (10) years and (y) eighty percent (80%) of the then remaining useful life of the Leased Property, for a rent calculated pursuant to this Section 36.2(a). Notwithstanding anything in the contrary in this Article XXXVI, the transfer of the Successor Assets will be conditioned upon the approval of the applicable regulatory agencies (including any applicable Gaming Authority) of the transfer of the Gaming Licenses and any other Gaming assets (including the AGLC/WCLC Equipment) to the Successor Tenant and/or the issuance of new Gaming Licenses as required by applicable Gaming Regulations and the relevant regulatory agencies both with respect to operating and suitability criteria, as the case may be).

(a) Determining Successor Tenant Rent. Landlord and Tenant shall first attempt to agree on the amount of Successor Tenant Rent that Landlord will receive for a term of the greater of (I) the remaining term of this Lease (assuming that this Lease will not have terminated prior to its natural expiration at the end of the final Renewal Term), and (II) the lesser of (x) ten (10) years and (y) eighty percent (80%) of the then remaining useful life of the Leased Property, and pursuant to a lease containing substantially the same terms and conditions of this Lease (other than, in the case of a new lease at the end of the final Renewal Term, the terms of this Article XXXVI, which will not be included in such new lease). If Landlord and Tenant cannot agree on the Successor Tenant Rent amount within a reasonable time not to exceed sixty (60) days after receipt of an End of Term Asset Transfer Notice hereunder, then the Successor Tenant Rent shall be set as follows:

(i) for the period preceding the last day of the calendar month in which the thirty-fifth (35th) anniversary of the Fifth Amendment Date occurs, the annual Successor Tenant Rent shall be an amount equal to the annual Rent that would

have accrued under the terms of this Lease for such period (assuming the Lease will have not been terminated prior to its natural expiration); and

(ii) for the period following the last day of the calendar month in which the thirty-fifth (35th) anniversary of the Fifth Amendment Date occurs, the Successor Tenant Rent shall be calculated in the same manner as Rent is calculated under this Lease (but in no event will the Rent be less than the Rent that would otherwise be payable under this Lease), provided, that for any period following the last day of the calendar month in which the thirty-fifth (35th) anniversary of the Fifth Amendment Date occurs, (x) the US Facilities Rent shall be a per annum amount equal to the amount of the US Facilities Rent hereunder during the Lease Year in which the Expiration Date occurs, multiplied by the Escalator, and increased on each anniversary of the Expiration Date to be equal to the US Facilities Rent payable for the immediately preceding year, multiplied by the Escalator, and (y) the Alberta Facilities Rent shall be a per annum amount equal to the amount of the Alberta Facilities Rent hereunder during the Lease Year in which the Expiration Date occurs, multiplied by the Alberta Escalator, and increased on each anniversary of the Expiration Date to be equal to the Alberta Facilities Rent payable for the immediately preceding year, multiplied by the Alberta Escalator, provided that if Tenant or an Affiliate of Tenant shall be the Successor Tenant, the US Facilities Rent shall not be less than the Fair Market Rental Value of the US Facilities and the Alberta Facilities Rent shall not be less than the Fair Market Rental Value of the Alberta Facilities.

(b) Designating Potential Successor Tenants. Landlord will select one and Tenant will select three (for a total of up to four) potential Qualified Successor Tenants prepared to lease the Facilities for the Successor Tenant Rent, each of whom must meet the criteria established for a Qualified Transferee (and none of whom may be Tenant or an Affiliate of Tenant (it being understood and agreed that there shall be no restriction on Landlord or any Affiliate of Landlord from being a potential Qualified Successor Tenant), except in the case of expiration of the Lease on the last day of the calendar month in which the thirty-fifth (35th) anniversary of the Fifth Amendment Date occurs). Landlord and Tenant must designate their proposed Qualified Successor Tenants within ninety (90) days after receipt of an End of Term Asset Transfer Notice hereunder. In the event that Landlord or Tenant fails to designate such party's allotted number of potential Qualified Successor Tenants, the other party may designate additional potential Qualified Successor Tenants such that the total number of potential Qualified Successor Tenants does not exceed four; provided that, in the event the total number of potential Qualified Successor Tenants is less than four, the transfer process will still proceed as set forth in Section 36.2(c) below.

(c) Determining Successor Assets FMV. Tenant will have a three (3) month period to negotiate an acceptable sales price for the Successor Assets with one of the Qualified Successor Tenants, which three (3) month period will commence immediately upon the conclusion of the steps set forth above in Section 36.2(b). If Tenant does not reach an agreement prior to the end of such three (3) month period, Landlord shall conduct an auction for the Successor Assets among the four potential successor lessees, and Tenant will be required to transfer the Successor Assets to the highest bidder.

36.3 Operation Transfer. Upon designation of a Successor Tenant (pursuant to either Section 36.1 or Section 36.2, as the case may be), Tenant shall reasonably cooperate and take all actions reasonably necessary (including providing all reasonable assistance to Successor Tenant) to effectuate the transfer of the Successor Assets and operational control of the Facilities to Successor Tenant in an orderly manner so as to minimize to the maximum extent feasible any disruption to the continued orderly operation of the Facilities for the Primary Intended Use. Concurrently with the transfer of the Successor Assets to Successor Tenant, (i) (other than, in the case of the transfer of the Successor Assets in connection with Landlord's exercising its right to terminate this Lease or repossess the Leased Property in accordance with the terms of this Lease, such Subleases that Landlord is not obligated to assume) Tenant shall assign (and Successor Tenant shall assume) any then-effective Subleases or other agreements (to the extent such other agreements are assignable) relating to the Leased Property, (ii) Tenant shall vacate and surrender the Leased Property to Landlord and/or Successor Tenant in the condition required under this Lease, and (iii) Tenant shall, and effective as of the Stated Expiration Date or earlier termination of the Term hereby does, transfer and assign to Landlord or any Successor Tenant (as directed by Landlord) a complete copy of all Property Specific Guest Data, in standard CSV format or other format reasonably satisfactory to Landlord, collected or held by, or otherwise in possession or control of, and/or owned by, Affiliated manager and/or Tenant, current as of the transition completion date, following which such transfer and assignment, both the Successor Tenant and Tenant (or Affiliated manager, to the extent such Property Specific Guest Data was owned by Affiliated manager instead of Tenant prior to such transfer) shall each own one hundred percent (100%) of their respective copy of the Property Specific Guest Data, free and clear and without any restrictions whatsoever; provided that use of such transferred and assigned Property Specific Guest Data shall be in compliance with applicable Legal Requirements. Notwithstanding the expiration or termination of the Term and anything to the contrary herein, to the extent that this Article XXXVI applies, unless Landlord consents to the contrary, until such time that Tenant transfers the Successor Assets and operational control of the Facilities to a Successor Tenant in accordance with the provisions of this Article XXXVI (the period of time from expiration or termination of the Term until the time of such transfer, the "Transition Period"), Tenant shall (or shall cause its Subsidiaries to) continue to (and Landlord shall permit Tenant to maintain possession of the Leased Property to the extent necessary to) operate the Facilities in accordance with the applicable terms of this Lease and the course and manner in which Tenant (or its Subsidiaries) has operated the Facilities prior to the end of the Term (including, but not limited to, the payment of Rent hereunder). Concurrently with the transfer of the Successor Assets to Successor Tenant, Landlord and Successor Tenant shall execute a new Lease in accordance with the terms as set forth in the final clause of the first sentence of Section 36.2 hereof.

ARTICLE XXXVII

ATTORNEYS' FEES

If Landlord or Tenant brings an action or other proceeding against the other to enforce or interpret any of the terms, covenants or conditions hereof or any instrument executed pursuant to this Lease, or by reason of any breach or default hereunder or thereunder, the Party substantially prevailing in any such action or proceeding and any appeal thereupon shall be paid all of its costs and reasonable documented outside attorneys' fees incurred therein. In addition to the foregoing

and other provisions of this Lease that specifically require Tenant to reimburse, pay or indemnify against Landlord's attorneys' fees, Tenant shall pay, as Additional Charges, all of Landlord's reasonable documented outside attorneys' fees incurred in connection with the enforcement of this Lease (except to the extent provided above), including reasonable documented attorneys' fees incurred in connection with the review, negotiation or documentation of any subletting, assignment, or management arrangement or any consent requested in connection with such enforcement, and the collection of past due Rent.

ARTICLE XXXVIII

BROKERS

Tenant warrants that it has not had any contact or dealings with any Person or real estate broker which would give rise to the payment of any fee or brokerage commission in connection with this Lease, and Tenant shall indemnify, protect, hold harmless and defend Landlord from and against any liability with respect to any fee or brokerage commission arising out of any act or omission of Tenant. Landlord warrants that it has not had any contact or dealings with any Person or real estate broker which would give rise to the payment of any fee or brokerage commission in connection with this Lease, and Landlord shall indemnify, protect, hold harmless and defend Tenant from and against any liability with respect to any fee or brokerage commission arising out of any act or omission of Landlord.

ARTICLE XXXIX

ANTI-TERRORISM REPRESENTATIONS

Each Party hereby represents and warrants to the other Party that neither such representing Party nor, to its knowledge, any persons or entities holding any Controlling legal or beneficial interest whatsoever in it are (i) the target of any sanctions program that is established by Executive Order of the President or published by the Office of Foreign Assets Control, U.S. Department of the Treasury ("OFAC"); (ii) designated by the President or OFAC pursuant to the Trading with the Enemy Act, 50 U.S.C. App. § 5, the International Emergency Economic Powers Act, 50 U.S.C. §§ 1701-06, the Patriot Act, Public Law 107-56, EO13224 or any Executive Order of the President issued pursuant to such statutes or any other applicable Legal Requirements relating to anti-corruption, anti-bribery, terrorism or money-laundering; (iii) named on the following list that is published by OFAC: "List of Specially Designated Nationals and Blocked Persons" or (iv) listed or designated in regulations established under the Canadian Economic Sanctions Laws (collectively, "Prohibited Persons"). Each Party hereby represents and warrants to the other Party that no funds tendered to such other Party by such tendering Party under the terms of this Lease are or will be directly or indirectly derived from activities that may contravene federal, state or international laws and regulations, including anti-money laundering laws and the Canadian AML and Proceeds of Crime Laws, and all such funds are not Proceeds of Crime. Neither Party will during the Term of this Lease knowingly engage in any transactions or dealings, or knowingly be otherwise associated with, any Prohibited Persons in connection with the Leased Property. The

Tenant will at all times operate its business in compliance with the Canadian AML and Proceeds of Crime Laws.

ARTICLE XL

LANDLORD REIT PROTECTIONS

(a) The Parties intend that Rent and other amounts paid by Tenant hereunder will qualify as “rents from real property” within the meaning of Section 856(d) of the Code, or any similar or successor provision thereto and this Lease shall be interpreted consistent with this intent. If any Rent hereunder fails to qualify as “rent from real property” within the meaning of Section 856(d) of the Code, the Parties will cooperate in good faith to amend this Lease such that no Rent fails to so qualify, provided that (i) such amendment shall not (w) increase Tenant’s monetary obligations under this Lease by more than a de minimis extent, (x) increase Tenant’s non-monetary obligations under this Lease in any material respect, (y) decrease Landlord’s obligations under this Lease in any material respect, or (z) diminish Tenant’s rights under this Lease in any material respect, and (ii) Landlord shall reimburse Tenant for all reasonable and actual documented out-of-pocket costs and expenses (including, without limitation, reasonable and actual documented out-of-pocket legal costs and expenses) incurred by Tenant in connection with such amendment.

(b) Anything contained in this Lease to the contrary notwithstanding, Tenant shall not without Landlord’s advance written consent (which consent shall not be unreasonably withheld) (i) sublet, assign or enter into a management arrangement for the Leased Property on any basis such that the rental or other amounts to be paid by the subtenant, assignee or manager thereunder would be based, in whole or in part, on either (x) the income or profits derived by the business activities of the subtenant, assignee or manager, or (y) any other formula such that any portion of any amount received by Landlord could reasonably be expected to cause any portion of the amounts to fail to qualify as “rents from real property” within the meaning of Section 856(d) of the Code, or any similar or successor provision thereto; (ii) furnish or render any services to the subtenant, assignee or manager or manage or operate the Leased Property so subleased, assigned or managed; (iii) sublet, assign or enter into a management arrangement for the Leased Property to any Person (other than a “taxable REIT subsidiary” (within the meaning of Section 856(l) of the Code, or any similar or successor provision thereto) of Landlord REIT) in which Tenant, Landlord or PropCo owns an interest, directly or indirectly (by applying constructive ownership rules set forth in Section 856(d)(5) of the Code, or any similar or successor provision thereto); or (iv) sublet, assign or enter into a management arrangement for the Leased Property in any other manner which could reasonably be expected to cause any portion of the amounts received by Landlord pursuant to this Lease or any Sublease to fail to qualify as “rents from real property” within the meaning of Section 856(d) of the Code, or any similar or successor provision thereto, or which could reasonably be expected to cause any other income of Landlord to fail to qualify as income described in Section 856(c)(2) of the Code, or any similar or successor provision thereto. As of the end of each Fiscal Quarter during the Term, Tenant shall deliver to Landlord a certification, in the form attached hereto as Exhibit E, stating that Tenant has reviewed its transactions during such Fiscal Quarter and certifying that Tenant is in compliance with the provisions of this Article XL. The requirements of this Article XL shall likewise apply to any further sublease, assignment or management arrangement by any subtenant, assignee or manager.

(c) Anything contained in this Lease to the contrary notwithstanding, the Parties acknowledge and agree that Landlord, in its sole discretion, may assign this Lease or any interest herein to another Person (including without limitation, a “taxable REIT subsidiary” (within the meaning of Section 856(l) of the Code, or any similar or successor provision thereto)) in order to maintain Landlord REIT’s status as a “real estate investment trust” (within the meaning of Section 856(a) of the Code, or any similar or successor provision thereto); provided however, Landlord shall be required to (i) comply with any applicable Legal Requirements related to such transfer, and (ii) give Tenant notice of any such assignment; and provided further, that any such assignment shall be subject to all of the rights of Tenant hereunder.

(d) Anything contained in this Lease to the contrary notwithstanding, upon request of Landlord, Tenant shall cooperate with Landlord in good faith and at no cost or expense (other than de minimis cost) to Tenant, and provide such documentation and/or information as may be in Tenant’s possession or under Tenant’s control and otherwise readily available to Tenant as shall be reasonably requested by Landlord in connection with verification of Landlord REIT’s “real estate investment trust” (within the meaning of Section 856(a) of the Code, or any similar or successor provision thereto) compliance requirements. Anything contained in this Lease to the contrary notwithstanding, Tenant shall take such reasonable action as may be requested by Landlord from time to time in order to ensure compliance with the Internal Revenue Service requirement that Rent allocable for purposes of Section 856 of the Code to personal property, if any, at the beginning and end of a calendar year does not exceed fifteen percent (15%) of the total Rent due hereunder as long as such compliance does not (i) increase Tenant’s monetary obligations under this Lease by more than a de minimis extent or (ii) materially increase Tenant’s nonmonetary obligations under this Lease, or (iii) materially diminish Tenant’s rights under this Lease.

ARTICLE XLI

MISCELLANEOUS

41.1 Survival. Anything contained in this Lease to the contrary notwithstanding, all claims against, and liabilities, obligations and indemnities of Tenant or Landlord arising or in respect of any period prior to the Expiration Date shall survive the Expiration Date.

Tenant specifically agrees to look solely to the Leased Property for recovery of any judgment from Landlord (and Landlord’s liability hereunder shall be limited solely to its interest in the Leased Property, and no recourse under or in respect of this Lease shall be had against any other assets of Landlord whatsoever). The provision contained in the foregoing sentence is not intended to, and shall not, limit any right that Tenant might otherwise have to obtain injunctive relief against Landlord, or any action not involving the personal liability of Landlord. In no event shall Landlord ever be liable to Tenant for any indirect or consequential damages suffered from whatever cause. It is specifically agreed that no constituent member, partner, owner, director, officer or employee of a Party shall ever be personally liable for any judgment (in respect of obligations under or in connection with this Lease) against, or for the

payment of any monetary obligation under or in respect of this Lease, such Party, to the other Party (provided, this sentence shall not limit the obligations of Guarantor expressly set forth in the Guaranty).

41.9 Counterparts. This Lease may be executed in any number of counterparts, each of which shall be a valid and binding original, but all of which together shall constitute one and the same instrument. This Lease may be effectuated by the exchange of electronic copies of

signatures (e.g., .pdf), with electronic copies of this executed Lease having the same force and effect as original counterpart signatures hereto for all purposes.

41.10 Interpretation. Both Landlord and Tenant have been represented by counsel and this Lease and every provision hereof has been freely and fairly negotiated. Consequently, all provisions of this Lease shall be interpreted according to their fair meaning and shall not be strictly construed against any party.

41.11 Further Assurances. Each Party agrees that, at any time or from time to time, upon written request of the other Party, it shall execute and deliver all such further documents and do all such other acts and things as reasonably may be required to confirm or consummate this Lease, including, but not limited to, the preparation, execution and delivery of documents, in each case, in furtherance of and consistent with the terms and provisions of this Lease. In addition, Landlord agrees to, at Tenant's sole cost and expense, reasonably cooperate with all applicable Gaming Authorities and Liquor Authorities in connection with the administration of their regulatory jurisdiction over Tenant, Tenant's direct and indirect parent(s) and their respective Subsidiaries, if any, including the provision of such documents and other information as may be requested by such Gaming Authorities or Liquor Authorities relating to Tenant, Tenant's direct and indirect parent(s) or any of their respective Subsidiaries, if any, or to this Lease and which are within Landlord's reasonable control to obtain and provide.

41.12 Gaming Regulations.

(a) Notwithstanding anything to the contrary in this Lease, this Lease and any agreement formed pursuant to the terms hereof are subject to all applicable Gaming Regulations and all applicable laws involving the sale, distribution and possession of alcoholic beverages (the "Liquor Laws"). Without limiting the foregoing, each of Tenant and Landlord acknowledges that (i) it is subject to being called forward by any applicable Gaming Authority or governmental authority enforcing the Liquor Laws (the "Liquor Authority") or Gaming Regulations with jurisdiction over this Lease, Gaming or liquor sales at the Facilities, or the Facility, in each of their discretion, for licensing or a finding of suitability or to file or provide other information, and (ii) all rights, remedies and powers under this Lease and any agreement formed pursuant to the terms hereof, including with respect to the entry into and ownership, operation and management of a Gaming Facility, and the possession or control of Gaming equipment, alcoholic beverages or a Gaming License or liquor permit, may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Regulations and Liquor Laws and only to the extent that required approvals (including prior approvals) are obtained from the requisite Gaming Authorities and Liquor Authorities or other governmental authorities.

(b) Notwithstanding anything to the contrary in this Lease or any agreement formed pursuant to the terms hereof, (subject to Section 41.11) each of Tenant, Landlord, and each of Tenant's or Landlord's successors and assigns agree to cooperate with each Gaming Authority and each Liquor Authority in connection with the administration of their regulatory jurisdiction over the Parties, including, without limitation, the provision of such documents or other information as may be requested by any such Gaming Authorities and/or Liquor Authorities relating to Tenant, Landlord, Tenant's or Landlord's successors and assigns or to this Lease or any agreement formed pursuant to the terms hereof. If necessary to comply with Gaming Regulations

with respect to a specific Facility (or Facilities), the Parties agree to create a Severance Lease with respect to such Facility (or Facilities) which, for avoidance of doubt, shall be cross-defaulted with this Lease.

(c) If there shall occur a Licensing Event, then the Party with respect to which such Licensing Event occurs shall notify the other Party, as promptly as practicable after becoming aware of such Licensing Event (but in no event later than twenty (20) days after becoming aware of such Licensing Event). In such event, the Party with respect to which such Licensing Event has occurred, shall and shall cause any applicable Affiliates to use commercially reasonable efforts to resolve such Licensing Event within the time period required by the applicable Gaming Authorities by submitting to investigation by the relevant Gaming Authorities and cooperating with any reasonable requests made by such Gaming Authorities (including filing requested forms and delivering information to the Gaming Authorities). If the Party with respect to which such Licensing Event has occurred cannot otherwise resolve the Licensing Event within the time period required by the applicable Gaming Authorities and any aspect of such Licensing Event is attributable to any Person(s) other than such Party, then such Party shall disassociate with the applicable Persons to resolve the Licensing Event. It shall be a material breach of this Lease by Landlord if a Licensing Event with respect to Landlord shall occur and is not resolved in accordance with this Section 41.12 within the later of (i) thirty (30) days, or (ii) such additional time period as may be permitted by the applicable Gaming Authorities.

(d) With respect solely to the Alberta Facilities, if Tenant (and/or any of its Affiliates or subtenants) shall ((clauses (i) and (ii)), below collectively being the, “Expanded Gaming”):

(i) obtain permission or authorization (pursuant to or through any Gaming Regulations or any Gaming License or otherwise) to display, operate or offer any Gaming through any Online Channel; or

(ii) obtain a new Gaming License pertaining to the Leased Property that authorizes a form of Gaming not (as of the Fifth Amendment Date) authorized on, at or about, or in connection with or relating to, the Leased Property or Tenant’s Property or any portion thereof,

then the Tenant shall promptly notify Landlord in writing of same, which notice shall include a copy of or evidence of such Gaming License and Gaming Regulations applicable to same (but in all events the notice shall be received by Landlord before the display, promotion, operation or offering of any Expanded Gaming). Regardless of any such permission or authorization or new Gaming License to conduct Expanded Gaming, no such permission or authorization or new Gaming License shall entitle the Tenant to decrease the amount of Gaming conducted from the Facilities prior to the issuance of such permission or authorization or new Gaming License

41.13 [Intentionally Omitted].

41.14 Confidential Information. Each Party hereby agrees to, and to cause its Representatives to, maintain the confidentiality of all non-public information received pursuant to this Lease; provided that nothing herein shall prevent any Party from disclosing any such non-

public information (a) in the case of Landlord, to VICI Properties Inc., a Maryland corporation and any Affiliate thereof, (b) in the case of Tenant, to any Affiliate thereof, (c) in any legal, judicial or administrative proceeding or other compulsory process or otherwise as required by applicable Legal Requirements (in which case the disclosing Party shall promptly notify the other Parties, in advance, to the extent permitted by law), (d) upon the request or demand of any regulatory authority having jurisdiction over a Party or its affiliates (in which case the disclosing Party shall, other than with respect to routine, periodic inspections by such regulatory authority, promptly notify the other Parties, in advance, to the extent permitted by law), (e) to its Representatives who are informed of the confidential nature of such information and have agreed to keep such information confidential (and the disclosing Party shall be responsible for such Representatives' compliance therewith), (f) to the extent any such information becomes publicly available other than by reason of disclosure by the disclosing Party or any of its respective Representatives in breach of this Section 41.14, (g) to the extent that such information is received by such Party from a third party that is not, to such Party's knowledge, subject to confidentiality obligations owing to the other Parties or any of their respective affiliates or related parties, (h) to the extent that such information is independently developed by such Party, or (i) as permitted under the first sentence of Section 23.2(a). Each of the Parties acknowledges that it and its Representatives may receive material non-public information with respect to the other Party and its Affiliates and that each such Party is aware (and will so advise its Representatives) that federal and state securities laws and other applicable laws may impose restrictions on purchasing, selling, engaging in transactions or otherwise trading in securities of the other Party and its Affiliates with respect to which such Party or its Representatives has received material non-public information so long as such information remains material non-public information.

41.15 Time of Essence. TIME IS OF THE ESSENCE OF THIS LEASE AND EACH PROVISION HEREOF IN WHICH TIME OF PERFORMANCE IS ESTABLISHED.

41.16 Consents, Approvals and Notices.

(a) All consents and approvals that may be given under this Lease shall, as a condition of their effectiveness, be in writing. The granting of any consent or approval by Landlord or Tenant to the performance of any act by Tenant or Landlord requiring the consent or approval of Landlord or Tenant under any of the terms or provisions of this Lease shall relate only to the specified act or acts thereby consented to or approved and, unless otherwise specified, shall not be deemed a waiver of the necessity for such consent or approval for the same or any similar act in the future, and/or the failure on the part of Landlord or Tenant to object to any such action taken by Tenant or Landlord without the consent or approval of the other Party, shall not be deemed a waiver of their right to require such consent or approval for any further similar act; and Tenant hereby expressly covenants and agrees that as to all matters requiring Landlord's consent or approval under any of the terms of this Lease, Tenant shall secure such consent or approval for each and every happening of the event requiring such consent or approval, and shall not claim any waiver on the part of Landlord of the requirement to secure such consent or approval.

(b) Each Party acknowledges that in granting any consents, approvals or authorizations under this Lease, and in providing any advice, assistance, recommendation or direction under this Lease, neither such Party nor any Affiliates thereof guarantees success or a

satisfactory result from the subject of such consent, approval, authorization, advice, assistance, recommendation or direction.

(c) Any notice, report or information required to be delivered by Tenant hereunder may be delivered collectively with any other notices, reports or information required to be delivered by Tenant hereunder as part of a single report, notice or communication. Any such notice, report or information may be delivered to Landlord by Tenant providing a representative of Landlord with access to Tenant's or its Affiliate's electronic databases or other information systems containing the applicable information and notice that information has been posted on such database or system.

(d) Tenant agrees that neither Landlord nor any of its Affiliates shall have any liability whatsoever to Tenant by reason of: (i) any consent, approval or authorization, or advice, assistance, recommendation or direction, given or withheld; or (ii) any delay or failure to provide any consent, approval or authorization, or advice, assistance, recommendation or direction; provided, however, Landlord agrees to act in good faith when dealing with or providing any advice, consent, assistance, recommendation or direction.

41.17 Easements, Covenants and Restrictions. Without the consent of Tenant, Landlord may, from time to time, create or otherwise cause to exist any easement, covenant or restriction or oil and gas lease (or other grant in respect of Subsurface Resources) upon or in respect of the Leased Property, or any portion thereof, so long as such encumbrance provides that it is subject to the rights of Tenant under this Lease and the same will not (i) affect, in any material respect, the conduct of the Primary Intended Use thereupon, (ii) increase Tenant's monetary obligations under this Lease by more than a de minimis extent, or increase Tenant's non-monetary obligations under this Lease in any material respect, or (iii) diminish Tenant's rights under this Lease in any material respect.

41.18 Pre-Commencement Date Matters. Subject to Section 21.2 and Section 32.5, any costs or expenses applicable to the period prior to the Commencement Date, Fourth Amendment Date or Fifth Amendment Date, as applicable, with respect to the business operations conducted on the applicable Leased Property, including the Business or Operating Assets which remain unpaid as of the Commencement Date, Fourth Amendment Date or Fifth Amendment Date, as applicable, shall be the obligation of Tenant under this Lease, and, without limitation, Tenant shall pay and discharge any such costs and expenses in accordance with the terms of this Lease as if such costs and expenses were incurred by Tenant after the Commencement Date, Fourth Amendment Date or Fifth Amendment Date, as applicable, including, without limitation, any costs and expenses in connection with, arising out of, resulting from or incident to the work referenced on (i) Schedule 5.1(a)(iv) of the Disclosure Schedules, as defined in and with respect to the Original Equity Purchase Agreement, (ii) Schedule 2.6(h) of the Disclosure Schedules, as defined in and with respect to the RG Equity Purchase Agreement, and (iii) Schedule R of the Disclosure Schedule, as defined in and with respect to the Alberta Acquisition Agreement, and any related actions contemplated thereby, whether or not such costs and expenses were actually incurred prior to the Commencement Date, Fourth Amendment Date or Fifth Amendment Date, as applicable.

41.19 Tenant and Landlord; Joint and Several. Each applicable fee or leasehold owning entity that comprises Landlord leases its applicable portion of the Leased Property (as set forth on Exhibit A attached hereto) to the corresponding applicable operating entity that comprises Tenant (as set forth on Exhibit A attached hereto), and, accordingly, each such operating entity or entities shall have exclusive rights to act as Tenant with respect to the applicable portion of the Leased Property leased to such operating entity as set forth on Exhibit A attached hereto. However, all operating entities shall be jointly and severally liable for all of the obligations of all operating entities under this Lease. In addition, all fee or leasehold owning entities shall be jointly and severally liable for all of the obligations of all fee or leasehold owning entities under this Lease.

41.20 Suretyship Waivers.

Each successor and assign of each entity comprising Landlord agrees that it shall be bound by the above waiver, as if it had given the waiver itself.

41.21 Amendments. This Lease may not be amended except by a written agreement executed by all Parties hereto.
